BEGIN WORK ON TRACK

New Plant Near City of Mexico Will Cost $1,000,000.

El Paso, Tex., Jan. 3.—Work on the second of the four big race tracks planned by the Mexican Jockey Club will begin soon near the City of Mexico. The plant, costing nearly $1,000,000, will be named Diaz Park. With Juarez already established, the promoters of racing in Mexico, assured that the sport will prove immensely popular, will subsequently construct tracks at Guadalajara and Monterey.

The Mexican Government is lending moral and financial support to these ventures, and is not inclined to regard seriously the attempt by various reform bureaus to induce Congress to ask for the suppression of racing and betting at Juarez.

GOVERNOR ORDERS RAID ON GAMBLERS

Indiana Executive Tells Deputies to Cut Wires to Pool Rooms.

Indianapolis, Jan. 1.—Gov. Marshall early today issued a formal order to Sheriff Grant, of Lake County, to take a big force of deputies to Clark's Station, where is located the old Dearborn Park gambling establishment, where it was reported Chicago gamblers were to open a poolroom today, and to arrest everyone in connection with the project in the event an attempt was made to gamble.

The sheriff was further ordered, in the event gambling was discovered, to cut all telegraph or telephone wires leading to the place.

The governor was informed later that Sheriff Grant is making up his force of deputies preparatory to moving on the stockade around the resort at Clark's Station.

JACK JOHNSON PINCHED AT TERRE HAUTE, IND.

Refused to Go on Stage Because of Cold Theatre and Later Made Some Threats.

Terre Haute, Jan. 2.—Jack Johnson refused to fulfill his contract to appear at a Terre Haute theatre today, and the manager attached his trunks as he was about to board for Columbus, Ohio. Johnson said the theatre was too cold.

When a constable served the writ, Johnson mounted his baggage and said he would "hit the first man who touched it."

The constable called the police, and the fighter backed down when Capt. Armstrong brought two men to take Johnson to jail. Johnson later tried to engage a special train, but failed. When he saw his belongings dumped on a dray he told his manager he would stay in Terre Haute till tomorrow and contest the case.

St. Catharines, Jan. 1.—The seventh annual Martin electric road race was won today by James Corkery, of the Irish-Canadian Athletic Club, of Toronto; time, 53:55 1-5, with George Richards, of the Ninety-first Highlanders, Hamilton, second; time, 56:22. TAIT A WINNER

Took Race From Paull at Buffalo in Record Time.

Buffalo, Jan. 1.—Canadian athletes took a prominent part in the indoor sports of the Seventy-fourth Regiment Athletic Association here last night. J. L. Tait, of Toronto, won many friends by his gameness in the mile event. Tait took the lead at the start, with Paull following closely. The pair made rapid progress, and at the fifth lap they were among the leaders. Tait set a vicious pace, but Paull seemed to have little difficulty in holding him. Tait had a handicap allowed him over Paull, but he declined to take advantage of it, and the two started at scratch. Tait had unlimited confidence in himself, and his performance seemed to warrant it. The Canadian sprinted magnificently, and finished first in the fastest mile ever done at the armory, 4:24 2-5, breaking the former record, held by Frank Nebrich, of 4:27. Tom Simpson, of the Seventy-fourth, was second, and G. H. Gerrish, of the Naval Militia, was third. Paull finished fifth.

ENGLISH MIDDLEWEIGHT WOULD MEET KETCHELL

Tom Thomas May Be Matched With Lion for Twenty-Round Go.

New York, Jan. 2.—Tom Thomas, the new middleweight champion of England, who is said to be a clever and a hard hitter, may be matched to fight 20 rounds with Stanley Ketchell before the National Sporting Club in London, in February.

Ketchell says he is making preparations to sail for England next week, and that whether he fights Thomas or not, he will proceed to make the long trip to Australia, where he insists he will receive $30,000, win, lose or draw, from Promoter McIntosh for battle with Lang, Squires and old Fitz. After these contests Ketchell says he will be ready to fight Tommy Burns, either in Sydney or London, and does not expect to return to America until some time next fall or winter.

NAPS HAVE ELEVEN OUTFIELDERS.

Cleveland has eleven outfielders on the reserve list. They are: Hinchman, Flick, Birmingham, Lord, Sullivan, Spears, Rafferty, Krueger, Reilly, Smith and Shaughnessy. Miller, another Nap recruit, has been chased to Toledo. Birmingham is the only one seemingly sure of a job.

