AT a special meeting of the Caledonian Club, held in their rooms last evening, it was decided to have the annual St. Andrew's dinner at the Osborne House, on Thursday, the 29th inst.

OUR city subscribers, who have not otherwise been notified, will be called upon, within the next few days, by a representative of this office. We trust they will all be prepared to settle their little bills without delay.

MR. MICHAEL DEVEREAUX, of New Haven, brought a carcass of pork to market yesterday that weighed seven hundred and twenty pounds. Mr. Rattenbury bought this huge porker for eight cents a pound. Who can beat that?

THE *Dominion Illustrated* for November 3rd contains engravings of Sir. A. P. Caron, Minister of Militia, the "Rocking Stone," near Halifax, the "National Steps" on the Montmorency, near Quebec, "Mountains at Donald," B. C., "Bank of Toronto," and several others of much interest. The literary department as usual is well supplied with interesting matter.

ON Sunday, the 28th Oct., Right Revd. Louis Nazaire Begin, of Quebec, was consecrated Bishop of Chicoutimi, P. Q., by His Eminence Cardinal Taschereau, in the Basilica, Quebec. There were a large number of bishops, priests and ecclesiastics present. Among those who took part in the service was Revd. John McMillan, ecclesiastic, of Grand River East, in this diocese, who officiated as deacon of office.

WE sometimes have papers returned to us, without knowing whence they come. Now, postmasters are, or should be, supplied with proper forms, for business of this kind, and any postmaster who would permit papers to be returned, through his office, unaccompanied with the usual form indicating the office whence it comes and the reason of its return, is either ignorant of his duty, or knowing it, is unwilling to perform it.

DURING the gale of Sunday last a boat fourteen feet keel, occupied by two men, left Squirrel Creek, on Malpeque Bay, at five o'clock in the morning, and arrived at Indian River Creek about nine o'clock, the distance being upwards of twenty-four miles. So rough was the water that one man was kept busy bailing the boat. On their way they passed one sunken boat and saw several others that were dismasted, thus giving evidence of the violence of the storm.

THE steamer *Carroll* arrived here from Boston last evening with the usual cargo and the following passengers: Mrs. Scott, Miss Ethel Scott, Miss Rosa Churchill, Miss Annie Kelly, Miss Edith Binns, Mrs. J. F. Crockett and two children, Mr. J. McQuarry and wife, Mr. Arthur Kelly, Miss Mary McLeod, Mrs. Mahon, Mr. J. C. Burrows, Mr. P. Finlay, Mr. J. Paterson, Mrs. E. McDonald, Mrs. Auld, Mr. A. McDonald, D. J. McGillivary, M. McLeod, J. J. Regan, Geo. Taylor, D. McMillan, D. Potter, J. Stewart, W. J. Houston, R. Bennet, W. McEwen, J. McNeill, J. Stewart, E. C. McVae, C. F. Freeman, S. Phelan, G. Creed, A. Simpson, A. C. Downing, Mrs. A. M. French, Miss W. C. Batchelder, Miss Emma Crokin.

A VERY sad affair happened near Summerside on Thursday evening last, resulting in the death, by drowning, of Peter Murphy, of Sea Cow Head. He had been in Summerside on Thursday, and started for home in the evening in a row-boat. On his way he must have met with an accident by which his boat was upset, and the unfortunate man thrown into the water. It is said that Captain Walsh, Lighthouse Keeper in Summerside Harbor heard him for the space of four hours, shouting for help, and calling Captain Walsh by name. Now if this is so, it is strange the Lighthouse Keeper did not go to his assistance, for it was a calm night, and the keeper has a good boat and such other appliances as are necessary in cases of this kind. If we mistake not Lighthouse Keepers are expected to render assistance in cases of accident, so long as their own lives are not in danger. The unfortunate man's boat, together with several articles which he took from Summerside, was found near Fifteen Point on Saturday morning.

## Local and Special News.

Constant Coquelin, a French actor, and Jane Hading, a French actress, arrived with their company at New York last week.

DEAFNESS CURED.—A very interesting 132 page Illustrated Book on Deafness. Noises in the head. How they may be cured at your home. Post free 30c.—Address Dr. Nicholson, 30, St. John Street, Montreal.—Oct. 10, 1888.—1y

The great exhibition in Paris will open on the first of February, next year.

FITS.—All Fits stopped free by Dr. Kline's Great Nerve Restorer. No Fits after first day's use. Marvelous cures. Treatise and $2 trial bottle free to Fit cases. Send to Dr. Kline, 931 Arch Street, Philadelphia, Pennsylvania. Oct. 24, 1888. 1y

There will be an astronomical observatory on the top of the one thousand feet tower in Paris, for observing the celestials. It will be ready for the opening of the great exhibition, which takes place on the first day of February, next year.

CURED BY R. R. WHEN ALL ELSE FAILED.—Mr. Samuel Allan of Lisle, Ont., states that he tried all the doctors in his locality while suffering for years with Liver and Kidney trouble; nothing benefitted him until he took Burdock Blood Bitters, four bottles of which cured him.

