PORT BURWELL WANTS THE C. P. R.

A Rumor That Harbor Will Be Abandoned Causes Great Excitement and Much Resentment.

A FIGHT TO BE PUT UP

Boards of Trade of Many Places To Be Appealed To to Stop Any Move Being Made Toward Port Stanley.

(By Our Own Man.)

Port Burwell, Ont., Aug. 25.—The village is not going to sit idly by, and allow Port Stanley to take away the car ferry and other traffic sure to follow if the C. P. R. goes to Port Stanley.

Since the first rumors were heard that the C. P. R. would abandon Port Burwell harbor, the Board of Trade of this village has been busy, and they will present a strong claim for recognition.

Boards of Trade in cities connecting with Port Burwell have been communicated with and many have agreed to lend their support. Ingersoll, Woodstock, Galt, Tilsonburg and other places are much averse to the removal of the coal ferry from Port Burwell, as it means much to them in the way of coal freight rates.

A number of members of parliament have been interviewed, with a view of bringing pressure to bear upon the Government to build a breakwater at Port Burwell that will effectually prevent the sand bar forming in the mouth of the harbor.

Certain of Success.

Mr. M. C. Schell, M. P. for South Oxford, Mr. Harris, Ingersoll and others have taken an interest in the question, and it is stated by a number of Port Burwell residents that they are certain of success.

"The Government is calling for plans for a $250,000 addition to the Port Burwell harbor," said a prominent member of the Board of Trade of Port Burwell to The Advertiser today. "If they go ahead with that work, the harbor will be as good as any in the Province. We are going directly to the Government to see that we get our rights, and I am confident that we can succeed. We have Ingersoll, Woodstock, Tillsonburg, Galt, and other places at our back. Stratford will also assist us in the near future, as they will be connected with the C. P. R. I do not think we will arrange for a meeting with Hon. Mr. Pugsley just yet, but will wait until we further mature our plans and then we will go after him and the Government. We are convinced that the C. P. R. will never abandon Port Burwell, but we are going to make it certain."

A New Radial.

It is also rumored here that Mr. John Teal, who is promoting a railway from Burwell to London, through Aylmer, has the proposition financed and that work will be commenced shortly.

Mr. Teal is at present in the United States, but the information that the money is up for the road comes from a close friend.

A definite announcement is expected shortly.

Then use Duffy's Pure Malt Whiskey. It brings health and strength to everyone along life's pathway. It aids digestion, stimulates and enriches the blood, invigorates the brain, builds nerve tissue, tones up the heart, fortifies the system against disease germs, makes the old feel young, and prolongs life.

Thousands of men and women who have reached the four-score mark tell the same story about what Duffy's Pure Malt Whiskey has done toward renewing their youth and keeping them vigorous, hale and hearty and in possession of all their faculties.

Mr. A. H. Jordan, of Cuba, N. Y., has lived a strenuous life, but he is strong, vigorous and active at 84 years of age. Recently he wrote:

"I use Duffy's Pure Malt Whiskey regularly, and think there is no better medicine for old people in their declining age. A few months ago there was published a little history of my early life as the oldest man now living in the town of Cuba, N. Y. I have lived a strenuous life, in earlier days following the river on lumber to Pittsburg and Cincinnati and hunting all over the northern part of Pennsylvania."

FLAMES SPREAD FROM FORESTS

The Town of Flora, Oregon, Is in Ruins—Communication Cut Off.

W. WASHINGTON ABLAZE

Revised Lists of the Dead and Missing Show Little Diminution.

Portland, Ore., Aug. 26.—The town of Flora, Ore., has been destroyed according to reports from Asoten, Wash., last night. The flames came from the forests on the south side of the Blue Mountains. The town is in ruins and its 400 inhabitants homeless. Communication is cut off.

Revised Death Lists.

Spokane, Wash., Aug. 26.—Following is a revised list of the number killed in Idaho, Montana and Washington forest fires last Saturday and Sunday: United States forest employees, Idaho and Montana, 100; settlers and firefighters, St. Joe Valley, Idaho, 50; at Newport, Wash., 4; at Wallace, Idaho, 3; at Mullan and Spokane, 3; total, 160.

The Missoula forest officials' list of 79 employees omits 21 killed at the Bullion Mine, Montana, and on the big fork of the Coeur d'Alene.

The Missing.

Negro soldiers, near Avery, Idaho, 4; Ranger Halds' party, head waters of St. Joe, 15; forest employees in St Joe Valley, 25.

Reports received today by Supervisor Weigle at Wallace, concerning the number of dead forest employees did not agree with that obtained at Missoula. Reports to Wallace indicate that of Ranger Hollingshead's 60 men on Big Creek 14 bodies have been found and the other men are missing.

Of 60 men on Setzer Creek, 48 bodies have been found, and five men are missing. These 60-two deaths of forest employees, added to the 21 deaths at the Bullion Mine and on the big fork of the Coeur d'Alene and the deaths in Montana and various Idaho crecks, would bring the total number of deaths in the service up to 100.

West Washington Ablaze.

Seattle, Wash., Aug. 26.—Within the last 48 hours forest fires of serious proportions have broken out in all sections of western Washington tonight. Fanned by a strong northwest wind, the fires have spread with alarming rapidity and the state forest rangers and the patrols of the lumbermen's associations have been impressing all available men to aid in combatting the flames.

TO BRIDGE GAP

Ottawa, Aug. 25.—The National Transcontinental is applying to the railway commission for running rights over the C. N. R. through the city of Winnipeg to link up the line east and west of that city, pending the building of its own cross-country route.

The case will be heard here Sept. 12.

The N. T. R. intends to carry a large part of the western grain, hence the desire temporarily to bridge the gap.

DISASTROUS FIRE IN WELLANDPORT

Business Section and Several Residences Destroyed—Had No Fire Protection.

Dunnville, Aug. 25.—About 4 o'clock this morning a disastrous fire visited the village of Wellandport, twelve miles from here, completely wiping out the business section and five residences. The origin of the fire is unknown.

The postoffice, James Gorring's store and house, and A. Ricker's house and barn were completely gutted. Several other houses and barns were also destroyed. Much live stock was lost. Most of the losses were covered by insurance.

Wellandport has no fire protection, and is cut off from help, there being no railroad near.
