TWO RACES DECIDED AT L.S.S.A. REGATTA

Toronto Canoe Club Finishes One-Two in Dinghy Races—Surprise in Skiff Race.

The first day's sailing in the Lake Sailing Skiff Association's regatta yesterday saw some of the best sailing that has taken place around these parts in many a long day. There was no bumping or cutting ahead of another in the starts, and the association will see that this is carried out at all starts in future.

The regatta is being held under the auspices of the Q. C. Y. C., and the races are sailed over that club's bay course.

Two races were decided yesterday—the Birley Cup, for 14-foot dinghies, and the Wrenshall Shield, for 18-foot skiffs.

The Wrenshall Shield had the largest number of entries for several years, and it looks as if the sailors are at last coming out for this class in force.

The surprise of the day was the defeat of the Velvet by Gracada for the shield. The Velvet won the L. S. S. A. Challenge Trophy rather handily at Hamilton last week, and looked to have the race cinched, but the Velvet, when out in the lead, mistook the course and finished fifth.

Toronto Canoe Club finished one-two in the dinghy race.

Four races are down for decision today, including the Walker Cup, starting at 11 a.m.

Yesterday's results were as follows:

—Birley Cup—14-Foot Dinghies.—

1. W. G. Reilly, T.C.C.
2. Douglas and Howard, T.C.C.
3. M. Crosbie, Alexandra Y.C.
4. A. C. Turner, R.C.Y.C.
5. J. Alexander, Alexandra Y..

Time 1.13.

—Wrenshall Shield—18-Foot Skiffs.—

1. Gracada; Guy Judd, R.H.Y.C.
2. Topsy; Spencer Ellis, National.
3. Stroller; J. Hart, National.
4. A. Barnes, Alexandra.
5. Velvet; Geo. Hancock, R.H.Y.C.

The Q. C. Y. C. tendered a complimentary smoker to the visiting sailors last night, and some of the best talent in town entertained the visitors until a late hour.

AQUATIC CLUB RESOLVE TO DO WITHOUT THE BRIDGE.

The rowing committee of the Dominion Day Regatta met last night in the Argonaut Club, Joseph Wright in the chair, and J. J. Dolan secretary. P. J. Mulqueen and Captain Wilson moved the following resolution, which, after a thoro discussion, was unanimously adopted:

"That this meeting is in favor of doing without a bridge on the lagoon and making this course a permanent one, as it would make possibly the best course on the continent for regattas, both for contestants and spectators. If a bridge be built, it would spoil the course for comfort and safety. The new course will create a park and will make the island more attractive."

A deputation from the city aquatic clubs will wait on the board of control on Monday at 11 a.m. to urge along the line of the resolution. They will show plans of the course to the board.

AMATEUR BASEBALL.

No games are scheduled in the Beaches Senior League for this afternoon, the managers of the different teams preferring to give their players a chance to see the games at the island and get a line on some of the stunts pulled off every day. After losing last Saturday's game to the Nationals, Kew Beach are determined not to let any more get away from them, so on July 8, in the two o'clock game against Royals, they will send Stanley Scott, the star twirler of the Postoffice team, in to do the slant work, with Charlie Gage doing the grabbing. Royals will use Allward or Smith and Beaune. Nationals and Eatons hook up in the four o'clock event, and judging from the medicine the Cash people handed Harvey Williams' bunch last Saturday, the Big Store are due for a fall.

In the City Amateur League, at Dufferin Park, the morning two games will be played, the first at nine o'clock, between the Park Nine and St. Marys, and the second at eleven, between Dufferins and Wellingtons.

Riverdales of the Don Valley League play a team picked from the rest of the league at 9.30 this morning on the Don Flats.

An interesting match was played at Hanlan's Point Thursday between the Fancy Goods Co. and H. W. Nelson & Co., resulting in a decisive victory for the Nelson aggregation by a score of 6 to 5. The Fancy Goods Co. have been playing phenomenal ball lately, five straight victories, but it took the Nelson boys to put a crimp in them. The batteries, Crosbie and Pigeon, worked up to average fielding and clubbing.

The King George Hotel baseball team would like to arrange a game for any Wednesday with any hotel team. They have no city league players nor professionals. Come on you "high-ball artists" and get busy. Phone E. Lynch for the good stuff, King George Hotel.

No games will be played in the West Toronto Senior Baseball League at Perth-avenue Square on Saturday afternoon, on account of the holiday.

JUN. ATHLETES BREAK RECORD

Youngster Vaults With Pole Over 6 Feet 5 In.—Irish Club Lead.

PITTSBURG, Pa., June 30.—Junior athletes of the United States made a glorious record to-day at Forbes' Field, when four records were broken and several equaled in the first day's meet of the Amateur Athletic Union, junior and senior championship games.

The records to fall were the running high jump, pole vault, five-mile race and throwing of the discus.

One of the surprises of the day came when S. B. Wagoner of the Pittsburg Athletic Association, competing in the pole vault, cleared the bar at 12 feet 5.64 inches, which is 5.64 inches better than the previous junior American records. Dukes of the New York A.C. was second with 12 feet in his first attempt, while Lambert of Washington University, St. Louis, Mo., cleared the 12 feet in two attempts and under the rules went into third place.

O. Johnstone, Boston A.A., made a new record in the running high jump, with 6 feet 6.10 inches, while in throwing the discus A. M. Muchs of the Chicago A.A., broke the record with 123 feet 5 inches. Up to this time the discus record had been held by Bantz of Seattle, Wash., with 122 feet 9 inches.

Probably the most exciting event of the day was the five-mile race. It was won by G. A. Dull of the Pittsburg A.A., in the record time of 26.8 4-5, beating the junior American record of 26.23 1-5, which had been held by Driscoll of New York. The runners circled the track 20 times. Almost every other lap changed the leaders and the crowd stood thruout the race cheering madly. Dunlap of the West Spruce-street A.C. of Philadelphia, took second place and F. Masterson of the Mohawk A.C., New York, was third. The grind of the long race told upon several of the entrants, a number of whom had to be assisted from the field.

When the events closed late in the afternoon a count of the team points showed the Irish-American A.C. of New York in first place, as had been expected. Chicago A.A., who it was believed would be a close competitor of this club, dropped into fourth place, with the New York A.C. second and the Boston A.A. third. Following are the number of points scored by the first seven teams:

Irish-American A.C., New York, 37; N. Y. A.C., 27; Boston A.A., 23; Chicago A. A., 20; Pittsburg A.A., 11; Pastime A.C., New York, 11; South Boston A.C., 5.

Baird and Burns Left to Play Lawn Tennis Final To-Day

All the events in the city championship tennis tournament were brought down to the semi-finals or finals yesterday, all of which will be played to-day, except the mixed doubles. Both Baird and Burns won their matches handily in the opens, being in particularly good form, and the meeting between them in the finals this morning should prove some magnificent tennis. Burns showed the best form he has displayed for several years. The morning program also includes the final ladies' single between Miss Summerhayes and Miss Graham. The main event of the afternoon is the final doubles, when Ross and Henderson will meet the winners of the lower half, probably Burns and Meldrum. The finals in the men's novice and handicap and ladies' handicap are other attractions. Miss Andras and Miss Keith won the final in the ladies' doubles yesterday from Miss Graham and Miss Hunt in a hard three-set match. Much sympathy is felt with Mr. Innes-Taylor, who had to default, owing to an accident.

Ample provision has been made for a large gallery, and refreshments may be obtained on the grounds all day. Results:

Open singles (semi-final)—Baird beat Henderson, 6—1, 6—0; Burns beat Spanner, 6—2, 6—2.

Men's doubles (semi-final)—Ross and Henderson beat Spanner and Dineen, 6—4, 6—3.

Novice (semi-final)—Duff beat Innes-Taylor, by default.

Mixed doubles—Miss Sufmerhayes and Spanner beat Miss Hunt and Duff, 6—1, 6—3; Mrs. Cooper and Baird beat Miss Best and Boyd, 6—3, 6—2.

Ladies' doubles (final)—Miss Andras and Miss Keith beat Miss Graham and Miss Hunt, 6—2, 4—6, 6—3.

Women's handicap—Miss Logan (x15) beat Miss Pentecost (x15), 6—0, 6—3.

To-day's Program.

9 a.m.—Summerhayes and Lee v. Martin and McKinley.

10 a.m.—Miss Summerhayes v. Miss Graham (final); Miss Keith v. Miss Logan (hdcp.); Spanner v. Samuel (hdcp.).

10.20 a.m.—Baird v. Burns (final open).

11 a.m.—Martin v. C. W. Dineen (hdcp.); Dawson v. Duff (novice).

3 p.m.—Final men's novice; winner Miss Keith-Miss Logan v. Miss Vale (final handicap).

3.30 p.m.—Miss Summerhayes and Spanner v. Miss Vale and McMichael; Miss Graham and Henderson v. Miss Keith and Rooks.

"Salvador" BEER

THE FAMOUS NATIONAL DRINK

There's a story behind "Salvador" beer —*Canada's most famous brew*—that carries us back to the year 1651

The Grand Duke Ferdinand, the Bavarian monarch of that period, established the *now famous cloister* brewery on the Nockerberg Mountain, near Munich, and appointed Father Sale the chief brewmaster.

The product of the royal brewery was first known as "Father Sale's Beer," until the more convenient title of "Salvador" was adopted, about a century later.

For over 150 years "Salvador" was brewed under the patronage of the Bavarian royal family. In 1806, Franz X. Zacherl acquired control of the cloister brewery and purchased *the secret formula* of the royal brew.

From that day to this the formula and sole European rights have been *the most jealously guarded inheritance* of the famous brewer's family.

The rich, mellow flavor of "Salvador" is only attained by *a special aging process*, and if the output of the cloister brewery was great enough the people of Bavaria would drink no other beer.

Mr. Lothar Reinhardt completed his extensive studies of German brewing in this *famous* cloister brewery, where he secured *the secret formula* and *process* for brewing "Salvador." He has *the sole right* under the Canadian Government Copyright and Letters Patent to manufacture this famous brew.

Reinhardts' "Salvador" has become "The National Drink by *a rigorous adherence to every detail of the original process* devised by Father Sale in 1651.

Compared with all other brews, *"Salvador" beer is worth a dollar a drop*, yet it costs no more than just ordinary beer.

Every pint of "Salvador" is *matured in wood* for at least six months before bottling.

"Salvador" is not only a pure, sparkling and refreshing brew; it also possesses *tonic qualities which make it the beer par excellence* for family use.

Always order "Salvador" if you want the best beer brewed.

Simpson Again Golf Champion.

GRAND RAPIDS, Mich., June 30.—Robt. Simpson of Kenosha, Wis., winner of the western open golf championship at the Hinsdale Club, Chicago, in 1907, is again the possessor of the title. This afternoon he defeated Thomas Macnamara of Boston, two up and one to play. Despite the sweltering heat, a large gallery followed the contestants over the Kentry Country Club course and witnessed a match which was anybody's until the twenty-eighth hole was played. (Simpson was two up when the thirty-fourth hole was completed. Then, on his drive, he sliced to the rough, and recovered while Macnamara was sharp away on his first, and pulled his second stroke badly, overrunning the hole on his third. It was halved in five, giving Simpson the title. The victory was worth $200 in tournament money, while Macnamara drew down $100. Macnamara was never able to take the lead, altho twice he evened up matters.
