TORONTO LEADS THE LEAGUE

Final Game With Montreal Was Easy and Islanders Made It Four Straights.

THE SCORE WAS 11 RUNS TO 4.

Good Crowd Present—Game Terminated in Sixth, as Teams Wanted Time to Catch Train.

Toronto rolled off another victory over Montreal yesterday, and it was an easy one. The crowd was large for an ordinary day and the sudden termination of the game when a little more than half over was poor policy when there was time to play another hour and make train connections. The contest was enjoyable and the 1200 present would have liked to see a few more innings. The four straights came as many expected, and Toronto takes the result as a matter of fact. The team left last night on an extended trip as leaders of the league, and it remains to be seen whether or not they can hold first place against heavy hitting teams like Rochester, Worcester, Hartford, etc. The Islanders will not return until Dominion Day, playing in the meantime as follows: June 14, 15, 16, at Rochester; June 17, 19, 20, at Worcester; June 21, 22, 23, at Providence; June 24, 26, 27, at Springfield; June 28, 29, 30, at Hartford. The record:

	Won.	Lost.	P.C.
Toronto	23	12	.657
Montreal	22	13	.628
Rochester	20	14	.588
Hartford	19	19	.500
Worcester	16	17	.484
Springfield	14	17	.452
Providence	15	22	.405
Syracuse	9	24	.273

Games to-day: Toronto at Rochester, Montreal at Syracuse, Worcester at Hartford, Providence at Springfield.

Toronto 11, Montreal 4.

Dooley put Souders on the rubber again yesterday at the Island, and he was once more a shining mark. Toronto batted five innings, and in that time every man had a hit or two or three, except old Tony Mullane, who pulled two bases on balls, both in the second innings. Montreal made a sprint start that gave the Eastern commercial men in the stands a chance to show themselves. They said afterwards that Dooley made a mistake and wanted to disclaim any connection with Montreal, where lacrosse was sometimes played, alright, alright!

Allie Alloway put 'em over for Toronto, and the hitting behind him, aided by his own little bat, made slab work a cinch. Hannivan mixed with two flies in the opening round that gave the ex-leaders their runs, but Toronto soon took them back.

Punching Souders was play, and the Islanders landed anywhere from one to five or six clean ones in each of the five rounds. Alloway had two clean singles and a scratch hit, once dropping the ball safely in left when the bases were full. Duncan was in the game, and instilled confidence in the men by his sure backstop work. Besides, he cracked out a corking triple in the fifth. The game started at 3.30, and was over about 4.45, or when some of the fans had just settled down to enjoy the game. Score:

Syracuse Won at Rochester.

At Rochester: The game was a pitcher's battle, in which Malarkey had decidedly the better of it and held the home team down to one run, the Syracusans crossing the plate twice. Barry's magnificent fielding was the most notable feature.

At Hartford: The score in the game with Providence was the same as on Monday—4 to 3—and again was in favor of the home team. Gatins, who was hurt in yesterday's game, retired in the third innings, McHale taking his place and Knell going to centrefield. Eagan's pitching was slow, and in the eighth innings Braun relieved him. In the seventh Providence had three men on bases, when Davis knocked out a sky-scraper, Knell retiring the side. Kilroy was up to bat four times and made four hits. Hartford's hitting was the more opportune. The Greys' fielding was better than the home team, which was somewhat crippled by the loss of Gatins.

Joe Knight Goes to Buffalo.

At St. Thomas: Hardy pitched another good game for the Saints here to-day, holding the Leafs down to 1 hit. Billy Rodden's game at second and Dad Lyons' long home run were other features. Frank Pears, who succeeds Joe Knight as manager, covered first nicely, and all the boys seemed to be full of ginger. Knight leaves to-night to join the Buffalo team of the Western League. Score:

Capitals or Torontos?

That vexatious question, the appointment of referee and umpires, has already been settled for the championship match at Rosedale next Saturday by both clubs agreeing to Messrs. F. J. Dixon, referee, and John Ryan and J. D. Bailey as umpires. No more capable men could be found in the Dominion, so that this precludes the possibility of any delay in starting the game punctually. There unquestionably will be a great demand for reserved seats to-day, when the plan opens at Nordheimers'. Members who have not got their badges may also secure them there from the secretary-treasurer.

ARGONAUTS AWAY TO HENLEY.

Plucky Oarsmen Royally Cheered as the Chicora Steamed Out From Yonge-Street.

Long before 2 o'clock yesterday afternoon the wharf at the foot of Yonge-street was crowded with rowing enthusiasts to bid good-bye and good luck to the crews of the Argonauts that will represent not only Toronto but Canada at the Henley regatta in the singles, fours and eights. Shaking hands lasted half an hour with relations and the numerous friends of the club. The Dons and Toronto Rowing Clubs were well represented and nearly every rowing enthusiast from Edward Hanlan down was there. After the crew got aboard the Chicora, a hopeful and cheering address was read to President T. P. Galt by Vice-President Ellis of the Board of Trade, to which Mr. Galt replied, after which three hearty cheers went up.

Shortly after 2 o'clock the steamer backed out with the Argonaut contingent standing on the bow and they were again cheered to the echo.

