KEYED UP TO FIGHTING PITCH

Kerwin and Bennett Are Ready for Their 15-Round Battle.

An Extra Preliminary Arranged for To-Night's Big Boxing Show in the Mutual-Street Rink—Harry Gilmore Arrives With a Wad to Place on the Chicago Mystery.

A big crowd watched Bennett take light work yesterday in Dan Kelly's gymnasium and all pronounced him faster than on the occasion of his bouts with Leonard and Popp. At 4 o'clock he scaled just under 139, so he will be easily a pound or two under weight this afternoon. Harry Gilmore arrived yesterday morning from Chicago, and, after looking over the Mystery, decided that he would endeavor to get up the wad he brought with him at the best possible price. Kerwin weighed 137 at noon and looked great. In fact, both men look all over like winners, and the greatest battle of many moons is looked for.

When the club officials saw Ready of Hamilton weigh yesterday they were astonished. Before dinner he stripped and turned the beam at 154, or 9 lbs. over weight, so it was decided to put him up against Jack Daly, who consented on the short notice to battle six rounds at catch weights, while Barry will be pitted against Harry Burkhardt, who boxed him a draw at the T. A. C. last winter. Thus, with Godwin and Popp, three preliminaries and the wind-up are on the bill for to-night in the Mutual-street Rink.

Timekeepers Jack Bennett and Jack Tinning will clang the first gong at 8.30 for Popp v. Godwin, five 2-minute rounds, at 400 lbs.; 9 o'clock, Daly v. Ready, six rounds at catch weights; 9.30 o'clock, Barry v. Burkhardt, six 2-minute rounds, at 605 lbs., and at 10 o'clock, George Kerwin of Chicago v. Jack Bennett of McKeesport, 15 rounds, at 138 lbs. All the men weigh in at Pember's Turkish Baths, 129 Yonge-street, at 3 o'clock this afternoon.

Referee Walter C. Kelly of Buffalo wired that he would arrive in Toronto at 4 o'clock this afternoon.

Gans Beat McPartland.

New York, Nov. 4.—Joe Gans, the negro boxer of Baltimore, won a well-earned decision over Kid McPartland of this city before the Lenox Athletic Club here to-night. Although he did not knock McPartland out, Gans outclassed his opponent throughout the entire fight, which lasted the full limit of 25 rounds, and at no time did McPartland get the better of his dusky rival. In the twenty-fourth round Gans knocked the Kid clean off his feet, and the manner in which he stopped and blocked McPartland's rushes stamps him as ranking in the first division of lightweight boxers. Gans has two useful hands, while McPartland has only the left to depend on, as his right is mainly used for blocking and defensive work, rather than administering punishment. The Kid was a pronounced favorite in the betting, as much as 100 to 7 being laid on his chances. A great deal of smart New York money will be brought away to Baltimore by those who pinned their faith and bet their cash on the dusky pugilist.

Ruhlin Beat Choynski.

Philadelphia, Nov. 4.—Joe Choynski narrowly escaped being put to sleep several times to-night at the Arena Athletic Club before the savage onslaught of Gus Ruhlin. Each time he was apparently saved by the bell. The bout was limited to six rounds and was one of the fastest seen here for a long time, Ruhlin forced the fighting throughout, Choynski sprinting to get out of the way, and frequently falling down to avoid a rush. According to the law here, no decision was given.

Around the Ring.

Jack Moffatt, the Chicago middleweight, has been matched to box Charles Goff at Sandusky on Nov. 22, which promises to be a great night for the boxers.

Mysterious Billy Smith and Charley McKeever have been matched to try conclusions in a six-round bout at the Arena Athletic Club of Philadelphia, Nov. 9.

Dick O'Brien of Lewiston, Me., knocked out Dan Murphy of Waterbury in the 10th round of a 20-round bout, before the Palace Athletic Club, Bridgeport, Thursday night.

Profs. Joe Popp and Halfpenny have opened an athletic room in Forum Building, corner Yonge and Gerrard-streets. Their hours for instruction are from 9 a.m. to 10 p.m. each day.

Effort is being made to arrange a match between Eddie Burns of Cleveland and Hiram Goldstein of Buffalo, to take place at Cleveland soon. Goldstein believes that he should have had the fight with Moore the other night at Rochester.

