The Board of Trade.

Editor World: I wish to call attention through the medium of your valuable paper, of the members of the Board of Trade to the recent attempt of the council of that body to spring some very important legislation on the membership. The notices calling the special meeting were dated May 12. They were mailed at Toronto on the 13th instant. They probably arrived at their destination on the 14th, and the meeting was held on the 15th. And this meeting was called for the the purpose of voting $392, on each call, away from 303 members. It is passing strange that business men in Toronto having a reputation at stake would consent to this kind of thing. It is gratifying to know that those attending the meeting had a sufficient sense of justice not to take any atction in the matter. It is to be hoped that at the next general meeting such steps will be taken as will have the effect of closing up the gratuity branch. There has been trouble in the past; there is sure to be more trouble in the future. The 303 members will not submit to be despoiled in the manner proposed, and the management will find that the injured can seek and obtain justice under the laws of the land, even should the proposed legislation be adopted.

A MEMBER OF THE BOARD OF TRADE.

Ground Rental for St. George's Hall.

A musical recital of the three talented Canadian artists, Miss Beverley Robinson, Miss Evelyn de Latre Street, and Miss Ada E.S. Hart, will be given in the St. George's Hall on Wednesday evening next. This recital should be a great success, as all the artists are well known in the city. These artists, whe non a tour in the eastern and western States, drew large houses, and it is expected they will have a crowded house on Wednesday next. The plan of the hall is now open at Messrs. A. & S. Nordheimers', where seats are being taken up rapidly.

Canadian Bishop for Japan.

An Anglican committee met yesterday morning at the synod offices to consider the advisability of appointing a bishop in Japan. There is no bishop in that country representing the Canadian branch of the Church of England. The subject will be further considered.

TWO BURGLARS WILL HANG.

One Man, After Sentence, Dashes His Pal to the Floor in His Frenzy

London, May 21.—The trial of Albert Millsom and Henry Fowler, for the murder of Mr. Henry Smith, in his residence, Muswell Lodge, Highgate, on February 13 last, ended to-day in the conviction of the prisoners, who were sentenced to death.

After the sentences were pronounced, Fowler seized Millsom, who was standing by his side, and dashed him to the floor. The warders sprang at Fowler and pulled him away from Millsom, but it was with great difficulty that the frenzied man was overcome.

Fowler and Millsom entered Mr. Smith's house in the night for the purpose of robbing him, and it is supposed that Mr. Smith was aroused by their noise and went down stairs, when he was killed by the burglars.

Hopeful for Munro Park.

The lease of Munro Park was signed by the Toronto Street Railway Co. yesterday, and one more breathing place not yielding to any spot in or around the city for rustic and secluded beauty, will shortly be thrown open to the public. Negotiations are going on with the municipality of East Toronto village, with a view to obtain the right of way along Queen-street, and it is thought by the Toronto railway officials that a satisfactory arrangement will be arrived at by to-night.

Mrs. Dyer Indicted.

London, May 21.—Mrs. Annie Dyer, the baby farmer, who with her son-in-law, Albert E. Palmer, was recently arrested at Reading for the murder of a number of infants, some of whose bodies were found in the river, was formally indicted for murder in the criminal court, Old Bailey, to-day. Mrs. Dyer was judicially declared insane a few days ago.

A Canadian Sealer Lost.

Victoria, B.C., May 21.—It has been ascertained that the Victoria Sealing and Trading Company's 88 ton schooner May Belle, which, with Capt. Edward Shields in command and a crew of 6 Victoria sailors and 20 native hunters, left here for the sealing grounds early in January, was lost with all on board.

Stanley Park.

A very clever pen and ink sketch of Stanley Park, the new picnic grounds and summer resort at Erin, on the Canadian Pacific Railway, is on exhibition at the company's offices, 1 King-street east. The work was executed by Mr. A. Williams, jeweler of Brampton, and gives a very correct idea of the grounds.

Rev. Dr. Withrow Moderator.

Saratoga, N.Y., May 21.—The Rev. Dr. John L. Withrow, the Liberal candidate, was elected moderator of the Presbyterian General Assembly by a large majority. The vote was as follows: Monfort 84, Breed 162, Withrow 315.

One of the greatest blessings to parents is Mother Graves' Worm Exterminator. It effectually expels worms and gives health in a marvellous manner to the little one.

FLOUR DEAL SETTLED.

Foulds & Shaw Win Their Case Before the Board of Trade Arbitrators.