The eight are a likely looking lot and one of the heaviest that ever sat in a shell, averaging 162 pounds, or in all 1461 pounds, as follows:

R. K. Barker, cox	120	lbs.
G. H. Muntz, stroke	152	"
F. H. Thompson, No. 7	172	"
E. A. Thompson, No. 6	178	"
A. J. Boyd, No. 5	176	"
J. Wright, No. 4	182	"
H. G. Kingston, No. 3	164	"
D. R. McKenzie, No. 2	166	"
R. G. Muntz, bow	151	"

The four: J. Wright, stroke; F. H. Thompson, No. 3; E. A. Thompson, No. 2; R. G. Muntz, bow, averaging 170 pounds. The spare men are equally as heavy, while Goldman and Bright, the single scullers, will row at 172 and 162 lbs. respectively.

The party will arrive in New York early this morning and will sail on the Teutonic at 2 o'clock this afternoon. The crews were accompanied by a party of friends as far as the Falls.

The Chess Tourney.

London, June 13.—In the international chess masters' tournament to-day the result at 4.30 adjournment was that Lasker and Maroczy had drawn, Tschigorin had beaten Showalter, Tinsley had gone down before Schlechter, Bird had lost to Cohn, Steinitz and Lee had drawn, Pillsbury had a bad position against Blackburne and Janowski a bad position against Mazon. The latter two games were adjourned. At the evening session Blackburne and Mazon beat Pillsbury and Janowski respectively. Marshall drew a game in the minor tournament with Marco.

Orillia Beat Combine.

Orillia, June 13.—The Northeastern District championship lacrosse match, Orillia v. Cookstown and Alliston, was played here to-day and resulted in a victory for the home team by 7 goals to 3. The game was devoid of interest. Orillia played five of the senior team, owing to the absence of some of the juniors at Niagara camp. A. E. Cameron of Beaverton refereed.

Sharkey and Jeffries Likely to Meet

San Francisco, June 13.—Tom Sharkey, the pugilist, has received the following telegram from his manager, Tom O'Rourke, dated New York, June 11: "Have accepted Jeffries' challenge to fight you early in September. You had better come here at once. There is nothing out there. Answer." To the above the Sailor replied: "Am at Sprigs, doing well; working right along. Will leave for New York in three weeks." From the above it would appear that the challenge issued by Jeffries just after his defeat of Fitzsimmons will lead to some arrangement for a battle between Jeffries and Sharkey.

For Dominion Day Regatta.

Tom Cringle's Ascot Stakes.

London, June 13.—The racing at Ascot opened to-day under brilliant auspices, although deprived of the semi-state procession of royalty, due to the fact that the court was in mourning for Prince Alfred of Saxe-Coburg and Gotha and the Queen of Denmark. Among those present were the Prince of Wales, the Duke of York, the Duke of Cambridge, the Duke and Duchess of Connaught, the Grand Duke Michael of Russia, the Duke and Duchess of Marlborough, the Duke and Duchess of Portland and the Duke and Duchess of Devonshire. In addition big crowds of society people and a large assemblage of the general public attended.

The Biennial Stakes of 10 sovereigns each and 500 added resulted in a dead heat between the Duke of Westminster's Goblet and Lord Rosebery's Epsom Lad. Tod Sloan rode Lord William Beresford's bay gelding Yumboe (3 to 1), but was unplaced. Dancing Mahdi was third. Eight horses ran.

The Trial Stakes of 10 sovereigns and 500 added were won by the Duke of Westminster's Good Luck. Mr. P. Lorillard's Chinook (5 to 2), ridden by Sloan, was unplaced.

Lord Rosebery's 4-year-old chestnut colt Tom Cringle won the Ascot Stakes of 20 sovereigns each and 2000 added. 500 to second and 200 to third. Lord Farquhar's Nouveau Riche was second and Mr. Fairie's Chubb third. Eleven horses ran. Sloan rode Nouveau Riche and the betting against the latter was 16 to 1. Chubb led until fairly on the line for home and then gave way to Nouveau Riche, who was challenged by Tom Cringle, the latter winning by a neck.

Sloan finished first on Lord William Beresford's Democrat (5 to 1) in the Coventry Stakes of 10 sovereigns, with 1000 added. Vain Duchess was second and Lucie II. third. Ten horses ran.

The Prince of Wales' Stake of 50 sovereigns each and 1000 added, 300 for second and 200 for third, was won by the Duke of Portland's Manners. Sloan rode Sir E. Waldie Griffith's Kent (6 to 5), but was unplaced.

A Talk Over the Walk-Over.

Geo. E. Keith's

"Walk-Over" Shoe

The story of the "Walk-Over" Shoe is a story of hard work. It is a story of careful planning and of the strictest attention to details. It is a story of a $6 shoe for $3.50.

The "Walk-Over" Shoe is produced to sell at $3.50 instead of $6, because modern methods have been applied.

Four profits have been eliminated. When you pay $6 for a pair of shoes like these you pay the profit of the tanner, the leather commission man, the shoemaker, the jobber. Yet they add not a penny to the value of the shoe.

"Walk-Over" Shoes are sold direct through one store in each big city at $3.50. They represent a plan of shoemaking that calls for immense capital, for perfect organization, for the extreme of expert skillfulness and economy in making and in selling.

See these $3.50 shoes.

Thus far each customer has brought in four more—that is, every man who has bought has directly influenced four more customers.

We are ready at last to take care of the demand. There will be no more shortage. You will get the style and size you want without delay.

Test the "Walk-Over." Don't accept theories. Get facts.