The Chicago Democrat says: George Kerwin has gone to Toronto fin'sh his training for his fight with Jack Bennett of Philadelphia. They fight 15 rounds Saturday night, and if Kerwin wins he will be entitled to a position near the top of the lightweight division. Bennett has the reputation of being the only man to beat Bull McCarthy, the famous trial horse, in short bouts, his victories numbering three, which is decisive of his ability as a fighter. Bennett also bested Charley McKeever and nearly "knocked the block off" Jem Curran, the Englishman.

The referees for the games to-day have not yet been decided on.

The Osgoode Hall players will leave the club rooms for Rosedale at 1.45 p.m.

Varsity has suggested Reddy Griffith of Trinity intermediate team as referee for the game to-day.

The reserved seat plan for the Osgoode Hall-Tiger game will remain open until noon to-day at Wilson's, 35 King west.

The law students will go to the grounds in a drag, leaving the club rooms at 1.45 p.m.

If faithful practice counts, the Tigers will down the black and white this afternoon.

McGill arrived on the 9.40 train last night, bringing up 18 men in the bunch.

The Argonauts think they have a chance to win at Ottawa.

The Argonauts received an invitation from the Ottawa team to a supper at the Russell House to-night.

Pennsy Toe.

Canadian shoe manufacturers say they will have the duty raised so that the big American manufacturers like Geo. E. Keith Co. of Campello can't compete with them.

Let them try.

The gentlemen who buy the Keith $3.50 and $4 shoe to-day would willingly pay $5 for them if they knew they couldn't be sold for less.

There's little profit to the seller in each pair—but the enormous sale makes these little profits profitable.

Just peep at them—they'll captivate you.

RUGBY PROGRAM FOR TO-DAY

Osgoode and Hamilton at Rosedale and Varsity v. McGill.

Argonauts Left for Ottawa Last Night—Upper Canada Plays Ridley This Morning—Other Gossip of the Kicking Game.

A brace of championship Rugby matches are scheduled for this afternoon in Toronto—Hamilton v. Osgoode Hall, in the Ontario Union, and McGill v. Varsity, in the College series. The McGill students arrived last night, and the Tigers will arrive with a big delegation. The Herald said last night: "The team will leave on the C.P.R. special from the Hunter-street Depot at 1.10 p.m., returning will leave Toronto at 7 p.m. For the benefit of those who are going down to the match, and intend remaining over for the boxing entertainment, the Grand Trunk has named a rate of 70 cents for the round trip, good for a week. The 12.40 p.m. train, leaving the Stuart-street Station, will be held until 1 o'clock to-morrow afternoon, and, returning, will leave Toronto at 11.15 p.m."

The Tigers the past few days have done good work under the direction of Jack Counsell. The team for to-day will be pretty strong, and should give Osgoode the small end of the score. It is expected that a good crowd of supporters will go down with the team on the C.P.R., leaving Hunter-street Station at 1.10, says the Hamilton despatch.

Although Fox has said he would not play, the management will make a special effort to get him, and is depending on him for quarter. Should he not be able to go, White will take his place.

Osgoode or the Tigers.

The Legalites and the Hamilton Tigers meet at the Rosedale grounds to-day for the last time this season, and the result of this match will decide the second place in the O.R.F.U. championship. The Osgoode team have been greatly strengthened since the last meeting with the Tigers, two weeks ago in Hamilton, and they feel fully confident of winning to-day. Hamilton will arrive about 1 o'clock to-day:

Osgoode—Back, McGee; halves, Burns, Gleeson, Kingsmill; quarter, Reid; scrimmage, Micheil, Wilson, Lamoche; wings, Kingston, Smyth, Duggan, Parmenter, Bradley, Kent, Jellett; spare, Wadsworth, Hutchins, Henderson.

Hamilton—Back, Kilvert; halves, DuMoulin, Wylie, Kerr; quarter, White; scrimmage, Freeborn, Hinch, McCarthy; wings, Barry, Tracy, Martin, Dewar, Marshall, Dare, Balls.

Varsity and McGill.

