NEW YORK STOCKS.

The New York stock market was fractionally better all around in the early part of the day, with most of the improvement lost towards the close. Still the majority of the stocks are a shade over last night's closing. Money was as high as 6, closing at 5¼.

Cox & Co.'s private wire from New York to-day says: The strength in Rich. and Pk. Terminal is said to be due mainly to purchases by O. P. Flower but to the offer made to that gentleman, together with Mr. Rockfeller and Mr. Inman, to accept places on the board. Mr. Flower has the matter under consideration and it is thought probable that he will accept. Should he do so others will enter the board.

LATER—Lack of outside orders gave the big scalpers on the Board of Trade a chance to do big business to-day, and so large were the operations that the market was a nervous one. GRATEFUL—COMFORTING

EPPS'S COCOA.

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor's bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civil Service Gazette.*
