THEY ARE ALL EXPECTING THEM

Intense Excitement Prevails among the many Newfoundlanders

SCATTERED OVER DIFFERENT PARTS OF THE WORLD IN ANTICIPATION OF THE RECEPTION this Christmas and New Year of S. H. Parsons' popular and artistic Christmas and New Year cards of scenery of Old Terra Nova, especially now that they know of this summer's cruise around the Island in the circuit steamer "Leopard." Every man, woman and child in distant countries that don't receive one or more of those cards will be terribly disappointed. Send them anything you like, but don't fail to gladden their hearts by sending them some of the old familiar scenes which to many will call up pleasing reminiscences of childhood's happy hours and HOME, SWEET HOME.

To our already large stock of views, we have added, the past summer, 400 new negatives. To ennumerate all would occupy too much space, but the views in Bay of Islands, on the Humber River, Bay St. George, Little River, Hare Bay, Bonne Bay, &c., &c., &c., have only to be seen to be appreciated, at