The Pugilistic Calendar

Jan. 4—Owen Moran vs. Tommy Murphy, 12 rounds, at Boston, Mass.

Jan. 7—Ad. Wolgast vs. Geo. Memsic, 10 rounds, at Los Angeles, Cal.

Jan. 10—Johnny Thompson vs. Dick Hyland, 10 rounds, at Kansas City, Mo.

Jan. 17—Jack O'Brien vs. Al Kaufman, 6 rounds, at Philadelphia, Pa.

LONDON JUNIORS TIED WITH PARIS

Exhibition Match Finished With Score 4 to 4—Ice Was Too Heavy.

PARKINSON AT GOAL

Was Stronger Than Milne, Who Played the Position in First Half.

London Junior O. H. A. team tied with Paris in an exhibition match at the Jubilee Rink Saturday evening by a score of 4 to 4. The visitors carried two intermediate men on their lineup, but, at that, the locals managed to keep up with them. The half-time score was 3 to 1 in favor of Paris.

The London team was a little weak at times, but will improve. Meldrum shows class as rover, while Lee, at centre, did very well, and figured in some nice combination work.

Lackey and McCall were in the play all the time.

Milne Taken Out.

Parkinson, who replaced Milne at goal in the second half, improved the team.

The ice was very heavy at the finish, and there was no play-off.

Following was the lineup:

Preparing for Lumbago!

If You Have "Nerviline" Handy One Rubbing Will Cure the Pain.

THOUSANDS USE "NERVILINE."

The "strike" of lumbago is like a bolt of lightning—you never know when it is coming or where it is going to strike. Probably the one certain thing about lumbago is the fact that it can be cured by Nerviline—the only liniment that penetrates deeply enough to reach the congested cords and muscles.

LETTER NO. 4875.

"Years ago I strained my back and suffered considerably with weakness over the spine," writes Darius P. Millan, a well-known farmer, residing near Kingsville. "Then lumbago attacked the weak spot, and for days at a time I would have to lie up in bed, unable to move or turn. Liniments, poultices and hot applications failed to bring the desired relief, and I was in despair of ever getting really well again. I at last decided to test "Nerviline." I got five bottles from the drug store and had it rubbed on three times a day. The stiffness and pain left my back quickly, and by continuing Nerviline I was completely cured of Lumbago."

This is similar testimony to that of nearly five thousand Canadians who have written unstinted words of praise to the manufacturers of Nerviline. For the cure of Lumbago, Sciatica, neuralgia and Rheumatism there is no liniment with one-fifth the pain-relieving power of Nerviline.

Refuse any substitute. Lage bottles 50c, trial size 25c; all dealers, or The Catarrhozone Company, Kingston, Ont.

SOMEONE IS KIDDING CATCHER GEO. GIBSON

New York Dispatch Says That He Is Seeing Spooks "in Wilds Near London."

Someone is kidding Mooney Gibson. A "Doccook" from New York states that he is writing a tale of a phantom jack-rabbit, which he has seen at different times "in the wilds near London, Canada."

George says that the story started with a series of cartoons in the Pittsburg Dispatch, and that New Yorkers have evidently fallen for the story as a true one.

The Pipe.

The dispatch follows:

New York, Jan. 3. — George Gibson, premier catcher of the National League, is bending his hand to literature He is writing a great yarn called "The Phantom Jack Rabbit," based on a remarkable adventure. It seems that for two winters Gibson has been chasing a mighty animal in the wilds near London, Canada, his home. Last time Gibson saw the thing it loomed up fully three feet high. Just as Gibson was about to pull the trigger, the animal disappeared into ether. Only its tracks convinced Gibson that he was not dreaming.

BRESNAHAN TOUCHED FOR DIAMOND STUD

Cardinals' Manager Also Relieved of $70 On His Way Home.

Roger Bresnahan, who will put in his spare time till his health breaks in trying to teach the St. Louis Cardinals a few fancy baseball tricks, has advertised for a guardian. On the way home to Toledo, Ohio, from the big New York baseball meeting, someone "rolled" him for a $350 diamond stud and $70 in cash. This is the second offense perpetrated against Roger.

STRATFORD JUNIORS WON FROM HAMILTON 39-35

Fast Basketball Game Played on Winners' Floor New Year's Day.

(Special to The Advertiser.)

