PRESBYTERY WANTS MORE PROMINENCE FOR DOCTRINE IN COLLEGE OF THE CHURCH

At the meeting of the St. John Presbytery yesterday a vigorous discussion took place on the alleged need of giving more prominence to the doctrines of the Westminster Confession in the curriculum of the college of the church.

The discussion was provoked by a resolution of Rev. Frank Baird, demanding that the standards of the church be restored to a more prominent place in the curriculum of the college. Exception was taken to the use of the word restored, and there was a lively discussion on the question of whether or not the Westminster Confession was being given a sufficiently prominent place in the teachings of the college. Finally Mr. Baird was persuaded that the word restored was unnecessary, and the Presbytery by a unanimous vote decided to place itself on record as being of the opinion that a permanent and prominent place should be given to the standards of the church in the curriculum of the college.

An important announcement was made to the effect that the General Assembly was arranging to take an active part in the crusade for moral and social reform and that the influence of the church would be wielded in an effort to prevent the development of slums and their accompanying evils in the cities of Canada.

The session was held in St. Andrew's church yesterday, opening at 10 o'clock a. m., with an afternoon session lasting until 5.30. There were in attendance Revs. Frank Baird, A. B. Dickie, R. Davidson, G. Farquhar, L. B. Gibson, W. Girdwood, W. W. Malcolm, M. J. McPherson, W. W. Rainnie, Jas. Ross, Edwin Smith, E. Thorpe, J. H. A. Anderson, G. Dickie, H. R. Read and W. M. Townsend and W. S. Clawson, N. W. Loughrey and Judge Forbes, elders.

In the absence of the moderator, Dr. Smith of Fredericton, H. R. Read was appointed moderator pro tem. Revs. Dr. S. C. Gunn, of the Presbytery of New York; Dr. T. Stewart, of the Presbytery of Halifax, and W. McMillan, of the Presbytery of Glengarry, being present were asked to sit as corresponding members.

At the opening of the Presbytery Mr. McCaskill made reference to the fact that the retiring moderator, Rev. L. B. Gibson, had been honored by Grove City College, Pennsylvania, with the degree of Ph. D. Dr. Gibson completed a highly creditable course in this college and had the degree conferred in April last. Grove City College enrols about 700 students annually, and many men of highest standing in the country are numbered among its graduates.

The clerk read a communication from the Clerk of the General Assembly, stating that the application of Revs. John Lennox and Allen Lang for admission into the Presbyterian church in Canada which had been forwarded by this presbytery, had been favorably considered by the Assembly, and these men were granted full standing in the ministry of the Canadian Presbyterian church.

Mr. Lennox being present, was duly received by the Presbytery after having assented to the regular questions of the formula. Mr. Lennox came to this province from London, England, and has been laboring for some time in connection with the Baptist church at Keswick Ridge.

Mr. Lang is a brother of Rev. David Lang of this city, and comes to the service of the Canadian church after several years of efficient service in the Presbyterian church of the United States, his last congregation being in Hubbard, Ohio.

A call addressed to Mr. Lennox from the congregation of Norton and Southfield was presented by Mr. Farquhar. The call was duly sustained, and on being accepted by Mr. Lennox the date of induction was set for Tuesday, July 11, at 7:30 p. m., Mr. Farquhar to preside and induct, Mr. Edwin Smith to address the minister and Mr. Ross the people.

Dr. Stewart of the Halifax Presbyterian College addressed the Presbytery on behalf of the college, claiming increased contributions from the church to meet the growing demands of the institution. Dr. Stewart's address was well received by the court and a resolution was passed expressive of the loyalty and co-operation of the members.

A resolution moved by Rev. Frank Baird calling for a permanent and prominent place on the curriculum of the college to the teaching of the standards of the church was passed unanimously after a valuable and somewhat animated discussion.

Rev. G. A. Kuhring appeared before the Presbytery on behalf of the Bishop of Fredericton, in the interests of religious education in the public schools of the province. The Presbytery cordially expressed sympathy with the aims of his address and appointed a standing committee to co-operate. The committee consists of Dr. Smith, F. Baird, James Ross, D. McOdrum, Judge Forbes and P. G. McFarlane.

In connection with the work of the augmentation committee regular grants were made to the congregations concerned.

Rev. A. B. Dickie resigned his charge of the congregation of Sackville and Dorchester. In doing so he spoke highly of the loyalty of his congregation, regretting the serious depletion of its members due to emigration.

Hearty words of congratulation were spoken of Mr. Dickie, who is just rounding out 43 years in the ministry, during which time he has never missed a Sabbath service through illness and never taken a vacation. He expects to take up work in the Presbytery of Halifax. Rev. D. McOdrum was appaointed interim moderator of session for Sackville and Dorchester with instructions to declare the pulpit vacant on the last Sabbath in July.

Rev. James Ross in reporting for the commissioners to assembly referred to the proposed abolition of the present distinction between the eastern and western divisions of the church in Canada as well as the policy of the church looking forward to a vigorous grappling with the slum problem in the larger Canadian cities.

The Presbytery unanimously nominated Rev. James Ross as moderator of the Maritime Synod which convenes in Charlottetown, P. E. I., in October next.

On motion of Rev. W. W. Rainnie, seconded by Rev. W. F. Townsend, the following resolution was adopted and ordered forwarded to Bishop Richardson:

"The Presbytery of St. John, in session in St. Andrew's church today having heard of the destruction of the Cathedral of the Church of England in this province, authorizes the Moderator and Clerk to express to the Bishop of Fredericton its sincere regret over the destruction of the beautiful Cathedral church at Fredericton, and to convey an expression of the Presbytery's profound sympathy with his Lordship and the people of the Church of England throughout the diocese.

GEORGE HECTOR GETS TWENTY-FIVE YEARS

Negro will Spend Long Term in Penitentiary for Fiendish Crimes Perpetrated on Aged Willow Grove Woman.

George Hector.

In the circuit court yesterday afternoon immediately after the jury had been discharged in the Davidson case, Solicitor General McLeod moved for sentence in the case of the King vs. George Hector, the negro, who pleaded guilty to a charge of rape and attempt to murder. Both crimes were committed on Ann Davidson, an aged woman.

Hector was brought into court and sentenced to a term of 15 years on the attempt at murder charge and a term of 10 years in the penitentiary on the rape charge. The sentences are to run consecutively.

In passing sentence his honor said:

"George Hector, you have been indicted by the grand inquest of this county on two charges, very serious in their nature. The first is attempt to murder an old woman in the Parish of Simonds, named Ann Davidson. The second is of raping her. Wisely and under the advice of Mr. Logan, your counsel, you have pleaded guilty as under the evidence contained in the depositions, no jury under heaven would have acquitted you.

"The crimes were both fiendish and brutal and although I am not going to pass as severe a sentence as they warrant, yet I am going to give you a long term in the penitentiary. On the attempt to murder count you will be confined in the Dorchester penitentiary for the period of 15 years, and on the rape count for a period of 10 years, each sentence to run consecutively and not concurrently.

"You are yet a young man and this will give you a chance to reform."

Hector took the sentence calmly.

The maximum penalty on the attempt to murder count is life, and on the rape count is hanging or life.
