Semi-ready trousers.

"Semi-ready" trousers contain a finish and style which no ready-made can have, and equalled only by the best custom tailors.

Shrunk and moulded to fit snug at the thighs, loose in the calf and snug in front—imparting that modish shapeliness which distinguishes the well-dressed man.

Bottoms are finished to measure with rubber, vulcanized between the fold of the turnover.

Makers of "ready-mades" and custom-tailors who do not use rubber, put in a soapy mixture which quickly works through, catches the dust and stains the bottoms. What is, perhaps, worst, the trousers lose their shape, wrinkle and twist after being wet.

With the rubber interlining in the bottoms, water can have no effect whatever, and the bottoms retain their shape till worn out. No shrinking, twisting or winding about the ankles.

Price—$3, $4, $5 and $6.

THE FEATHERWEIGHT CHAMPIONSHIP.

Smith and Lenny To-Night in the Mutual-Street Rink—The Program.

Eddie Lenny's presence in the city soon made a change in the betting on to-night's championship battle in the Mutual-street Rink. Yesterday at Toronto Junction the Quaker lad ruled favorite at 10 to 7, but at these figures there is lots of Smith money, and the pair will likely enter the ring at even money. Lenny is comfortably quartered at the Globe Hotel, and well below the stipulated weight. He fought Patsy Haley at 117 lbs. last Saturday night in New York, and says he earned the decision 3 to 1, though the most he got was a draw. They are down on Philadelphia boxers in New York. The big rink looks cool and will be an ideal spot to spend the hottest evening.

Arthur Irwin dropped over to look at his ball team, and will remain for the scrap. He picks Lenny to win, but the little magnate was always sweet on Quaker City boxers. The first bout will start promptly at 8.30, the program reading as follows:

Jimmy Wilson v. Tommy Maher, five rounds at catch-weights. Maher hurt his hand yesterday, and may be replaced by Willie McGill or Jack Woods.

Pat Kilty will box Jack Smith and Max Destosiers five rounds each, with a four-minute rest.

Jimmy Smith, Toronto, v. Eddie Lenny, Philadelphia, 20 rounds at 118 lbs., for the featherweight championship of Canada. The men will weigh in at Pember's baths at 4 o'clock this afternoon.

Referee, W. C. Kelly, Buffalo.

Erne Favorite Over Lavigne.

Buffalo, June 30.—According to the Hawthorne A.C. officials, certain persons are attempting to knock the club by circulating a report to the effect that the battle here on the night of July 3 between George (Kid) Lavigne of Saginaw, Mich., and Frank Erne of this city, for the lightweight championship, will be stopped by the authorities, but both District Attorney Penney and Sheriff Kilgallon state positively that they will not interfere with the bout, so long as the Horton law exists, which allows contests of this character in the State.

The statement of the county officials was published in last night's papers here, and to-day the sale of seats for the contest amounted to over $2500. More than half of the seats for the contest have been disposed of, and the indications are that there will not be one left by Monday night at 6 o'clock. Orders for tickets from out of town are coming in fast, especially from New York, Chicago, Cleveland, Toronto, Syracuse, Rochester, Boston, Philadelphia, Pittsburg and towns within a radius of 100 miles.

Only three days remain before the championship will be settled, and both boys are to-day ready to step into the ring and fight. Everybody seems satisfied with the election of Honest John Kelly as referee, and betting on the result is big. Erne went begging at even money to-day. He is almost certain to enter the ring a favorite. All the eastern money will go on him, and many from the west who saw him put Dal Hawkins away will bet on him.

C. W. A. MEET AT GUELPH

Only a Small Crowd on Opening Day—Vennells Wins the Prize.

QUEEN CITY'S PURSUIT RACE.

Angus McLeod Captures the Professional Mile and Sherritt the Amateur 5-Mile Championship.

Guelph, June 30.—The second provincial C.W.A. meet was opened here to-day at the Petrie Athletic Grounds. Owing to to-day not being a holiday, there was not as large a crowd present as was expected. Quite a number arrived to-night, and to-morrow will be the big day.

What lacked in spectators, however, was easily made up in riders. The novice race had 25 starters, and the Bell Piano Handicap had over 60 starters. In the novice race W. Vennels of the Royal Canadians of Toronto won the final heat in the fast time of 2.14, within a second of the record.

In the half-mile championship amateur, Sherrett, Canada's last year's representative to the world's bicycle meet, won, although pushed very closely by Axton and Ryan. The one mile professional went to McLeod, last year's champion. In the five-mile championship Sherrett again proved his staying powers by beating Axton and Mitchell. The two-mile tandem professional championship went to the E. & D. team, McLeod and Boake, who were never headed and won as they pleased.

The preliminary heats of the Bell Piano Handicap, 2-mile amateur, were run out to-day, the semi-final and final will be brought off to-morrow. Harley Davidson had no trouble in winning the two-mile lap race, with Boake and Dunbar second and third. The team pursuit race for the Bell Trophy, amateur, was won by the Queen City team of Toronto, L. Mitchell and J. Smith, with McKeand of the Hamilton Ramblers the last man overtaken. The officials of the meet are: L. Rubenstein, Montreal, president of the C.W.A.; referee, J. F. Cairns, Toronto; C. W. Wells, Waterloo, official timer; E. Willows, Toronto, official scorer, and Messrs. Walton, Howson, Daly and Wilson, judges.

President Rubenstein is pushing the world's meet, which is to be held at Montreal in August. He is presenting everybody with neat pins and striking badges. Starter Cairns gets all the different events off in good shape, and has all the riders under proper control.

The accidents to-day did not amount to very much, beyond the usual spilling at such meetings, where the different events are so well filled.

This evening the wheelmen's burlesque circus is being held at the Petrie Rink by six leading clubs of Toronto, assisted by the Ramblers of Guelph.

EASTERN LEAGUERS BUNCHED

Syracuse Stars Beat Toronto at the Island in a Ten Innings Game.

IT WAS A PITCHERS' BATTLE.

Hartford, With Old Mat Kilroy on the Rubber, Defeated Springfield.

There were only two games in the Eastern League yesterday and the result serves to bring Hartford into the 500 list and put six teams i na bunch. Sandy Griffin's Syracuse Stars appeared at the Island strengthened with Lizzie Fields, Billy Lush and Catcher Dixon and took a fall out of Toronto. It was only a pitcher's battle that the home team lost by bases on balls. Two Stars walked in each of the innings Syracuse scored and Toronto could only hit for two runs.

Arthur Irwin was present looking as happy as if Washington never lost a game. Wally Taylor sat on the bench only a little thinner after his long confinement. Club Collins of Hamilton and the Dundas Curling Club were interested spectators.

Toronto and the Syracuse Stars play morning and afternoon games at Hanlan's Point to-day and the Islanders are after them both. The record:

	Won.	Lost.	Pct.
Worcester	27	20	.675
Montreal	26	21	.553
Springfield	24	21	.533
Rochester	25	22	.532
Toronto	26	23	.530
Hartford	26	26	.500
Providence	24	27	.470
Syracuse	13	31	.295

Games to-day: Syracuse at Island, morning 10.30, afternoon 3.30, Rochester at Montreal (2 games), Springfield at Hartford, Worcester at Providence.

Lost in 10 Innings.

The Islanders lost in 10 innings a game they should have won. Williams pitched from the raised rubber and as a starter couldn't get 'em over. Billy Lush and Winters walked and then Pop lobbed up an easy one that Abel Lezotte lamed past Reddy Grey for two bases, and as many runs, and the enemy packed the game away in their bat bag.

The Torontos hadn't any place to put the victory, as their sticks went wrong, so they started out to lose. Mullarkey striking out Bannon, Brown and Grey off the reel. They had only three old bats on hand. Pat Liddy had a R.R. check to show and didn't want to be charged with an error. He says he checked the bag from Hartford to Toronto, but the players think they were sent to Morrow and hope they will be on hand to-day.

Still Toronto drew even in the second on a base on balls, Hannivan's single, Beaumont's sacrifice and Roat's corking double to left field. Then for seven innings the twirlers, from their places of vantage, had all the best of the batsmen, and the game might have been called a tie for darkness, but for Bannon's error in the tenth, that cost the game. Jack Williams walked and Dixon cracked a proper one to short for a double play. Bannon fielded the runner out at second and then literally fell down, throwing the ball on a bound past Beaumont. Dixon scored, after Mullarkey struck out, and Lush walked on Winters' clean single. Wagner batter for Williams and Rothfus for Brown in Toronto's half, but the pair, with Bannon, went out 1, 2, 3. DICK COWAN RECEIVED A CUP.

Argonauts Make a Presentation on Board the Teutonic—Enjoyable Voyage.

A letter received from one of the eight crew yesterday morning says that the voyage across the Atlantic in the Teutonic was very enjoyable. The boys were allowed many privileges, and were very popular with all on board.

Only one member felt the effects of the ocean rolls and chat but for a short time. Several old Henley oarsmen on board expressed themselves very favorably towards the boys as to winning, they being such a husky lot of fellows.

On the way over a loving cup was presented to Dick Cowan, one of the spare men, on the anniversary of his birthday.

Look Well to Your Horses' Feet!

For the Saying is: No Frog No Foot, No Foot No Horse.

Now, if you have a horse that is worth shoeing, have it shod well.

Remember, I don't keep a bargain day shop. I will have a fair price, and I want no cull work. I do none but the best work and I will warrant sound horses, without interfering, over-reaching.