Stratford, Jan. 1.—The Stratford junior team defeated the fast Hamilton juniors here tonight by a score of 39-35.

The Stratford juniors are a fast team, and are shaping up strongly. This is their second game with outside towns, and both have been won.

The London juniors were defeated about a week ago by 29-28. The Hamilton team playing was the second team, and a game is now expected with the first team.

Some fine combination and shooting was indulged in.

The line-up was as follows:

Stratford—Forwards, Bradshaw and Gerrie; centre, Turner; defence, H Bradshaw and Lillon.

Hamilton—Forwards, E. Smith and W. Smith; centre, Lees; defence, Crocker and Webster. Referee, A Wilson, of Hamilton.

Baskets were scored as follows: E. Smith 4, W. Smith 6, Lees 3, Crocker 3, Webster 1, Gerrie 10, Bradshaw 5, Turner 2, H. Bradshaw 1.

WAS THE TRACK SHORT?

Boston, Jan. 1.—If the track measurement was correct, Robert A. Fowler, of Cambridge, New England's amateur champion, tonight established a new world's indoor running record for most of the distances up to 20 miles in a match race at the Charlestown armory, with Henri Renaud, of Nashau, N. H., and Joseph G. Silva, of the South Boston Athletic Club. Fowler won, covering the 20 miles in 1 hour, 48 minutes and 31 seconds. Renaud was a poor second. The present amateur record is 1 hour, 51 minutes and 54 seconds, held by G. Crossland, of England, since 1894. The general opinion here is that the track was short.

BOOST FOR "MOONEY."

Umpire Bill Evans, in writing of a catcher's value to a team, says:

"Any New Yorker will tell you that the absence of Bresnahan weakened the Giants in more ways than one. Cincinnati fans realized what a really valuable man Larry McLean was after he had been injured and the club deprived of his services. Every Philadelphian knows that the tragic death of 'Doc' Powers was a body blow to the Athletics. All Pittsburg rooters are aware of the fact that no one man played a more prominent part in the success of the Pittsburg team than the hard-working George Gibson."

FIREMAN FLYNN WON.

Los Angeles, Cal., Jan. 1.—Jim Flynn, of Pueblo, knocked out Jose Willis, of San Francisco, in the sixth round of a ten-round fight last night. Willis more than held his own in the opening rounds and outfought Flynn. In the sixth round Flynn rushed Willis and half knocked and half wrestled him to the mat. Willis took the count of nine, and got up, only to go down again in similar fashion. He was groggy when he arose, and a well-directed right swing to the jaw put him out.

SIMCOES 5, BARRIE 7.

[Special to The Advertiser.]

Barrie, Jan. 3.—Barrie defeated the Simcoes, of Toronto, here on Saturday afternoon by 7 to 5. The lineup:

Simcoes—Goal, Addison; point, Lavery; cover, Nelles; rover, Webster; centre, Clarkson; right, Warwick; left, McGiffin.

Barrie—Goal, Brown; point, R. Horsfield; cover, Rowe; centre, Meeking; rover, S. Horsfield; right, Leroux; left, Foyston.

Referee, Gren Caldwell.

CLARKE WOULD TRADE 'EM.

Pittsburg, Jan. 2.—The Pittsburgers are ready to trade Willis, Leever and Phillippe, veteran pitchers. Here is a chance for some club to hand over something to Fred Clarke, the shrewd manager of the Pirates. When Clarke decided to get rid of a player there's usually a sound reason. That is why other major managers are inclined to fight shy of any proposition coming from the Smoky City. Willis, however, looks as if he still has some effectiveness left in his salary whip.

SUTTON MATCHED WITH HOPPE.

Chicago, Jan. 1.—George Sutton, the holder of the 18.2 balk line championship, and Willie Hoppe were matched here today to play for the title in Chicago next March. They will play 1,500 points under the revised rules for the diamond emblem. The match will be played in three games of 500 points each on successive nights, the dates to be announced later.

ARGOS BEAT M. A. A. A.

Montreal, Jan. 1.—An exhibition hockey match was played at the Victoria rink last night between the Toronto Argos and M. A. A. A. teams, which resulted in a victory for the Argos by a score of 7 to 6.

POLICE STOPPED FIGHT.

Savannah, Ga., Jan. 1.—Abe Attell, the featherweight champion, gave Eddie Kelley, of Buffalo, a terrible beating in five minutes of fighting here tonight. The police stopped the fight.

