IMP WINS IN RECORD TIME

Bannockburn Second in Suburban Handicap and Warrenton Third.

RAN 1 1-4 MILES IN 2.05 4-5.

Banastar, Favorite, Refused to Break and Was Left at Post—Also a Record Crowd.

New York, June 18.—The sixteenth Suburban Handicap, run at Sheepshead Bay yesterday, was won by Harness & Brossman's black mare, Imp. Bannockburn was second and Warrenton third. Banastar, the favorite, the winner of the Brooklyn Handicap, was left at the post. Thirty-six thousand spectators saw the race. It was the largest crowd that ever attended a horse race in this country. The horses were at the post 25 minutes, and were sent away after 10 ineffectual breaks. The time, 2.05 4-5, beats the record for the race. The best previous time was 2.06 1-5, made by Ramapo, who won the race in 1894.

Imp was the first to poke her nose in front of the squadron, and close behind her came George Keene and the others in a bunch almost on her neck. Banastar trailed lengths in the rear.

Around the lower turn the horses went swiftly, and when they straightened out on the back stretch, Briar Sweet had a head the best of George Keene, the pair having run practically locked around the lower turn. Imp and Filigrane were locked together half a length behind. Just as they were nearing the upper turn, Turner crouched down on the neck of the black mare Imp, and, like a dash of lightning, shot past Briar Sweet and George Keene, until she had a length the best of them. The jockeys on Briar Sweet and George Keene urged their mounts vigorously, but it had little effect, for the faster they urged their horses the more speed Imp put into her going. She seemed to gather strength with every bound, and flashed around the turn into the stretch at record speed, with every horse behind her straining his utmost. It was a hopeless chase for first money. George Keene and Briar Sweet tired and gradually slid to the rear. Bannockburn and Warrenton were the only ones who seemed to have the slightest chance, and down through the stretch they thundered.

The great crowd in the infield surged to the rail, and just as Imp and Bannockburn had passed them, down went the rails for a distance of 50 feet, and scores of people fell over into the track. The horses, however, were not hugging the rail and no one was hurt.

It seemed for the instant that Bannockburn was gaining on Imp, but he had shot his bolt in trying to catch up with the leaders from sixth place, and he could not get farther up than two lengths behind Imp, who crossed the line first. Bannockburn rushed in second. Out of the dust cloud raused by the falling rail, Warrenton emerged in front of the lot, and managed to get third place.

Imp ran a grand race, and, had Banastar acted as he did in the Brooklyn Handicap, the track record would surely have been broken. As it was, 2.05 4-5 was hung out, the fastest time by two-fifths of a second the race had ever been run in, and within four-fifths of a second of the track record, made by Salvator.

Dave S. Won the Stake.

Montreal, June 17.—The Bel-Air management supplied an excellent program of six events for Montreal racegoers to-day, and one of the largest crowds of the meeting turned out. The ranks of the regulars were swelled by half-holiday racegoers, and some 4000 passed through the gates. The Brewers' Stakes at seven furlongs, with $1000 added, and a steeplechase over the short course were the features. The former resulted in a rousing good contest, one of the choices, Dave S., winning in a hard drive by a neck from Topmast. Exciting finishes occurred in four of the six races, and as the best horses won, the crowd left the track well satisfied with the afternoon's sport. Lizzie Kelly, second choice in the opening event, won through the clever ride that Jockey Valentine put up. Lyric and the favorite, Ocie Brooks, were raced to pieces in front and tired badly at the end. Manitoban was the one that carried the money in the 2-year-old race, and he succeeded in beating the favorite, Alpaca, half a length in a driving finish. Passaic made a runaway affair of the 1½ miles race. Despite the effort of Jockey Gardner, the favorite, Ollie Dixon, could never get up. She was lucky in finishing second, the outsider, Kitty Regent, being third to jump past the wire. Dave S. outbroke his field at the start in the stake race and this was responsible for his winning, and Jockey Walker sent him right along and opened up a gap of four lengths in the first quarter. He was stopping in the run home, but managed to last long enough to win, all out, by a neck from Topmast. Last Fellow proved much the best in the jumping race, and won as he pleased.

Parkdale Sailing Club.

The first race of the series for the Commodore's Cup of the Parkdale Sailing Club was started at 3 o'clock Saturday afternoon, but, owing to there being no wind, will have to be re-sailed. The starters were: W. Patterson's Viva, William Griffith's Marie, G. Childs' Roxane and William E. Maw's Veni.

T. Cole's Zeiza and William Commeford's Leona started at 3.10 in a special class, which also resulted in a drifting match.

W. E. Maw's new cat-boat Veni was launched at 2.30. She is a trim little craft, built by Walter Dean, Sunnyside. She had a trial spin Saturday evening with some of the 16-foot flyers, and proved herself to be in it with the best.

National Sailing Events.

On Saturday afternoon the special and 16-foot classes started over the club course of the National Yacht and Skiff Club. The wind was very light from the southwest and the officers of the day considered it advisable to start the race at 3.15 instead of 3 o'clock, giving the East End boats time to get up. The course was three times around for the special and twice with a leg to the south buoy for the smaller class. In the larger class the following boats started: Rosaland, Shamrock, Omene, Florence and Mr. E. Apted's new boat. In the 16-foot class the Cake Walk was the only boat to start. After a few hours of drifting, and there being no likelihood of wind, the race was declared off.

Toronto's First Trip.

On Saturday afternoon Mr. J. Wilton Morse had the Canada Cup defender, Toronto, out for her first sail around the bay, under canvas, having nearly all of it spread. The crew were not all on board, but in their place was an excursion party anxious to go out in the new craft for the first time. Mr. Morse is well satisfied with the yacht and the way she went along. She is an entirely Canadian craft, as every part of her, from the sails down, was made in Canada.

Queen City Yacht Club.

The 20-foot class race of the Queen City Yacht Club was held Saturday afternoon afternoon.

The results were as follows: Widgeon, start 2.45 p.m., finish 5.33.05; Arah, start 2.45 p.m., finish 6.10.28; Fanita, start 2.45 p.m., did not finish; Tramp, start 2.45 p.m., did not finish; Nerlid, start 2.45 p.m., did not finish.
