TWO CHICAGO GOLFERS LEFT.

Chandler Egan and D. E. Sawyer Will Play the Final To-Day.

Chicago, Aug. 11.—After a day of exceptionally exciting golf in the eleventh national tournament, Champion H. Chandler Egan and D. E. Sawyer, both Chicagoans, survived to play the final over 36 holes at the Wheaton links to-morrow. The east, for the first time since the national golf championship was instituted ten years ago, was without representation in the semi-finals to-day.

Champion H. Chandler Egan gained the right to defend his title by going thru the third and semi-final rounds like a marvel, putting out Fred Herreshoff of Ekwanok in the morning, 2 up and 1 to play.

Egan in the afternoon removed Harold Weber of Toledo by the crushing defeat of 7 up and 5 to play.

It was left for the other side of the draw to furnish the greatest blow to the east when W. C. Downes of Pittsburg eliminated the former national and British champion, Walter J. Travis, in a hard round that was lost only at the 19th hole. In the afternoon Mr. Fownes was unable to meet successfully the great golf put up by Ned Sawyer and was defeated, two up.

FIRST CANADA CUP RACE TO-DAY OVER THE TRIANGULAR COURSE

Sunday World Will Give Complete Story of Big Yachting Contest Off Rochester.

The Sunday World will print a complete story of the first race for the Canada Cup, that takes place to-day at Rochester. The contest is twice around a triangle, with three-mile legs, that is, 18 miles in all. The start is at 11 a.m., and the time limit is 5½ hours.

All preparations were completed yesterday, and the first race between the Iroquois and the Temeraire will be started at 11 o'clock to-day. The Temeraire went off the ways yesterday morning, and was towed across the river to the naval reserve armory at Summerville, where she was measured by the judges, Charles Van Voorhis of Rochester, H. H. Ambrose of Hamilton, Ont., and W. T. Stevens of New York City. The measuring of the Iroquois, the American boat, was completed Friday, and she was replaced on the ways yesterday for a final polishing.

Designer Charles F. Herreshoff was at the club house early. He expressed himself as being well satisfied, and it is said will suggest only a few slight changes.

RUSTLING SILK, 7 TO 1, WON THE TROY AT SARATOGA

Arklirta Finished Second and Was Disqualified—Great Republic To-Day.

Saratoga, Aug. 11.—Rustling Silk, a 7-to-1 shot, won the feature of the racing here to-day, the Troy, a 2-year-old selling race, 5½ furlongs. Hester W. made the running, but died in the home stretch. Just after leaving the back stretch Arklirta, who was in third place, bumped Muffins, who was then running second. The latter was knocked out of his stride and immediately lost ground. Rustling Silk then began to make her run, with Arklirta as the contender, and won by a length and a half. A protest was entered by Baird, who rode Muffins, and the stewards disqualified Arklirta, placing Adonis second and Pythia third. Caughnawaga, the favorite, was never better than third in the handicap. Glen Echo won by three lengths, and Sonoma Belle, who finished strong, was as much ahead of Caughnawaga. The prettiest finish of the day was in the fifth. King Rose and Knight of Rhodes fought it out on even terms, the latter getting the decision by a head. Knapp rode three winners. Summary:

Grand Circuit Races Postponed.

Buffalo, Aug. 11.—The Grand Circuit races were postponed on account of rain. The unfinished events will be run to-morrow.

Toronto Driving Club.

The Toronto Driving Club will hold a matinee at Exhibition track on Wednesday, Aug. 16. The classes will be arranged by the executive. There will be a special race for two of the best side-wheelers that Toronto boasts of. They are Helen R. (2.08¼), owned by Phil Davey, and Harry S., a big, strong-going fellow, recently purchased by Charles Burns of the Repository from Harry Shaver of Burnhamthorpe, and later secured by J. A. Chantler.

The Toronto Driving Club's big excursion to the Buffalo Grand Circuit trotting meeting was a huge success. All arrangements made by the executive worked out perfectly. The day, being an ideal one, helped to complete a pleasant outing. The racing was of the very highest order. When the Toronto contingent landed at the track the band promptly played "The Maple Leaf Forever," and other Canadian airs.