POLE DEFEATS BELE.

Buffalo, Jan. 1.—Zbyszko, the Polish champion, defeated Fred Beele, of Milwaukee, Wis., in two straight falls here tonight. The time was 1 minute and 15 seconds, and 51 minutes.

WILL START FEB. 1

Edward Payson Weston Intends to Cross States in Hundred Days.

New York, Jan. 2.—Edward Payson Weston announced here today that he will make one more transcontinental walk, and that he will get from ocean to ocean this time within 100 days. Weston will start from Los Angeles at 4 o'clock in the afternoon of Feb. 1, and will be due in New York on May 28. His hike from New York to San Francisco early last summer took him 105 days, but on that journey he encountered a long series of storms and unusually hot weather. If conditions are reasonably favorable this spring, he is sure that he can cross the United States within 100 days. Details of his route will be announced later.

CLIFFSIDES BEATEN

Amherst Took Opener of Maritime Hockey by 7 to 5.

Amherst, N. S., Jan. 2.—The Ramblers hockey team opened the Maritime Province hockey season at Amherst on Saturday night, by defeating the Ottawa Cliffsides, the amateur champions of Canada, by 7 to 5.

The Amherst fans were well prepared for a hard game, but very few expected to see their team win. The smallness of the rink no doubt handicapped the visitors to a certain extent, as they were the speediest forwards ever seen on Amherst ice. The game was one of the fastest and most exciting throughout. The Ramblers did not have the speed of the visitors, but were their equals in stick-handling.

NOTED HORSE DEAD.

Indianapolis, Ind., Jan. 3.—One of the most remarkable pacing horses of the middle nineties died at Rochester, Minn., a few days ago, according to reports recently received. This was the brown gelding Badge, 2:06¼, a very fast and one of the gamest pacers which ever looked through a bridle.

WHEATLEY BEAT BLENHEIM.

[Special to The Advertiser.]

Blenheim, Jan. 3.—The home team was defeated at Wheatley on Saturday afternoon by 1 to 0. The lineup:

Wheatley—Goal, Maxwell; point, Reynolds; cover, Coles; forwards, Mills, Long, Reynolds, Hanson.

Blenheim—Goal, Gray; point, Leitch; cover, Lowes; forwards, Pickering, Williamson, Steward, Grist.

QUAKER CITY SCRAPS.

Philadelphia, Jan. 1.—Frank Madole, of Pittsburg, had the better of the six-round bout with Grover Hayes, formerly of Chicago, and now of Philadelphia, at the boxing matinee today at the National Athletic Club. Hayes was game and fought hard, but Madole was too clever for him. In the semi-windup bout Jack Fitzgerald, a Philadelphia heavyweight, outclassed Jack Reed, of Toledo, O. The referee stopped the fight at the end of the second round.

The Australian promoter proposes that the winner of the fight take the entire purse, and the offer is made regardless of the outcome of the championship match between Jeffries and Johnson

Nothing Doing, Says Jack.

Fort Wayne, Ind., Jan. 2.—"Nothing doing on those terms," said Johnson tonight, when the offer of a fight with Tommy Burns was shown to the colored champion at Saengerbund Hall, where he was giving an exhibition. The offer was made by Hugh McIntosh, and reported the winner to take all the receipts.

"Thirty-five thousand, win, lose or draw, are the only terms on which I would meet Burns," added Johnson. "If he agrees I will fight him next November at any place."

GALT, 8; ALL-STARS, 2

Stanley Cup Chasers Had Picked Team at Their Mercy.

Galt, Jan. 1.—Today on the local ice Buck Irving's Stanley cup challengers stacked up against a team picked from the Ontario professional league, and put it over them to the tune of 8 to 2. The game was arranged to give the local fans an idea of what might be expected from the team on their trip east, and to give them a chance to exert themselves to the utmost, as they will have to do in their struggle for the silverware. The play throughout was spectacular, the challengers putting up a whirlwind game from start to finish, and had their opponents completely at their mercy at all stages.

Galt—Goal, Lehman; point, Murphy; coverpoint, Charlton; rover, R. Young; centre, Mallen; left Wing, Doherty; right wing, Dusome.

All-Stars—Goal, Cross; point, Fraser; coverpoint, McDonald; rover, Walker; centre, Manson; left wing, McLaughlin; right wing, Wismer.

Referee, Casey Fraser.
