The Hon. Attorney General presented a bill to vest the appointment of Legislative Councillors in His Honor the Lieut. Governor.

A brief discussion arose on this bill, ending in its being read a first time.

A number of other bills were also handed in, and read a first time.

Tuesday the 5th inst., Mr. Kirk presented a petition from the Grand Division, S. of T. for a grant to found an Asylum for Inebriates. The petition was referred to a special committee consisting of Messrs. Kirk, Gayton, Holmes, Allison, and DesBrisay.

The Provincial Secretary submitted and read the correspondence in regard to the matter of the New Provincial Building, together with the award of the Arbitrators thereon.

The Provincial Secretary presented a petition from the Medical Faculty in connection with Dalhousie College, asking for a grant in aid of a School of Medicine.

The other business of the day was not of a character to be generally interesting to our readers.

Wednesday the 6th inst. The Provincial Secretary introduced the Annual Report of the Commissioner of Crown Lands, which was read. He also presented the Annual Report of the Superintendent of the Asylum for the Insane.

Mr. Allison introduced a bill to repeal the Act of 1871, entitled an Act to secure the independence of the Legislature.

Mr. Blanchard asked if the Government were ready to furnish the information he had sought respecting the payment of $6710.94 of the public money to Mr. Robert Boak, Jr. The Provincial Secretary said he would supply the papers, but desired that it should not be held as a precedent in such cases.

Thursday, the 7th. The House met as usual in the afternoon, but the business done was only of a routine character of local interest.

Friday, 8th.—Mr. Allison asked for the second reading of his bill repealing the distranchising Act.

Mr. Flinn, (Halifax), moved that the bill be deferred for three months.

Then ensued a debate, taken part in by Messrs. Blanchard, McRae, Holmes, and Rettie, on the opposition side in favor of the bill, and the Hon. Atty. Gen., Prov. Sec., Commissioner of Crown Lands, Mr. Morrison and Mr. Kirk for the Government and against the bill.

The discussion which arose was not terminated when the House adjourned to meet again on Monday afternoon.

Monday 11.—The Prov. Secretary submitted the financial report for the past year to the House; and explained it at some length, showing that although there was a balance due the Treasurer of $9549.66 on the 31st of Dec., the Province had, taking all liabilities and assets into account, upwards of $22.000 with which to begin the year.

After the Hon. Mr. Vail's financial exposition was finished, the adjourned debate on Mr. Allison's bill to repeal the act which distranchises certain officials, was resumed. At the close of the debate the amendment to defer the Bill for 3 months was carried by a vote of 21 to 11; for the motion, Messrs. Ferguson, Eisenhaur, Freeman, Gayton, Archibald, Flinn, (Halifax) Landers, Smith, Morrison, Ross, Kirk, Robertson, Wylde, Flynn, (Commr. of Crown Lands,) Campbell, Joseph McDonald, Johnston, DesBrisay, Daniel McDonald, Doucette, Vail; against the motion, Messrs. Blanchard, Cameron, McRae, Moore, Holmes, Rettie, Allison, MacDonnell, James McDonald, Pineo, Vickery.

NEW BRUNSWICK.—In consequence of the interruption in mail communication with this Province, caused by the extraordinarily heavy snow storms of the last week—only very meagre reports of proceedings since the opening of the session have yet reached us.

The address in answer to the Governor's Speech was passed on Monday, the 4th inst., without a division; but Mr. Willis gave notice that he would move on Wednesday as follows:—

Resolved, That the conduct of the public business of this Province, by the present advisers of His Excellency, has not been such as to merit the confidence of this House.

P. E ISLAND REVENUE.—The revenue of P. E. Island for the past year was £118,668 16s. 11d.

George Kerr, Esq., of Chatham, N. B., has left a bequest of $1600 to the "Kirk," and $2000 to the Presbyterian Church of these Provinces.

The *Canada Gazette* contains a proclamation inviting the people of the Dominion of Canada to observe the fifteenth day of April as one of Thanksgiving for the recovery of the Prince of Wales.

Schr. *Hector* sailed from Cornwallis on the 2nd of February, with a cargo of produce for St. John, and has not since been heard of. She is said to have been unfit for sea. There were four men on board.

FATAL ACCIDENT ON THE RAILWAY.—Matthew Gallagher, an elderly man in the employ of the Windsor and Annapolis Railway Company, while shovelling snow from the track between Mount Uniacke and Beaver Bank, during the snow storm of Tuesday, 5th inst., was run over, and killed by the down train from Windsor.

