CANADIAN CRICKET TEAM

International Eleven Chosen to Meet the Philadelphias at Ottawa.

EIGHT TORONTO MEN SELECTED

One Representative Each From Ottawa, McGill and Montreal Clubs.

The Executive of the Canadian Cricket Association met at the Walker House last night, with Mr. J. S. Chambers in the chair, and Messrs. J. H. Forester (Uxbridge and Galt), W. H. Cooper (Rosedale), Oughtbred (McGill and Montreal), A. Hope (Ottawa and Hamilton), D. W. Saunders (Toronto), A. F. Hatch (Parkdale), F. J. Davis (St. Cyprian's), Secretary J. E. Hall and Assistant Secretary W. E. McMurtry present.

It took the committee over two hours to decide on the eleven to represent Canada at Ottawa, Sept. 9 and 10. The team chosen looks one of the best ever sent out. There are six of last year's team on again this year. The bowling will be done by Messrs. McGiverin, Chambers and Hill, with Forester, Laing, Gillespie and Cooper as change bowlers. Three of the team have made centuries this season—Forester, Cooper and Hill of McGill. Chambers and McGiverin are both fast bowlers, while Hill is a medium, with a good break each way. If D. W. Saunders is unable to go, his place behind the wickets will be filled by W. W. Wright. There are five Toronto men, two Rosedale and one each from Ottawa, McGill, Montreal and Parkdale, the line-up of the team being:

Toronto C.C.—A. Gillespie, D. W. Saunders, J. M. Laing, H. Lownsborough, A. Mackenzie.

Rosedale—J. H. Forester, W. H. Cooper.

Parkdale—F. S. Chambers.

Ottawa—H. B. McGiverin.

McGill—H. C. Hill.

Montreal—E. S. Jacques.

Spare-men—D'Arcy Martin, Hamilton; W. G. Bristowe, Ottawa; Harold Beatty, Rosedale.

J. S. Counsell of Hamilton is an absentee, as his business would not permit of his going down East.

A. H. Collins was appointed umpire, and J. E. Hall scorer.

The committee will meet at the Walker on Sept. 1 to choose the team to play the English eleven at Rosedale in October.

Marshall 10. Score:

Final Bowling Scores.

Niagara-on-the-Lake, Aug. 26.—The final event in the Ontario Bowling Association tournament was concluded Saturday afternoon, and with it one of the most successful meetings of the association was brought to a close. The club intends to enter teams in the intermediate and junior O.R.F.U. The intermediate team this year will be stronger and heavier than last year's by the addition of several new men, and the juniors hope to hold the title and cup which they won last season. Practices will be commenced as early as possible.

Rochester Captured Series From Providence, and Hartford is Close to Third Place.

BUFFALO WON AT WORCESTER

Montreal Dropped a Double-Header—Scores for the Day and Record to Date.

Toronto Won By 7 to 4.

Brockton, Aug. 26.—Owing to the illness of Shortstop Madison, the Brocktons had to change their team all around to-day, and the result was yellow fielding, that killed Woods' good pitching. Catches right off the fence by Brown and the Bannons were features. Score:

Montreal Lost Double-Header.

Hartford, Aug. 26.—Hartford easily won both games from Montreal to-day, and, but for an error of Hemming in right in the second game, the Canadians would not have scored. Hamilton City League.

Hamilton, Aug. 26.—For the first time this season the teams of the City Baseball League have not all played the same number of games. Saturday's draw game between the Park Nine and Twentieth Century having made the difference. Still the teams are all in a bunch. With only four games to play, the championship is not within the St. Patrick's grasp, but that team is playing good ball and may yet have a lot to say in deciding the winner. Among the other three clubs it is just about a toss-up. Park Nine still holds the lead, but the margin is so narrow that either the Woodlands or the Twentieth could take it by the time the Labor Day games have been played. The standing is as follows:

	W.	L.	Pct.
Park Nine	9	7	.562
Woodlands	9	8	.529
Twentieth	8	8	.500
St. Patrick	7	10	.412

Bobby Walthour Makes Records.

New York, Aug. 26.—Bobby Walthour of Atlanta, in a match race, motor-paced, against Johnny Nelson of Chicago, defeated the latter to-night, and in doing so smashed all previous indoor-paced bicycle records from one to fifteen miles inclusive. Walthour jumped into the lead at the start and rode rings around the plucky little Chicagoan, who had the misfortune to lose his pace frequently, and one of his motors broke down. In the fourth mile Nelson changed pace for the first time and lost distance in doing so. After that point he never had a chance, and was riding without pace at the finish, Walthour winning by 14 laps. Time 24.19 3-5.

The finish was very close, Kramer winning by inches. The five-mile open for professionals was a hotly-contested race, prizes being given for the leader at every mile. Tom Cooper won the event. Joe Handler Beat Corrigan.

