Baron Herry, Mr. Elsen and Mr. and Mrs. DeDecker are recent arrivals at Vernon, from Belgium. They have bought land in the Okanagan and will settle there.

Fifty-four sales, of an average of fourteen acres each, were made near Nelson to small investors, who are prospective settlers. All these sales were made since the beginning of the year by Messrs. Annable and Hunter, of Nelson. They show what an interest is being taken in British Columbia fruit lands.