A large number of the members stayed over for the next day's events, viz., the 2.18 pace, in which O. B. Sheppard's Maud Keswick was a competitor. They were rewarded, as she won her race in a walk in 2.11½, 2.10½ and 2.08¾. Many were the congratulations received by the alderman from No. 3 Ward. In all, the outing was a very instructive and pleasant one for the light harness gentlemen, and will argue strongly for next year's outing to the American city.

Owners of trotting and pacing horses are reminded that entries for the trotting and pacing races at the Exhibition close with Dr. Orr at the offices in the city hall on Saturday, the 19th inst., and must be accompanied by the fee, amounting to 5 per cent. of the purse. Stone, clerk of scales; John Cherry, flagman; Alex Wheeler, clerk of course.

Miss Summerhayes lost two and won one, and Miss Moyes was successful in two out of three. To-day the final of the men's doubles will be an exciting contest, and at the conclusion the mixed doubles, in which there are eight entries, will be proceeded with, and the prizes presented. Yesterday's results:

Professional Hockey League.

Calumet, Mich., Aug. 11.—Another meeting of the directors of the International Hockey League will be held in a short time, the exact date yet to be determined upon. Plans for next winter are in abeyance pending the decision of Chicago capitalists regarding a team in that city. It is said that Manager Bidelf of the White City will erect a $100,000 rink there and put a hockey club in the field next winter.

From present indications the International League will be represented by hockey teams next winter in Calumet, Chicago, Houghton, Sault Ste. Marie, Ont., Pittsburg and Duluth. Hancock is planning a man-moth ice rink. With this circuit it would simply be a question of time before the big Canadian cities would apply for membership, making the league an international one in a broader sense than at present.

It has been decided by the league managers to limit salaries of players this coming winter.

TORONTOS WERE SHUT OUT MUELLER'S CLEVER WORK

Poor Base Running and an Error lost the Game—Providence 5, Jersey City 1

It was a pitchers' battle between Mueller and Yerkes and the Toronto expert would have won the game if he had been supported at critical stages. Gettman's three base drive and Sullivan's drop of the return to the plate gave the Bisons a win. The only other game scheduled was Jersey City at Providence, the Greys winning 5 to 1. Record:

Clubs.	Won.	Lost.	P.C.
Jersey City	58	31	.652
Baltimore	55	31	.640
Providence	53	35	.602
Newark	44	46	.494
Buffalo	40	49	.449
Toronto	37	55	.402
Rochester	35	54	.393
Montreal	37	59	.385

Games to-day: Buffalo at Toronto (two games), Jersey City at Providence, Baltimore at Newark, Rochester at Montreal.

Buffalo 1, Toronto 0.

Mueller pitched excellent ball, as did Yerkes, but the Toronto twirler had somewhat the better of it. He had better control. The main reason why Toronto could not win was poor base-running and failure to connect with the ball at opportune times. The only run of the game was counted in the sixth innings. Gettman drove a hard one between Dillard and Harley. It was returned to the plate in time to cut off the run, but Sullivan muffed the ball and the run counted. Umpire Hassett, thinking the runner out, at first, called him out. In the second innings Toronto should have scored at least one run, but poor base-running cut off chances. In that innings O'Brien hit a hard one against Nattress' shins. Dillard was sent in to sacrifice O'Brien to second, but before he had a chance to do so O'Brien tried to steal and was caught at second. Then Dillard hit one which would have advanced O'Brien. Then Zimmerman and Magoon each cracked out singles. Magoon stole second, and on a feint throw to catch him at the second corner Zimmerman tried to score and went out at the plate. In the third Sullivan reached first on Laporte's fumble, and was advanced by Mueller's sacrifice. White walked, but went out at second on Harley's hit to Nattress. Soffel was passed and the bases filled. O'Brien flied out to Delehanty. Thus was the game lost. The score:

Oshawa v. Lindsay for $100 a Side.

Oshawa, Aug. 11.—In a Midland League game of ball yesterday, the home team defeated Lindsay by the score of 5 to 4. Both teams played gilt-edged ball. One feature was Cadman's clean home drive. He had three more clean drives in five times up. Lindsay felt badly over their defeat, and as a result they have agreed to play for $100 a side and gate receipts, the ground to be decided on, which will either be Diamond Park or Bowmanville.