New Britain, Conn., Aug. 26.—Joe Handler of Newark made easy work of Patsy Corrigan of San Francisco before the National A.C. to-night, winning on a clean knockout in the second round. The men entered the ring at 128 pounds to go 15 rounds, and Handler, who had the better of conditions, rushed matters from the start. The end of the first round saw Corrigan groggy, and early in the second Handler landed one of the jaw that settled matters.

The Shamrock, accompanied by the steam yacht Erin, sailed to a point about two miles east of the Sandy Hook lightship and then turned back. It was almost a flat calm for three hours; then a light breeze from the southeast came, which gave the yacht a chance to manoeuvre. Sir Thomas Lipton, George L. Watson and J. B. Hilliard were on board during the trial.

EXAMINED SHEETS AT SARATOGA.

Judges Suspected Horses in Second Race—Mary Worth Won Stakes.

Saratoga, Aug. 26.—The Kentucky Stakes for 2-year-old fillies was the attraction at the races here. Six were sent to the post to try for the prize. It went to Mary Worth, the second choice, who won by a neck, mainly thru Cochran's superior horsemanship over L. Smith, who rode the favorite, Happy. The latter had the race won at the sixteenth, but Smith's finish was weak, and Mary Worth won by a neck. At the end of the second race, Shaw, who rode Latson, claimed a foul against St. Finnan, the winner, but as the judges dismissed the complaint, little was thought at the time. After the races for the day were finished, however, the stewards decided to investigate the running of Carbuncle and Latson in the race, and the sheets of the layers on that race were seized. Nothing was given out by the stewards. The other races presented no special features. The weather was warm and clear; track slow. Summaries:

Duke of Cornwall and York's Prize.

The Committee of the Toronto Hunt races have decided to commemorate the fact that the heir to the throne will be in the country during the period of their autumn meeting, in presenting a cup in the race for Dominion-bred horses, with the event suitably inscribed. For this race they have decided to change the name of the Imperial Plate to the Duke of Cornwall and York's prize, and to give a much more handsome and valuable cup than the conditions call for. The presence of Her Royal Highness the Duchess of Cornwall and York will be also emphasized by the Princess May Stakes, which will be at six furlongs, for a purse of $500.

Owners and trainers are reminded that entries close with the Secretary, Mr. Stewart Houston, 182 Victoria-street, on Monday, Sept. 2. The first entry that has been received in due form is that from Mr. W. A. Fraser, the well-known Canadian writer, whose smart 2-year-old filly Lucrusta will run in the Autumn Handicap.

Messrs. Carruthers & Shields will be represented by a large number of their horses. It is probable that Advance Guard, Jim McGibbon and Zorosster will be brought from New York, while the second division, which is composed of Lady Carnival, Topmast, Sweet Voice and Andrattus, will be shipped to Toronto from Windsor shortly.

LONDON RUGBY FOOTBALL CLUB.

First in the Field, and Will Begin Practice at Once.

London, Aug. 26.—A largely attended and representative meeting of the London Rugby Football Club was held in the Tecumseh House on Saturday evening for the purpose of considering the financial statement of the club for the past year and reorganizing for the year 1901. Much enthusiasm was manifested during the meeting. In the consideration of the financial report it was found that there is a slight deficiency still to be met. This was due to the trip to Montreal, which cost $375. In all the games which the local team had participated in they had secured 123 points as against their opponents' 20. The following were elected: Hon. president, Frank Love, P.M.; hon. vice-president, C. W. Smith; president, Frank Reid; vice-president, Arthur Little; secretary-treasurer, T. Fields; manager, Arthur Sippi; captain, George Gibbons. Practice will commence at once.

Unsatisfactory Fencing Show.

The grand fencing exhibition announced to be held in St. George's Hall last night by the champion of the world, Prof. Generoso Pavese, ended unsatisfactorily. The officials in the early part of the evening were crude, and the professor had the best show. There were about 600 in the house, the majority being Italians.

The first bout was foil v. foil, between Pavese and Instructor McMahon. This was won by the pro. The exhibition between Sacco and Birgan was a draw. Then came what was supposed to be the main bout, between Prof. Pavese and Corp. Brooker, R.C.D. The dragoon holds the fencing championship of Canada, and was more than a match for the foreigner. They were to go two two-minute bouts. The first was won by Pavese, the second by Brooker, and the third was won also by Brooker, but the outside referee gave it a draw. Brooker said with an impartial referee he would fence it out, and Mr. Lou Gibson, who officiated, then came a dispute over the foils. Pavese would not fight unless Brooker used his foils, the old Bell style, while the Dragoon wanted to have the foils used in Canada, so the fight was not fenced off, and the affair nearly ended in a fight. Corp. Brooker says he is willing to fence Prof. Pavese any time for any amount of money.