The University Athletic field will present an animated scene to-day, when Varsity, who have won every game this season, and McGill, who have lost only to Varsity, and that by a narrow margin, will meet in what will doubtless prove a battle royal. The new grounds are admirably and conveniently situated, and a good, comfortable grand stand is ready to receive the enormous crowd that will doubtless turn out to see this championship match. The McGill supporters have come up in good force, and will do their best to cheer their pets to victory. A portion of the stand will form their citadel, while Varsity will have its Morro Castle in another part. This is a new idea in Canadian football, and will, no doubt, present an animated scene, with the opposing supporters gaily decorated with colors and greeting each good play of their own team with college yells. It is safe to say the game to-day will be one of the prettiest and best games of the season, as both teams play open ball, and are in grand condition. The ball will be put in play at 2.30 p.m. All Varsity students are requested to meet at the Gym. at 2 p.m. sharp to march in a body to the grounds. The plan of grand stand reserved seats will close at noon at Harold Wilson's. The following are the men in their positions:

McGill—Back, Grace; halves, Sutherland, McLea, Molson; quarter, Young; scrimmage, Hall, Bond, White; wings, Alley (captain), Fraser, Duffy, Trenholme, Turner, Sparrow, Ogilvie; subs, Robertson, Glassco, McKay, Todd.

Varsity—Back, Beal; halves, Hills, McKenzie, Boyd; quarter, Biggs; scrimmage, Hall, Sanderson, Gibson; wings, McKenzie, Hunt, Burnside (captain), Harris, Armour, Blackwood, Darling; subs, Waldie, Davidson, Meredith, Telford, Ansley, Staley, McArthur, Armstrong.

Rosedale's Golf Team.

The following players will represent the Rosedale Golf Club against Hamilton on the Rosedale links this afternoon at 1.30 o'clock: George S. Lyon, Vere Brown, John Dick, Dr. F. Hood, James E. Baillie, R. S. Strath, G. H. Muntz (captain), C. Robin, G. H. Moss, John Hutchison, W. Morse, V. Robin; spare men, L. Clark and Rowbotham.

The betting on the Osgoode-Tiger game is at evens.

The Legalites should have played Chip Reid at quarter earlier in the season.

Things move quickly in '98.

A man must think harder and act quicker than his father did if he would make half the money he did.

Time was when a merchant could sit on his goods and grow up with the country.

To-day we must not only keep pace with the procession, but must lead it in some particular direction.

Our fathers believed that a new business should learn to creep before it tried to walk.

To-day a new business must run from its natal day, or be trampled over by those which can run.

Short cuts to success are necessary, but only a few dare take them.

This store is typical of a new era in merchandising, and has gone out of the beaten paths for its market.

Its large success has been due first to its labor saving and space saving equipment, by which three times as much goods can be carried and sold in the same amount of space at one-third of the ordinary expenses.

Its fixed price system, absolutely cash basis, and low cost of production, are what render it possible to tell the best Tailored garments at half the best Tailors' prices.

SONGER ON SISTER FOX.

Toronto Jockey Landed Winner by a Nose—Wordsworth Runs Third.

New York, Nov. 4.—Form again predominated at Aqueduct to-day, four favorites being first past the judges. Continental was selected as the favorite in the first race, at 1 mile and 40 yards. He went out to make the running and led the way to the stretch, when Leondo and Doggett passed him, and in a hard drive Leando, the second choice, won by a head. The fourth event furnished the best race of the day, as Sister Fox, Village Pride and Bessie Taylor finished heads apart in the order named. Summary:

M'EACHERN'S HOUR MARK.

Rode 22 Miles 1056 Yards at Rosedale — A New Record for Canada.

On the Rosedale track yesterday afternoon, Archie McEachern rode the fastest unpaced hour ever ridden in Canada, making a new record of 22 miles 1056 feet in the hour, finishing in good shape. The day was an ideal one for the trial, although there was a slight wind blowing up the track, which was rather rough, but this did not hinder McEachern from making a first-class record. Besides, he has the honor of riding the first unpaced hour in Canada. McEachern used the Ramsay swinging pedals in the trial. The timers were: A. Boake, W. Hunter, A. Frankie, F. A. Moore, F. Rutland and the C.W.A. official timer, Joe Doane. The following is the time by miles: One mile in 2.27; 2, 5.01 3-5; 3, 7.35; 4, 10.12 2-5; 5, 12.48 1-5; 6, 15.26; 7, 18.02; 8, 20.43 2-5; 9, 23.27.

10 miles in 26.09; 11, 28.51 2-5; 12, 31.32 2-5; 13, 34.12 2-5; 14, 36.56 4-5; 15, 39.37; 16, 42.16; 17, 44.50 3-5; 18, 47.30 2-5; 19, 50.11 4-5; 20, 52.55; 21, 55.38 2-5; 22, 58.24 2-5.
