King Rugby Is Coming To Life in London

Twenty Players at Last Night's Workout of Signals, Passing and Kicking—O. R. F. U. Puzzled Over the Gridiron Situation in Western Ontario.

The grid is warming up some around these parts, and last night things around Tecumseh Park looked a lot brighter than they have since the rugby prospects of the city were taken off paper and coaxed out into the actual playing field. There were nearly twenty candidates of all sizes, sorts and weights out angling for places in every department of the team, and even Messrs. Reid and Little, after looking over the assortment, were able to crack a smile once in a while, though for several nights past they looked as glum at times as the prospects, and they certainly haven't been dazzling enough to cause any of the club officials to wear smoke glasses.

For two nights now the squad have been at signal practice, mixed up with a lot of kicking and passing, and the work thus far has shown some excellent material. The quarter and half prospects are fast and sure catches, and though weight is being taken off by some of the candidates at an alarming rate, there'll be enough to insure a good heavy line. Bobby Rowlands of France and Becher Ward of Germany are two old Queen's pigskin chasers, who have appeared on the scene recently. Chester Smith Ferguson of hockey fame, McIntyre, formerly an Assumption mainstay, McKendrick and Kinsman, two Galt C. L. I. veterans, Art. Hynds, McDonald, Budd Coles, Dockstader, Dunk. McLean, formerly of the local Collegiate Institute team, are some of the men who are turning out and helping to make the rugby prospects look nearly a hundred per cent better than they did at the first of the week.

Apparently London's situation is not any more discouraging than other places in the province are experiencing, as witness the summary of the O. R. F. U. troubles which follows, and the Toronto size-up of the local end.

FOGGY IN O. R. F. U.

TORONTO, Sept. 18.—Secretary Hewitson of the Ontario Rugby Football Union has heard nothing definite from London, St. Thomas, Petrolea or Stratford relative to their rugby intentions this season. Some time ago "Bill" Duffield sent a telegram announcing that London would play intermediate, and that fees would follow immediately, but nothing has been heard since. London Collegiate are also silent. Mr. J. Syme of the collegiate, in writing to Secretary Hewitson relative to O. R. F. U. matters in general, stated that a meeting had been held of the collegiate boys, and that, while they desired to enter the O. R. F. U., they had made no definite decision. Dr. Fairbank of Petrolea was asked to do what he could in Petrolea, but the Oil City is silent as regards intermediate and interscholastic. Windsor Collegiate will not play in the O. R. F. U. Mr. Hooper, formerly of Guelph Collegiate, is now at Windsor, and tried to get them to go into the O. R. F. U., but they play American rules, and are in a league with Detroit teams. Sarnia has entered the inter-scholastic series again, and while they are not officially in the intermediate, no fees having been paid, they are counted upon to play. Brantford are undecided, as are also Woodstock, whether or not to play intermediate or junior. Stratford is mentioned as a possible junior entry. The O. R. F. U. would like to see London start a city league. It is the only way to develop material. Hamilton, Toronto, Peterboro and St. Catharines have one, and there is no reason that a city the size of London should not be able to carry on, too. The O. R. F. U. executive meets tonight here to arrange the groupings in the various series. Conveners will also be appointed and a time limit set for declaring group winners. With so many teams entered in the various series it is quite necessary to make an early start in the groups. From present indications the coming season will be the best in the history of the O. R. F. U.

QUEEN'S HAS ITS RUGBY TROUBLES TOO AT START

KINGSTON, Sept. 18.—A football team can't be made without practice. Queen's football players are tardy about starting practice, and Jack Williams, the coach, is having the same trouble as his predecessors in regard to getting the players out to practice early in the season. Last spring rosy plans were made for the early turnout of the rugby players so that Coach Williams could whip them into condition to meet Varsity and McGill, but when he called the first practice this week there were no players on hand.

It's the same old story with Queen's—lack of early organization and later on in the season the loss of games to longer-trained players. If Queen's expects to make a showing on the rugby field this fall the players must appear at once for training.

NEW YORK, Sept. 18.—New York defeated Chicago here today 6 to 4. Mayer was knocked out of the box in the fourth inning when the Yankees scored six runs on six hits, two bases on balls and an error. Mays, the New York pitcher, started off the inning with a two-bagger, and when he came up a second time he drove in two runs with a single. The score: R.H.E.

ROOKIE BEATEN.

PHILADELPHIA, Pa., Sept. 18.—Eckert, a local semi-professional pitcher, made his debut with Philadelphia today, and was beaten by Cleveland 4 to 1. Two hard hits were made off his delivery, a triple and a home run, both by Smith. Uhle held the Athletics to two hits in seven innings, but a base on balls and Smith's fumble of Eckert's drive threatened to tie the score in the eighth. Bagby went to the rescue and checked the locals. The score: R.H.E.

TIGERS TAKE LAST.

BOSTON, Mass., Sept. 18.—Detroit hit Jones and McGraw hard today, and easily defeated Boston, 8 to 2, in their final game of the season. Ehmke started for Detroit, but was taken out after passing Hooper and Veil and giving Lamar two balls. Ayers replaced Ehmke and held Boston to five hits. The score R.H.E.

Boston	002 000 000—2	5	2

SKEETER RECRUIT WINS.

WASHINGTON, D. C., Sept. 18.—Washington made a clean sweep of the series with St. Louis by taking both ends of a double-header today, by scores of 12 to 3 and 7 to 0.