A case of considerable interest to flour dealers and of which a great deal of evidence was taken, is that betwe n Foulde & Shaw of Oakville and J. F. McLaughlin of this city. The arbitrators finished their labors yesterday, and the award is favorable to Foulds & Shaw. In January last this firm sold to Mr. J. F. McLaughlin 4200 sacks of flour, purporting to grade straight roller, to be delivered in Quebec. The inspector there, Mr. Rossean is said to have inspected the flour as extra, which is below straight roller in quality, while the sellers claimed that it would grade straight roller. The statements of the inspector seem to be of a contradictory character and the result is that Mr. McLaughlin lost. Considering the decline in prices since January, and the expenses of the case, the loss to the latter gentleman will probably amount to about $750.

HO! FOR VICTORIA PARK!

Great Attractions for Queen's Birthday—Hand Concerts and Races.

This delightful, free resort, which opens with great eclat on Saturday, should draw bigger crowds than ever this season. Nothing that money nor years of successful management could devise has been neglected in the public interests. Messrs. J. & T. Gardiner will also have the management of the adjoining Munro Park, and both places lit up by electricity, make a sight never to be forgotten. Cars run right to park gate. No liquors sold.

A Scorcher Comes to Grief.

Henry Parkin, 20 years of age, and a skilled machinist in the Hyslop bicycle works, broke his wheel near the fork while scorching on the Kingston road, east of the Halfway Hotel, Wednesday night, and fell headlong on the ground. Some companions carried him into the Halfway House and brought Dr. Shaw of East Toronto to the spot. It was found that he had sustained a severe concussion of the brain, and had cuts all over his face. He was still in a dazed condition yesterday, but the physician reports some progress. The iron tubing of the bicycle he rode is not 1-32 of an inch in thickness.

These Must Pay Their Debts.

In the Western Division Court yesterday these judgments were recorded: Jones & Moore against W. G. Harris for the return of an electric motor worth $53; Jno. Brenwith $15.50 against E. Williamson, balance for goods; Sarah Butt, executrix of the estate of Ephraim Butt, $27.20 on a note made by Charles Bond and William Reid; Peter Reid $42 against Jones Gay, on a contract to built a kitchen; Massey & Harris, $79, on a note against J. H. and R. Ross.

Committed for Trial.

Moses Preslau, a Hebrew pedlar, residing in Pearl-street, was committed for trial yesterday by Squire Winfield for assaulting Capt. Maw at the Humber. The men had a dispute over an oar, which Maw claimed the pedlar had stolen from him. A row followed and the captain's arm was badly injured.

Four Cyclones and a Water Spout.

Guthrie, O.K., May 21.—Four cyclones and a waterspout visited the territory last night, doing thousands of dollars worth of damage in Cleveland, Oklahama, Kay and Payne counties. In the Osage reservation six or eight persons were killed.

Fifteen Years in the Pen.

Judge McDougall yesterday sentenced the Tidsberry thugs. Henderson and McDonald were given 15 years each, and McMurray 10 years in Kingston. Arthur Cardinal, who assaulted a fellow-convict, was sent down for two years.

The Turks Cash Up.

Constantinople, May 21.—The British, French and Russian equipment claims have each received checks for 10,000 pounds as indemnity for the outrages at Jiddah in May last, when the British Consul and Vice-Consul, the Russian Acting Consul and the French Consular Secretary were attacked and shot by Bedouins outside the town.

Featherston's Body Found.

Constable Ward yesterday found the body of Elmore B. Featherston, of 191 Shaw-street, who was drowned while sailing Wednesday morning.

Stirrups and Saddles.

A Chat With Guelph's Leading Saddler and What Came of It.

Mr. Wm. Dyson, a life-long resident of Guelph, well known in business and Masonic circles, talked emphatically to our representative when called on. Here is what he said:

"My experience has proven Doan's Kidney Pills to be a splendid medicine for anyone troubled with backache or urinary troubles. For the past two years I have been afflicted with constant and very bad pains in my back, together with shooting neuralgic pains all over my body, accompanied with dizziness, palpitation of the heart, loss of appetite, and sleeplessness at nights.

"The urine was high-colored with a milky sediment, and was vented with difficulty. I became very weak and nervous, felt tired all the time, and was, as a matter of fact, unable to work.

"Hearing of the cures that Doan's Kidney Pills had effected in cases similar to mine, I procured a box at the drug store. I have just finished them, and must say that the effect has been surprising. I have been getting better in every way daily from the time I first commenced taking the pills. All my urinary troubles are entirely gone, and I feel braced up and as young as ever I was.

"The neuralgic pains in my back and body are all gone. These pills are a splendid medicine and I say the same to anyone that I know who complains of bachache and urinary troubles. To show how grateful I am for the relief obtained you may publish this for the benefit of others suffering as I did."

Price fifty cents per box. For sale by E. Hooper & Co., 43 King-street west. J. R. Lee, cor. Queen and Seaton. W. H. Gilpin, cor. College and Major. E. F. Robinson, 832 Yonge-street. J. A. Austin, 1482 Queen-street west.