OBITUARY.—D. B. Woodworth, Esq., M. P. P. for Kings, has been bereaved of a promising child of four years. The numerous friends of Mr. Woodworth throughout the county which he represents, as well as elsewhere, will deeply sympathise with that gentleman and Mrs. Woodworth in their present situation.—*Rep.*

THE WEATHER IN AMHERST.—The *Gazette* of Friday says:—It has been snowing and blowing, with slight interruptions, since Tuesday morning. Most of the roads were passable until yesterday, the mails, excepting those depending on railway communication, reaching here within a few hours of the usual time. We have not seen a railway train since one left here on Tuesday morning, and there is no immediate prospect of one reaching here.

RAILWAY FROM NEW GLASGOW TO LOUISBURG.—In the House of Assembly to-day a bill was introduced by the Hon. E. P. Flynn to incorporate a company to be composed of London capitalists, to build a railway between the above-named places. The distance is about one hundred and eighty miles, and the capital of the company is to be one million pounds sterling, with provision for extending it. Another bill was also introduced giving the necessary Parliamentary powers to the Glasgow and Cape Breton (Nova Scotia) Company, limited, to extend that railway to Louisburg, which, when done, will enable coal owners to ship throughout the year, as the port of Louisburg is rarely, if ever, obstructed by ice.

SUPPOSED SUICIDE.—A man named George W. Smith, who was formerly a sergeant in the 2nd Batt. 17th Regt., who took his discharge in Toronto, since which time he has followed the theatrical profession, was found dead in bed at the Acadian Hotel yesterday morning. As he did not come down to breakfast yesterday morning, Mr. Nichols, when he came home from church, went to his room, the door of which was locked on the inside, and broke it open. On entering he found Smith lying on the bed quite dead, with an empty phial labelled "Hydrat Chl" on the table, and two pieces of paper, each marked "Chl Hydrat," and the word "poison" in black letters. Dr. Farrell held an inquest on the body this afternoon, and Drs. Jennings and Almon conducted a *post mortem* examination. The deceased had travelled over the United States, and bore a very good character among his acquaintances in this city. He came here from Boston, en route to England, to visit a brother at Aldershot Camp.—*Reporter.*

Rev. C. F. Ireland, Lachute, P. L. says, "In using your Pain Eradicator in my family we find that it comprises the rare quality in a patent medicine—of being as good and even better than it is represented to be, it also possesses a very remarkable property, for which we prefer it to all others that is, while relieving pain, it causes no smart or unpleasant sensation and is so gentle that it can be safely given to young children.

THE SABBATH SCHOOL INSTITUTE—Held according to previous notice on Wednesday, Thursday and Friday evenings last week, in the Poplar Grove Presbyterian church, was, considering the somewhat unfavorable state of the weather, well attended. The published programme was well carried out, and the effect must be good.

THE TRAINS.—The snow blockade on the railway continues. The train which left here on Friday for Kentville experienced a snow storm in King's county, and at last accounts remained snowed up at Grand Pre. On Friday a telegram was received at Truro from the blockaded train at Riversdale, stating that the passengers were in want of provisions. Parties were sent out with a supply, but were unable to reach Riversdale. It the freshet of yesterday does not carry away any portions of the track, communication ought to be opened by to-morrow. The obstruction has now continued a week, longer than ever before known in the history of railways in Nova Scotia.—*Chronicle 11th inst.*

The following appointments by the Provincial Government are gazetted:

In the County of Digby—To be Justices of the Peace—Jos. W. Denton and Stephen Westcott.

To be a member of the Central Board of Agriculture, under Chapter 13 of the Acts of 1871—J. J. O'Brien, Esq., of Noel, in the County of Hants.

In the County of Lunenburg.—To be Justices of the Peace—James Hennigar and James McKean.

In the County of Annapolis—To be Masters in the Supreme Court—George Woodbury and J. M. Owen, Esqrs.

INTERCOLONIAL RAILWAY.—An Ottawa telegram of the 27th ult., to the Toronto *Globe*, says:—The Railway Commissioners have awarded contracts for station buildings in Nova Scotia District, as follows: Little Forks Station, to Douglas, Cove & Co.; River Philip station to Rupert P. Donkin; Iron Mines and Debert stations to Leo Perry & Co."

P. E. ISLAND.—The Legislature met for the despatch of business last Tuesday. The latest dates from Charlottetown are up to Friday, 1st inst. At the election on Thursday week for a member to fill the vacancy in the Legislative Council, caused by the death of Hon. G. Beer, Mr. Palmer, one of the strongest opponents of the Government and the Railway was elected.

MIND YOUR OWN BUSINESS.—The subject chosen by the Rev. Mr. Pitblado for his lecture in the Exmouth Street Wesleyan Church last evening, was one which could not fail to commend itself to most of those who have had any experience in the affairs of the world. As a consequence a good audience greeted the speaker, and were edified as well as instructed by the home truths which he embodied in his remarks. Mr. Pitblado is too well known as a popular speaker to require on this occasion among us particular commendation. Suffice it to say the lecture was a success.—*St. John News.*

On Friday the 1st inst., a melancholy accident occurred at the Mills of Hugh Davidson, Esq., of Peticodiac, resulting in the death of a young man by the name of Charles Chesley, of Albert County. It appears that he was caught in some way by the belt on the main shaft, used to turn a grindstone. By his own carelessness he became entangled, and received such injuries that he died in less than half an hour. Medical aid was promptly called but the unfortunate man was past help.—*St. John Telegraph.*

BY TELEGRAPH.

NEW YORK, March 6.—The celebrated Tichborne case suddenly terminated to-day, by the counsel for the claimant announcing that their client had decided, in view of the action of the jury on Monday in saying that they had heard sufficient evidence whereon to base a verdict, to withdraw the cause before the court. After this announcement, the counsel for the defence asked Lord Chief Justice Bovill to issue a warrant for the arrest of the claimant on a charge of perjury, and to fix his bail at fifty thousand pounds. The petition was granted, and Tichborne was arrested on a bench warrant and lodged in Newgate jail.

[From St. John Telegraph.]

CHARLOTTETOWN, March 8.—The Government has been upset by an adverse vote, and the opposition invited to form a Government. This they were unable to do; and now the Government has dissolved the House in order to learn the wishes of the country. It is well known that the railway is a sure thing, the real object of the Opposition being to get rid of the Government, and not, as some pretended, of the railroad. There will be a fierce party contest.

LONDON, March 11.—The Prince and Princess of Wales departed on Saturday for the South of France. They will remain in Paris three or four days before proceeding South.

The "Observer" states that Secretary Fish's reply concerning indirect damages has been received, and expresses the desire of the American Government for a final amicable settlement of the whole question. The "Observer" adds that neither the British nor the American Government are in favor of reopening the proceedings of the Joint High Commission.

Guiseppe Mazzini is at Tirana in the Tyrol, making preparations for a revolutionary invasion of Italy.

SPAIN.—The Paris *Temps* says that the authorities of Seville anticipate a revolutionary outbreak soon, and that measures are being taken to suppress any demonstration.

L'Univers asserts that a revolutionary plot was recently discovered in Madrid, and that several ringleaders were executed.

FRANCE.—A stormy scene took place in the French Assembly on Saturday, and a violent assault was made on M. Thiers by Garand, who said that as M. Thiers had prevented a republic or a monarchy, nothing remained but chaos or Empire.

EDITORIAL NOTES, &c

1. In consequence, we suppose, of the snow blockade our "Leader" from the Contributing Editor is lacking in this week's paper. After waiting for it to the latest hour possible before going to press, we have had to fill up our second page columns as best we could without it. We think however that the page furnishes a good variety of interesting and profitable reading.

2. HALIFAX ANNIVERSAY MISSIONARY MEETINGS.—Suitable sermons were preached on Sabbath on behalf of the Wesleyan Missionary Society, in the city Methodist churches, by the Rev. R. Wasson, of Wallace, and the resident ministers, and in Dartmouth by Rev. Mr. Falconer of the Presbyterian Church. The Rev. W. C. Brown, found it impossible to fulfil his engagement for the Sabbath, on account of the total interruption for a week of communication by railway between Pictou and the city.

The first of the series of anniversary meetings was held in the Grafton Street church, on Monday evening. The chair was taken by the Hon. S. L. Shannon, who delivered a good opening address. The Report was read by Rev. J. Clark, A. M., and excellent addresses were then delivered by Rev. J. A. Rogers, Rev. Mr. Simpson (Presbyterian,) and Rev. R. Wasson.

It will be remembered that the Anniversary meeting is to be held in the Kaye street church on Wednesday evening and in the Brunswick street church on Thursday evening.

NOTE FROM REV. THOMAS ANGWIN.

DEAR MR. EDITOR,—Will you allow me through the *Wesleyan* to present my sincere thanks to the kind brother minister (a real brother in tribulation) for his acceptable donation. It will help toward meeting the expense incident to my affliction. It will also be more valued by me, as it comes from a brother minister whose income is but small at best, though somewhat better than that of a Supernumerary.

For the information of my friends I wish also to say, that, though my injuries are somewhat serious, I am by the blessing of God in an improving state. I was confined to my bed for ten days, but at present am able to sit up a few hours each day.

The promise is still precious, "All things work together for good to them that love God."

It is a rare thing that Physicians give and countenance to a medicine, the manufacture of which is a secret. About the only exception we know of is Johnson's Anodyne Liniment. This, we believe, all endorse, and many of them use it in their practice with great success.

Persons requiring purgatives or pills should be careful what they buy. Some pills not only cause griping pains, but leave the bowels in a torpid, costive state. Parson's Purgative Pills will relieve the bowels and cleanse the blood without injury to the system.

For cramps and pains try Nelson's Rising Sun Liniment. It never fails.

Try your luck by taking one bottle of Collin's Chest Curative for Consumption.

OF THE

Northern Pacific Railroad.

Rapid Progress of the Work!

The building of the Northern Pacific Railroad (begun July last) is being pushed forward with great energy from both extremities of the line. Several thousand men are employed in Minnesota and on the Pacific coast. The grade is nearly completed 266 miles westward from Lake Superior; trains are running over 130 miles of finished road, and track-laying is rapidly progressing towards the eastern border of Dakota. Including its purchase of the St. Paul and Pacific Road, the Nothren Pacific Company now has 413 miles of completed road and by September next this will be increased to at least 560.

A GOOD INVESTMENT. Jay Cook & Co. are now selling, and unhesitatingly recommend as a profitable and perfectly safe investment, the First Mortgage Land Grant Gold Bonds of the Northern Pacific Railroad Company. They have 30 years to run, bear Seven and Three-Tenths per cent, gold interest (more than 8 per cent, currency), and are secured by first and only mortgage on the ENTIRE ROAD AND ITS EQUIPMENTS, and also as fast as the Road is completed, on.

23,000 ACRES OF LAND to every mile of track, or 500 Acres for each $1,000 Bond. They are exempt from U. S. Tax; Principle and Interest are payable in Gold; Denominations; Coupons, $100 to $1,000; Registered, $1,000 to $10,000.

LANDS FOR BONDS. Northern Pacific 7-30's are at all times receivable AT TEN PER CENT ABOVE PAR, in exchange for the Company's Lands, at the lowest cash price. This renders them practically interest bearing land warrants.

SINKING FUND. The proceeds of all sales of Lands are required to be devoted to the re-purchase and cancellation of the first Montgage Bonds of the Company. The Land Grant of the Road exceeds Fifty Million Acres. This immense sinking fund will undoubtedly cancel the principal of the Company's bonded debt before it falls due. With their ample security and high rate of interest, there is no investment, accessible to the people, which is more profitable or safe.

EXCHANGING U.S. FIVE-TWENTIES. The success of the New Government 5 per cent. Loan will compel the early surrender of United States 6 per cents. Many holders of Five-Twenties are now exchanging them for Northern Pacific Seven-Thirties, thus realizing a handsome profit, and greatly increasing their yearly income.

OTHER SECURITIES. All marketable Stocks and Bonds will be received at their highest current price in exchange for Northern Pacific Seven-Thirties. Express Charges on Money or Bonds received, and on seven-thirties sent in return, will be paid by the Financial Agents. Full information, maps, pamphlets, etc. can be obtained on application at any Agency, or from the undersigned. For sale by

Office—106 Prince Wm. Street, St. John, N B.

Office hours from 10 o'clock, a. m., to 4 o'clk., p.m.

THE objects contemplated in the formation of this Society are three-fold, viz, First—To secure to Stockholders a profitable return on their gradually accumulating capital, by its safe investment on real estate. Second—To afford to borrowers facilities for obtaining legitimate loans on the security of their property, and to enable them to repay such loans by periodical instalments spread over a period of ten years. Third—To provide all the advantages of a thoroughly secured Savings Bank system of business, and paying a higher rate of interest than is paid by those institutions.

Shares may be taken up at any time, and matured either by monthly investments or in one amount.

Money is received on deposit, bearing interest at six per cent. per annum, compounded half yearly.

Monthly investments bear interest at six per cent, compounded monthly at maturity. Paid up shares bear interest at seven per cent, per annum, compounded half yearly at maturity.

The attention of the industrious classes of tradesmen, and of professional gentlemen, is respectfully invited to these arrangements. The wealthy classes will find in this Society a thoroughly safe and convenient mode of investing in shares, and one that will relieve them from much anxiety in seeking safe channels through which to make their investments.

This Society confers all the advantages of the Savings Bank, pays a higher rate of interest, with more accommodating terms and equal security.

By order THOMAS MAIN,
m 15 1y Secretary.