A German spy was sentenced to five years imprisonment in France, last week, for stealing Lebel rifle cartridges.

VALUABLE TO KNOW.—Consumption may be more easily prevented than cured. The irritating and harassing cough will be greatly relieved by the use of Hagyard's Pectoral Balsam that cures coughs, colds, bronchitis and all pulmonary troubles.

General Boulanger's daughter was married to Captain Driant of the French Army, in Paris, last week. Captain Driant is twenty-eight years of age.

AMONG THE INDIANS.—"While my husband was trading in furs he came across an Indian who was taken to his lodge to die. He had inward pains and pains in all his limbs. He gave some Yellow Oil internally and applied it externally, and cured him. It also cured my husband of rheumatism, and I find it valuable for coughs and colds, sore throat, etc." Mrs. A. Beaaw, Cook's Mills, Serpent River, Ont.

The peasants of Russia call the engine of a railway train "the evil one."

THE MODUS OPERANDI.—The mode of operating of Burdock Blood Bitters is that it acts at once and the same time upon the Stomach, Liver, Bowels, Kidneys and the Blood, to cleanse, regulate and strengthen. Hence its almost universal value in Chronic Complaints.

A QUARTER OF A CENTURY.—For more than twenty-five years has Hagyard's Yellow Oil been sold by druggists, and it has never yet failed to give satisfaction as a household remedy for pain, lameness and soreness of the flesh, for external and internal use in all painful complaints.

The Czar of Russia nearly lost his life last week by a railway accident. Twenty-one persons lost their lives by the same railway accident.

A RARE COMBINATION.—There is no other remedy or combination of medicines that meets so many requirements, as does Burdock Blood Bitters in its wide range of power over such Chronic diseases as Dyspepsia, Liver and Kidney Complaint, Scrofula and all humors of the blood.

The Arab who invented alcohol nine hundred years ago, is dead, but his spirit still lives.

C. C. RICHARDS & Co.

*Gents,*—My daughter had a severe cold and injured her spine so she could not walk, and suffered very much. I called in our family physician; he pronounced it inflammation of the spine and recommended MINARD'S LINIMENT to be used freely. 3 bottles cured her. I have used your MINARD'S LINIMENT for a broken breast; it reduced the inflammation and cured me in 10 days. I would recommend it to all ladies who are suffering from the same severe trouble.

Hantsport. MRS. F. SILVER.

Mr. Williamson, the Quaker, of the city of Philadelphia, State of Pennsylvania, has bequeathed twelve million dollars for institutions for boys.

As soon as you discover any falling of the hair or grayness always use Hall's Hair Renewer to tone up the secretions and prevent baldness or grayness.

Mr. Hand, of the city of New York, has bequeathed one million dollars for institutions for the colored people of the Southern States.

The consciousness of having a remedy at hand for croup, pneumonia, sore throat, and sudden colds, is very consoling to a parent. With a bottle of Ayer's Cherry Pectoral in the house, one feels, in such cases, a sense of security nothing else can give.

General Saussier, who is the Governor of Paris, would not allow the officers of the Army and Navy to be present at the wedding of General Boulanger's daughter.

It was once supposed that scrofula could not be eradicated from the system; but the marvelous results produced by the use of Ayer's Sarsaparilla disprove this theory. The reason is, this medicine is the most powerful blood-purifier ever discovered.

Justin Huntley McCarthy, M. P., son of Justin McCarthy, M. P., has composed a new play. It is called "The Wife of Socrates."

More cases of sick headache, biliousness, constipation, can be cured in less time, with less medicine, and for less money, by using Carter's Little Liver Pills, than by any other means.

The presidential election in the United States took place yesterday.

They make one feel as though life was worth living. Take one of Carter's Little Liver Pills after eating; it will relieve dyspepsia, aid digestion, give tone and vigor to the system.

Visitor—You have been unfortunate, my friend. Convict—Well, I dunno. I robbed a bank of $20,000 and only got three years for it. That's more money than you can make in three years.

All cases of weak or lame back, backache, rheumatism, will find relief by wearing one of Carter's Smart Weed and Belladonna Backache Plasters. Price 25 cents. Try them.

Ethel (shuddering)—"How the trees moan and sigh to-night?" Bobby (speaks whereof he knows)—"Well, I guess you'd moan and sigh if you were as full of green apples as they be."

When Baby was sick, we gave her Castoria,
When she was a Child, she cried for Castoria,
When she became Miss, she clung to Castoria,
When she had Children, she gave them Castoria.

"Pop," asked the small boy, "what is the meaning of synonymous?" "Synonymous, my son, is a word used in trade and tariff reform," promptly replied the father without looking up from his paper.

**For Rickets, Marasmus, and all Wasting Disorders of Children**

*Scott's Emulsion of Pure Cod Liver Oil, with Hypophosphites*, is unequaled. The rapidity with which children gain flesh, strength upon it is very wonderful. We have used Scott's Emulsion in cases of Rickets and Marasmus of long standing. In every case the improvement was marked.—J. E. MAYS, M. D., New York. Put up in 50c and $1 size.
