It is believed that any Parish, or association of ladies, or others, for that special purpose, or any benevolent individual, desirous of securing an amount, to be paid to a Clergyman or other person on attaining the age of 40, 50 or 60 years, or to his family in the event of his death sooner occurring, will find on examination of the prospectus of this Company, (which is always furnished gratis by the Agents, or by mail if written for,) that it offers greater facilities for the attainment of that object than any other similar Institution. Policies issued in this Company on the mutual plan—the "only plan," says Chambers, (see page 10 of Prospectus,) "which the public at large are concerned to support"—will have returned to them *all of the profits*, instead of a portion only, as is proposed by some of the stock or mixed companies.

POETRY.

[From Arthur's Home Gazette.]

JUNE.

[illegible]

Sweet June!—dear June!—my soul leaps at thy name
As they do at the birth of morn;
Welcome as sunlight come to the dwelling
Over darkness creeping mountains long;
A lovely maiden—a fair young bride—
Hope's sunshine and joy's own pride.

Hail to thee, lovely June! thou art
Welcome as the first blossom of spring,
Welcome as the tones of some long-lost song
Thrilling the heart with joy and pain.

[illegible]

Thy sky now bears in and he quits
His cousin the moon to reign in his place;
The lily, [illegible] the moon to reign in his place;
And [illegible] and [illegible] in the hall;
The [illegible] come, [illegible] calls
The [illegible] and no more may [illegible]
Here are the grandchildren, for it is June
O, where are Winter's days that wonder fleet,

[illegible]

Then come, O lovely, glowing June, the woods
For [illegible] where the [illegible] green,
And [illegible] and wine and [illegible]
Oriental [illegible]
Lavish on song, the [illegible] of flowers
And pour [illegible] in every [illegible]
And [illegible] from [illegible]
As [illegible] sweet [illegible] golden.

[illegible]

To think its murmur as they sleep.

[illegible]

Thy [illegible] and [illegible] June!
[illegible]
Thy [illegible] and [illegible]
Thy [illegible] and [illegible]
Thy [illegible] and [
