TONIGHT AT THE MOTORDROME.

After Walthour's performance at the Motordrome on Saturday night no motor-pace race will be staged at tonight's special meet.

Five motorcycle contests have been included in tonight's card, the longest of which will be a 15-mile free-for-all grind. Another feature will be the Harry Richard sweepstakes with a ten-mile final and for the bicyclists there will be a quarter-mile handicap sprint and a three-mile lap race, in which a sprint takes place in each lap. Still another motorcycle star is on hand for this evening's speed carnival in the person of Doherty, the Detroit demon, who will go to the "wall" along with Henikman, Burtschaell, Saier, Patterson of New York, and probably Jack Harding, the English speed merchant. Ten thrilling events and no delays should make a splendid evening's sport.

HEL DANNUAL PICNIC.

South York District Sons of Temperance held their annual picnic on Saturday at Centre Island Park, which was a very successful event. Various sports were indulged in: Races for ladies and gentlemen, baseball, etc. Races were won as follows: Companion race, Miss J. Gilmour and J. Youngman; candle race, Miss D. Activity in Athletics At West End Y.M.C.A.

The great variety of activities now being carried on by the West End Y.M.C.A. physical department are keeping a great number of men and boys interested. The following is just a summary of the doings.

The weekly events at Varsity are a greater drawing card than ever. The team championship is bringing the men out rain or shine. H. Adam, the all-round athlete, has his team leading the bunch with a total score of 80 points. J. Moriarity and his trive have 64½, W. Markle coming third with 59 points. M. Wilson, the sticker, has 50½ ponts. The events for next Wednesday will be 100 yards, pole vault and 440 yards.

There has been such a demand by the younger members of the association to get a field closer to the building that the committee found it necessary to get the use of the lot on St. Anl's road, where two indoor baseball diamonds, a basketball court, volley ball court and jumping pits will be made. This will be greatly used, as the boys can dress at the building and run to the field. Leagues will be formed and athletic held.

The swimming instructor, E. Smith, is now in full charge. Every day men and boys are coming into the building asking about swimming, as they wish to learn before the summer. There is no doubt that Smith is the instructor they want to teach them. His record of last year proves this. Members are taught free, and those who do not wish to join are given five lessons for a very small fee.

The first annual picnic will be held for the senior members and their lady friends at Centre Island Saturday afternoon, June 26. The committee on games is busy making the program and getting the prizes. The afternoon sports will start at 3.30 and will be worth coming for. All coming should get a badge at the office or from a member of the committee.

The sporting goods are coming in fairly good for the soldiers at the front, but there is still room for more in the first shipment. Look up the bats, balls, etc., and send them in to the association at once.

Wrestling.—Members of the club are keeping in shape every Friday night at the building. Now is the time to learn the game.

Gymnasium.—Many members are coming on the floor for a workout before going in for a good swim. Indoor baseball, light class work is the order of the program. When the windows are open it is almost as god as out of doors. The special summer members are taking a great delight in the indoor exercises.

CENTRAL ATHLETICS.

Standing of the athletes of Central Y.M.C.A. is as follows: Stuart Davis 15, Harry Riddell 10, Tom Harpley 8, Ewart Lindsay 8, Hal Fice 7, Charles Barnes 5.

Central Y.M.C.A. are making great preparations for their big picnic at Centre Island next Saturday afternoon. All members and their lady friends are invited, and an exceptionally fine time is assured. Program will consist of games, combination and otherwise. For further particulars see M. W. Plunkett, social secretary.

The events for tonight's twilight meet at Central Y.M.C.A. will be the 100 yards, 12-lb. shot, 1½ mile run, and the 2-mile walk. Walkers are requested to be on hand at 6 o'clock. Central athletes have rested up a bit after Saturday's meet, and will be ready for the events tonight.

No more dandruff on your coat collar if you use Adonis Med-Rub. 50c or $1.00 bottles at Druggists. 246
