What chin is it that is never shaved? An urchin.

A TRUTH.—The surest way to lose your health is to drink other people's.

What is the difference between bayonets and bullets?—Bayonets are driven, but bullets are lead.

A gentleman being asked if his neighbor's dog was a hunter, said he was half hunter and half setter— that he hunted until he found a bone, and then sat down to eat it.

The man who said he could do all the business he wanted without advertising has been compelled to advertise at last. The new advertisement is headed "Sheriff's Sale."

The young married man who found himself at the theatre the other evening with feet incased in steel-colored boots, from a liberal application of stove-blacking in the dark, wants to know "how long this house-cleaning is going to last, anyhow."

A LEGAL POINT.—A jury once returned into court in order that one of their number might be instructed upon the following point of law: "If I believe that the evidence is one way, and the other eleven believe different, does that justify any other juryman in knocking me down with a chair?"

Iron in the Blood

MAKES THE WEAK STRONG,
The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.
This is the secret of the wonderful success of this remedy in curing **Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints,** *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the blood, or and building up an Iron Constitution.*
Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and towards cannot reasonably hesitate to give it a trial.
See that each bottle has **PERUVIAN SYRUP** *blown in the glass.*

NELSON'S CELEBRATED
CHEROKEE VERMIFUGE.
Certain Death to Worms.
PLEASANT TO TAKE.
WHENEVER a child is noticed to be growing habitually pale, complaining of violent pains in the stomach and abdomen, has variable appetite and a dry cough, and is frequently fed, by irritation to carry the hands to the nose, then
Try Nelson's Cheokee Vermifuge,
for it is certain that the child has WORMS.
NELSON'S CHEROKEE VERMIFUGE will certainly effect a cure, whether a person afflicted be infant or *adult*, as is proved by its universal success; which has been such as to warrant the offer to
RETURN THE MONEY
in any case in which it should fail to prove effectual, when the symptoms have justified the administering of the
VERMIFUGE.
It is hereby certified that the preparation contains *no mercury*, and is an innocent medicine, incapable of doing the least injury, even to the most tender infant, if given strictly according to the directions enclosed with each bottle.
Price 25 cents.

COLLINS' CHEST CURATIVE
—FOR—
Consumption, Coughs, Colds, Catarrh, Croup, &c., &c.
ALL should buy Collins' Chest Curative who need to try any medicine for Consumption, as it is before and beyond all others, the most effectual and the most pleasant medicine to take. If you cough you will find it unfailing; Colds are cured by it, (in large doses); CROUP, after an emetic, yields to it; CATARRH disappears before it; BRONCHITIS cannot retain its hold.
This most excellent medicine for all diseases of the Chest and Throat is guaranteed to be purely vegetable; no noxious minerals enter into its composition; and mynads have blessed the day when first they were induced to try the Lung medicine with eight C's.