Schacht, who pitched for the locals in the first game, was obtained recently from Jersey City of the International League. Ellerbe's work at bat and a-field was the feature of both games. Scores:

L.C.I. Should Have Good Rugby Team for Coming Season

Have Not Decided To Join O. R. F. U. Yet, But May.

The local Collegiate have not decided yet whether they will enter the O. R. F. U. or not. They have communicated with Secretary Hewitt, stating the circumstances of the local situation and as all matters concerned with entries should have been submitted to the executive of the union tonight, it is possible that a place will be left open for the locals for a few days.

In the meantime the Collegiate squad held a workout last night at the Collegiate grounds. Twenty prospects were out under the direction of Capt. Symes and C. E. Buck and did a sharp hour of passing and kicking. The fact that only McDonald, Lawton and Lindsay remain of last year's team has had a lot to do with the indecision in entering this year in the union. However, the material available is exceptionally promising, and both coaches feel confident that a good team can be moulded out.

Accepts Challenge.

The team has accepted a challenge from the St. Thomas C. I. for the local school's field day on October 10, and if they do not enter the union, will probably get a number of games throughout this district in the shape of exhibition affairs. Arrangements may be completed on Monday night for the use of Tecumseh Park during the coming season, but in the meantime, the workouts will be held at the Collegiate grounds.

The team's affairs this year are in the hands of the following officers: Honorary president, Principal Mooney; president, A. E. Miller; treasurer, C. S. Bucke; secretary and assistant treasurer, A. E. Cowley; year representatives, George Loveless, George Fessen, P. McDonald, P. Laughton. Mr. C. E. Bucke, who has played good football for both Woodstock College and Toronto Varsity in the past, will coach the team, and his experience will be a vast help in rounding out the candidates into a real form.

ESTHER R. WINS FIRST TWO HEATS AND IS THEN DISQUALIFIED

Record 2:06 1-4 Made Aug. 16, One Day Too Soon For Eligibility.

COLUMBUS, O., Sept. 18.—While there were four well-contested events in today's grand circuit program, nearly all of the interest centered in the 2:09 pace, in which an unusual occurrence sent Esther R., driven by Murphy and winner of the first two heats, to the barn before the third heat started on account of ineligibility. The owner of Aquilla Dillon, after the second heat, discovered that Esther R.'s record of 2:06¼ had been made Aug. 16 at Philadelphia and was one day too soon to retain her eligibility. His complaint was verified and Murphy's mare sent to the barn. All bets on the race up to that point were declared off. Aquilla Dillon was declared the winner of the first two heats. She then won the third heat and the race.

The free-for-all pace was a disappointing affair on account of the slow time. Miss Harris M., the favorite, lost it after taking the second heat from Directum J., who stood a terrific drive in the third heat.

Baron Cegantle won the 2:15 class trotting. Due to a bad break he finished last in the first heat.

Trouble Among Champs Over Series Money — Recruits Want Full Share, and Schrieber, Third Sacker, Refuses To Don Uniform.

CINCINNATI, O., Sept. 18.—The new champions of the National League won from Brooklyn today 2 to 0. It was a pitching battle between Eller and Cadore, in which the former had only slightly the better of it.

It was "Heine Groh Day," and the captain of the Cincinnati club was presented with a hall clock, a silver bowl from his bowling team, a wrist watch and a diamond stickpin.

Schreiber, the recruit who has been playing third base while Groh is out of the line-up with an injured finger, refused to put on a uniform because he was not allotted a full share of the world's series receipts. At a meeting of the Cincinnati players this morning it was voted that every man on the team should receive a full share except Duncan. Schreiber and See, who have been with the team only about a month. These three were voted only half a share each. The score:

Brooklyn	000 000 000—0	7	2
Cincinnati	000 000 20x—2	6	0

Batteries—Cadore and Krueger; Eller and Wingo.

Only two games scheduled.

THE "BABE" THERE.

PITTSBURG, Sept. 18.—Adams held New York to three hits today, the Pirates easily winning 7 to 0. He struck out Barnes, Burns and Kauff in succession in the third inning.

The locals hit Barnes hard, especially in the second and fifth innings, in each of which they secured three runs on four hits. Snover, a recruit, took Barnes' place in the seventh and Pittsburg secured the seventh run on two hits and a pass in the eighth. The score:

New York	000 000 000—0	3	2
Pittsburg	030 030 01x—7	11	1

Batteries—Barnes, Snover and Gonzales; Adams and Blackwell.

COLLEGE GRAND NOSES OUT PETER B. AT GRAND RAPIDS

Short Ship Card Provides Thrillers in All Three Events, All Requiring Extra Heats.

GRAND RAPIDS, Mich., Sept. 18.—While the 2:12 trot required more heats, the duel between College Grand and Peter B. in the 2:23 pace proved the real feature of the "Short ship" races at the West Michigan State Fair track this afternon. The pair paced like a team in the first two heats, Peter B. winning the first in a hard drive. Conditions were reversed in the second, College Grand finishing in front by a scant head. He repeated in the third, when Peter B. faltered in the stretch.

The 2:12 trot went four heats, three horses winning heats before Gold Medal finally took down the coin. Dr. Harvey was best of the 2:15 pace, winning the necessary two heats in order. The summaries:
