SUGGEST COMMISSION TO STUDY ECONOMIES IN FEDERAL BUDGET

If the federal government cared to appoint a special commission to study possible economies after the fashion of the May Commission of England, the Canadian Chamber of Commerce would be prepared to help select a small committee of outstanding businessmen who would be prepared to act without compensation, according to a let sent to Hon. E. N. Rhodes, ter of finance, a copy of wh been received at the board office.

The chamber was f the economies alrea federal governme but did not been effected sary cons tions. diture only w
