HAMILTON HAPPENINGS

TROUBLE THREATENS IN STREET RAILWAY

Employes of Hamilton System Want a Maximum of Twenty-five Cents an Hour.

HAMILTON, Aug. 7.—(Special.)—Trouble is again threatened between the Hamilton Street Railway and its employes. About a year ago an agreement was entered into between the company and the men for three years by which the wage scale was to be 16, 18 and 20 cents an hour. For some time past there has been considerable dissension among the men on account of this, and at a largely attended meeting on Saturday night, it was decided to petition the company to terminate the agreement and to grant them a maximum of 25 cents, instead of 20 cents. The men claim that, owing to the high cost of living, they can hardly exist on the present rate of wages. W. D. Mahon of Detroit, president of the International Union, addressed the men and others present were: Magnus Sinclair, Toronto, Canadian representative on the international executive, and W. T. Thomson, also of Toronto.

Four hundred people attended the free religious service held this afternoon on the steamer John R. The service was an experiment made by Rev. J. W. Salton and the congregation of the Hughson-street Baptist Church, and it was so successful that it will be repeated every Sunday for the remainder of the month. The services will be held with a view of attracting those people who find it unpleasant going to church in warm weather, and also for the benefit of those who are closed up in factoria and stores all week.

Epidemic of Horse Thieving.

There is an epidemic of horse thieving on in this district at present, and during the past week reports have been pouring in to the police of horses and carriages being stolen. Three were reported during the last 24 hours, and the police are of the opinion that an organized gang is at work. A bay horse, belonging to L. H. Parker of Binbrook, was tsolen from his stable on Friday night, and one belonging to John Tidey of Pannon Postoffice was stolen on Saturday night. To-night a horse and carriage, owned by Peter Colvin, Sherman-avenue and King-street, was stolen from the market, where he had left it for a short time.

William Douglas, 17 years of age, left his home at Ingersoll in a very mysterious manner, and the local police have been asked to be on the lookout for him.

Mrs. Elizabeth Pease, 32 North Johnstreet, died to-day. Three sons and five daughters survive.

The firemen had a long run to Beechwood-avenue about six o'clock to-night. A small fire in a broom factory, owned by Geo. Brandon, was the cause.

Pugsley Promised Revetment.

Hamilton Bay was honored on Saturday by a visit from Hon. Wm. Pugsley, minister of public works, who intimated that the city's request for the expenditure of $20,000 on an extension to the revetment wall would receive favorable consideration. The minister stated that he would advertise for tenders for the work.

Wm. Grogan, 419 North Hughson-street, was arrested yesterday morning on a charge of snatching a purse belonging to Mrs. Sarah Louren of Binbrook. The thief grabbed the purse from a wagon on the market, and was captured after a chase of six blocks.

British Motor Boats Shipped.

LONDON, Aug. 6.—Two of the British challengers for the international motor boat race for the Harmsworth Cup, belonging respectively to the Duke of Westminster and Daniel Hanbury, were shipped to New York on the steamship Minnetonka, which sailed to-day. Both are hydroplanes, the Duke of Westminster's boat having an engine of 400-horse-power. During its trials a short time ago it was sunk. With Mr. Hanbury's entry, the Zigorella, it will carry the colors of the Motor Yacht Club of Great Britain. The race will be run Aug. 20 over the Larchmont Yacht Club course.

Don Valley League.

Patrons of the Don Valley League enjoyed two good games on Saturday, when the Lourdes and Gerrards were returned winners. In the first game the I.C.B.U. went down to defeat in a game that, tho rather loosely played in spots, was brimful of excitement, by the score of 10—7. The Lourdes started off with a rush, scoring five runs in the initial innings, and three more in the second, after which the Irishmen settled down, but, tho they put up a plucky uphill fight, they were unable to overcome the lead the Lourdes had secured. Owens, for winners, pitched a steady game thruout and received good support, while Glynn, for the Irishmen, had one bad innings, in the first, after which he pitched good ball, but the damage was done. Among the features of the game worth remarking was the fielding of Downs and Hunter for Lourdes, while Mahoney's work on first, and the outfield playing for the Irishmen, were very good. At 4 o'clock the Gerrards defeated the leaders, All Saints, by the score of 7—6, in a game that for fast playing and excitement has not been equaled in Riverdale Park. Graham and Sharpe were the opposing twirlers, and their work could hardly have been improved on, as Sharpe is credited with 15 strike-outs, while Graham fanned 14.

Saints in Championship Form.

A great match was played between the Eaton C.C. and St. Barnabas C.C., on the Varsity lawn, and the splendid display of cricket given by both sides, particularly the Saints, was such as one seldom sees in a Saturday afternoon game. Eatons are making a determined effort to win the cup, whilst the Saints are equally determined to hold it for another year.

Saints, batting first on a good wicket, made the creditable score of 256, Clegg 24, Kelly 23 and Tossell 15 (not out) wielded the willow like veritable masters.

Eatons commenced their task of getting 87 runs to win with apparent confidence, but against fine bowling and brilliant fielding lost five wickets for six runs. At this period Harvey and Bond became associated, and for a time it really looked as if these two sterling batsmen were going to carry their side to victory. The fates, however, were unkind, and two more brilliant catches secured their wickets. None of the remaining batsmen could do anything with the bowling, and a thoroly interesting game resulted in a win for the Saints by 39 runs. Score:

Jim Colbourne Leaves for the West.

Local cricket and St. Albans Club in particular is suffering a heavy loss by the departure on Sunday of A. J. Colbourne for Winnipeg. "Jim," as he is known to his clubmates, is taking charge of a western branch of a Toronto business house, and all cricketers will wish him success in his new venture.

On Thursday a number of St. Albans members gathered at the home of their president, Dr. A. J. Harrington, and presented "Jim" with a handsomely fitted travelling bag, as some small mark of the esteem in which they have always held him. Many short addresses expressive of good fellowship and well wishes accompanied the presentation, and were suitably responded to by the recipient. Songs and refreshments filled up the evening, and when the gathering dispersed it is needless to say the "boys" had thoroly enjoyed themselves, as they always do when their hospitable president is their host.

A. J. Colbourne has been a regular player with St. Albans Cricket Club since 1902, before that being a member of St. Cyprians Cricket Club for some years. He has always been in the forefront at the game, more especially being prominent as a fast bowler. In 1908 he represented Ontario against Quebec at Montreal, and in the same year played for Canada against the United States at Philadelphia. As he intends to keep up the game so far as his business will permit, he will undoubtedly soon be heard of in western cricket.

Draw at the Island.

Stanley Barracks and Island Aquatic Association played a draw at the island on Saturday. I.A.A. batted first and made 124, due mainly to the excellent work of Stewart and Neill, who hit up 63 and 28 respectively. The rest of the islanders were retired very cheaply. The soldiers went in with about an hour and a quarter to play and took no chances, making 47 for the loss of 6 wickets before time was up. Calway, Cragg and Barnard reached double figures. Mackie bowled splendidly, getting 7 wickets for 12 runs, and Neill and Gilbert pulled off star catches in the field. Score:
