FOREIGN CROP SUMMARY.

J. P. Bickell & Co. furnish the following Broomhall weekly crop summary:

United Kingdom—The weather has shown an improvement, it being drier.

France—There are continued complaints being received as a result of damage from the recent flood. The plant has a poor appearance and much replowing will be necessary.

Germany—There are no complaints received regarding the crop. Supplies are good, and the quality likewise. The demand is poor for foreign grain. The weather is generally unseasonable and wet.

Russia—There are some complaints being received from the south central of cold weather and light covering; otherwise the outlook is mostly satisfactory. It is generally claimed that interior reserves are very large. The weather is generally mild.

Roumania—An official report states that the outlook is favorable.

Italy—An official report says the outlook is favorable, while unofficial reports state that the excessive rains have caused some damage.

Spain—The crops are suffering from drought, except in the north, where the outlook is better.

Australia—There is heavy chartering, and this confirms a good yield.

Chili—Chartering is small for the new crop.

India—The crop outlook continues excellent. Sales of wheat for early shipment from Bombay and Calcutta are light. Kurrachee wheat for May-June shipment is being offered at a fair discount.

GRAIN AND PRODUCE.

Wheat had an early bulge on the Chicago pit on Tuesday, under further apprehension over crop damage reports and firmer cables from Liverpool. The May option sold up nearly a cent, to $1.12¼, but profit-taking on the advance induced a reaction, market closing unchanged from previous session.

The Winnipeg market was quiet and sold off steadily from the opening. May wheat cl sed at $1.06, a loss of ⅜c from preceding day; No. 1 northern closed at $1.02¼.

Wire reports from the Winnipeg market stated that there was a fair demand and fair supply of cash wheat. Exporters were not active, bids generally out of line. Traders were generally inclined to scalp the market, while lack of telegraph communication with eastern and southern points restricted trade materially.

No change was made in local quotations for either wheat or oats.

Local grain dealers' quotations are as follows:

Manitoba wheat—No. 1 northern, $1.13; No. 2 northern, $1.11, track, lake ports; ½c over these prices with winter storage.

Wheat—No. 2 mixed, $1.07 to $1.08; No. 2 white, $1.08 to $1.09 outside.

Oats—Canadian western oats, No. 2, 43c, lake ports; No. 3, 42c; ½c over these prices with winter storage. Ontario, No. 2, 39c, at points of shipment.

Buckwheat—No. 2, 53c to 54c outside.

Barley—No. 2, 56c; No. 3X, 54c to 55c; No. 3, 49c outside.

Mill feed—Manitoba bran, $23 per ton; shorts, $24, track, Toronto; Ontario bran, $22.50 in bags. Shorts, $2 more.

Rye—67c to 68c outside.

Manitoba flour—Quotations at Toronto are: First patents, $5.70; second patents, $5.20; strong bakers', $5; 90 per cent. patents, 29s 3d bid, c.i.f., Glasgow.

Corn—New kiln-dried corn, 72c; new, No. 3 yellow, 70½c; No. 4 yellow, 69c, Toronto freight.

Peas—No. 2, 84c outside.

Ontario flour—Wheat flour for export, $4.45 seaboard.

Toronto Sugar Market.

St. Lawrence sugars are quoted as follows: Granulated, $4.95 per cwt., in barrels; No. 1 golden, $4.55 per cwt., in barrels. Beaver, $4.65 per cwt., in bags. These prices are for delivery here. Car lots 5c less. In 100-lb. bags prices are 5c less.

Chicago Gossip.

J. P. Bickell & Co say at the close: Wheat—After a higher range early in session, due to firmer cables, and more unfavorable crop advices, market eased on liberal profit-taking, closing unchanged from previous session. Receipts continue liberal, but cash demand sufficient to prevent shading of premiums. If damage reports are confirmed, we look for a buoyant market and a broadening of trade. Professionals are inclined to resist advances, and in view of light outside trade we continue to advise purchases on reactions only until market broadens.

Erickson Perkins & Co. had the following at the close:

Wheat—The advance to-day brought out considerable long wheat, and with a cessation of bad crop news, market might quite naturally ease some. We advise caution, however, in selling on weak spots.

Corn—There was considerable long corn sold on the first advance by commission houses, who, however, turned buyers later. The July future was by far the stronger; the trade seemed to go into that month.

Oats—Prices were higher, with wheat and corn. Commission houses and local professionals were the buyers, while elevator interests and the country sold.

New York Dairy Market.

NEW YORK, Feb. 15.—Butter—Firm; receipts, 9454; creamery, specials, 29c; extras, 28c; third to best, 25c to 27½c.

Cheese—Firm, unchanged; receipts, 2357.

Eggs—Steady at the decline; receipts, 20,410; state, Pennsylvania and nearby, hennery, brown and mixed, fancy, 27c to 28c; do., gathered, brown, fair to prime, 26c to 27c; western first, 25½c; seconds, 25c.

14 CARS AT UNION YARDS 972 CATTLE OFFERED

Prices 15c to 20c a Hundredweight Lower — Quality Medium to Good.

There were 14 carloads of fresh stock arrived at the Union Yards, consisting of 272 cattle, 24 sheep and 5 calves.

There were 700 cattle left over from Monday's market, which, with the 272 that came in to-day, made a total of 972, all of which were disposed of by the noon hour.

Trade was not nearly as brisk as it was one week ago, the reason being that the drovers did n t readily accede to the reduction of prices from 15c to 20c per cwt. from those paid last Tuesday.

The principal buyers were Messrs. Geo. Campbell for Morris & C., E. Woodward for Swift & Co., A. McIntosh for Gordon & Ironsides, and the Rice & Whaley Co., who had an order for 90 cattle for the S. S. Co.

Mr. McIntosh did not buy as heavily as some of the rest.

Geo. Campbell bought for Morris & Co. 325 exporters, 90 of which were for the London market, 1200 lbs. each, at an average of $6.19 per cwt., the balance, 235, being bought for the Manchester market at $5.40 to $6 per cwt. Mr. Campbell stated that these prices were 10c to 15c per cwt. lower than he paid last week.

E. L. Woodward bought 400 exporters for Swift & Co., weighing from 1150 to 1400 lbs. each, at $5.50 to $6.20. Amongst the above were three carloads of export heifers, 1000 to 1075 lbs. each in weight, which cost from $5.50 to $5.75.

Rice & Whaley bought 90 exporters for the S. & S. Co., 1350 lbs. each, at $6.10 to $6.20.

A. McIntosh bought one load, 1185 lbs. each, at $5.75 per cwt.

Atlas Again Remanded.

Rev. G. M. Atlas was again remanded in police court yesterday morning when he faced the charge of stealing $610 from Vani Tryan which he is said to have received for arranging the entry of seven Macedonians into the country. "It may be false pretences. It does not look like theft," declared Mr. Corley, and the magistrate agreed with him. The remand was taken to see whether some other person could be found to take over the $7000 bond which Atlas had assumed for the good behavior of the seven in which event Atlas says he stands ready to turn over the money. Two other charges still remain.
