CANADIANS SKI-JUMPING EVENTS HELD AT OTTAWA

Alex. Olesen Does 125 Feet and Wins Senior Amateur Championship.

OTTAWA, March 7.—The Canadian amateur ski jumping championships were decided at the Rockcliffe chute Saturday afternoon in the presence of their Royal Highnesses the Duke and Duchess of Connaught. The Montreal Ski Club was well represented, but none of the other outsiders showed up. Alex Olesen won the senior championship, with a jump of 125 feet. This forms a record for the city. Adolph Olesen, with 118 feet, was second, and R. Green, of Montreal, third, with 112 feet. In the long standing jump, Alex Olesen was again a winner, covering 118 feet. Hans Khil was second, and R. Green, of Montreal, third. Montreal made a sweep in the intermediate event, W. Denman being first, with 281 points, W. Lovell second, T. Pickering fourth, and T. Tollensen fifth. Joe Morin was the only Ottawa man to get in the prize list in this event. He finished third. In the cross-country run this afternoon, Adolph Olesen was the winner.

WOODSTOCK LADIES WON FROM WESTON HOCKEY TEAM

Mrs. Moyer and Miss Nesbitt Starred for Woodstock, and Miss Hutchinson for Weston.

WOODSTOCK, March 7.—Woodstock ladies' hockey team added another victory to their credit on Saturday night when they defeated the Weston Bloomer Girls at the local arena by a score of 4 to 0. The game was witnessed by a crowd of three or four hundred people and proved to be an interesting game throughout. Woodstock had the edge on the visitors at all stages, and the Weston defence was forced to work overtime to stop the rushes of the local forwards. Miss Hutchinson, playing left wing for Weston, gave a splendid exhibition of stick handling, and was easily the star of the Weston team, while Mrs. Moyer and Miss Nesbitt were the pick of the home aggregation. The defeat of the Weston team was the first in eight games played. The line-up:

Weston	Position	Woodstock.
Miss Hollingshead	Goal	Miss McKay
Miss Smith	R. def.	Miss Meeking
Miss Schnowsky	L. def.	Miss Levan
Miss Coulter	Rover	Mrs. Moyer

MONACHS EASILY BEAT EDMONTON ESKIMOS 9—3

REGINA, March 6.—Not counting the thirteenth goal, scored as the gong for time sounded in the timer's box, the score of the first of the two elimination games between Monarchs, of Winnipeg, Manitoba champions, and the Edmonton Eskimos, here tonight, was 9 to 3, in favor of the Monarchs. This is official. As for the merits of the game, considering the condition of the ice, it was not as bad as it might have been, but the Allen cup will take better hockey than either team showed at any stage of the game.

O.H.A. SUSPENDS SENIOR CHAMPS

Secretary Hewitt Declares That Victorias Are Not Representing O. H. A. For Allan Cup.

Toronto, March 8.—Toronto Victorias, O. H. A. champions, defied the O. H. A., and in face of the association's instructions not to play at Melville for the Allan cup, did so and stand suspended. They no longer represent the O. H. A. at Melville, and the second game will not be for the Allan cup, because the O. H. A. has withdrawn its challenge. Victorias do not represent the O. H. A. and are in Melville as an individual club.

Nevertheless, if Victorias win the second game at Melville, there is not the slightest doubt but that the Canadian Association, presented by two western men as officers, will give them the trophy to defend.

Manager Read, of the Victorias, makes the plea that they spent some $1,500 on the trip, and were brought face to face with the alternative that they must play Melville for the Allan cup or back home without any exhibition games to reimburse them, either in Winnipeg or elsewhere.

They claim that the Canadian association officers assured them protection, and announced that the vote of the provincial associations by wire stood 5 to 1 in favor of the one-month's residence rule in Melville.

Secretary Hewitt, of the O. H. A., made the following statement this morning:

"The challenge for the Allan cup was sent in under the Canadian Association rules, which provides that all players be eligible under those rules. Melville were declared holders of the cup after this challenge had been sent in. At once the O. H. A. protested against both them and Fort William playing men who could not qualify under the three months' residence rule, as provided in the Canadian Association laws.

"Secretary Robinson, of the Canadian Association, declared Melville eligible under the Saskatchewan rules, which demanded one month's residence only. He claimed that the Canadian Association rule of three months' residence was not retroactive.

"The O. H. A. contends that the three months' residence rule, passed by the Canadian Association, was to go into effect at once, and stand for this year. This was the ruling demanded by the O. H. A. at the Canadian Association meeting.

"The O. H. A. protest against Melville was refused, because it was claimed that fifteen days' notice had not been given.

"The vote of the provincial associations taken by Secretry Robinson was announced as 4 to 1 against the O. H. A. in favor of the one month's rule interpretation. These four votes were all western. The Intercollegiate and the Quebec bodies were either not asked to vote or the result was announced before they had sent their views.

"Secretary Crow, of the Canadian Athletic Union, the O. H. A., the Intercollegiate and the Quebec representatives at the Canadian association meeting, all understand that the three months' residence rule went into effect as soon as it was passed.

"The Victorias had arranged to go west, win or lose, before they had won the O. H. A. championship. The O. H. A. warned them not to go, and they understood thoroughly that they were not to play Melville for the cup. Their instructions when they insisted on going were that they were to wait at Winnipeg until they received word from the O. H. A.

"The O. H. A. challenge was under consideration as to rules and under the strictest interpretation."

WASHINGTON PINS HOPES ON CARRANZA

Indications That He May Accept Aid Offered to Mexico City.

[Canadian Press.]

Washington, March 8. — American Government officials pin their hopes for an early improvement of conditions in Mexico City on Gen. Carranza. There were indications, it was said today, that he might instruct Gen. Obregon, in command at the capital, to accept aid proffered by an international committee, which has made up a relief fund and asked for transportation facilities necessary to bring supplies into the city.

Administration officials make no effort to minimize the gravity of the situation, although they do not regard it as altogether hopeless. Talk of some form of allied intervention continued in diplomatic circles today.

PATRICK WILL INSIST ON WESTERN OFFICIALS

VANCOUVER, March 7.—Frank Patrick, president of the Pacific Coast Hockey Association, announced today that he would insist on the appointment of western officials for the world's series this month. He has submitted the names of Tommy Phillips and Skinner Poulin to the hockey officials. The dates fixed for the games are March 23, 24 and 26, and alternate nights if further play is necessary.

THE FUNNIEST PLAY I EVER SAW

And, What's More, Ty Cobb Says This Is the Funniest Thing He Ever Saw Anywhere.

[BY TY COBB.]

Outfielder, Detroit Tigers, Considered the Greatest Player in Game.

The funniest thing I ever saw or heard in my life happened on the ball field at Philadelphia. It was during a game between the Athletics and Detroit, in 1908, and in those days a game between those teams meant a battle for blood.

We arrived at Philadelphia with the team crippled, because Davy Jones was sick, and Jennings was forced to send George Mullin, our great old pitcher, to the outfield. You know, George could play the outfield and hit along with any of them, and probably had he chosen to be an outfielder instead of pitcher, he would have been one of the best.

George and Tommy Connolly, the umpire, never got along very well, because George always was kidding him, and that day Connolly was working back of the bat. On the old Athletic grounds was a bell that hung from the stand in right field, and was used to start the games.

It was a hard game, and along in the seventh inning a foul tip hit Connolly on the ankle, and he fell to the ground. He was badly hurt, for such blows hurt a man more than he will admit.

Everyone ran up excepting George, who dashed for the bell and commenced clanging it—one, two three—counting Tommy out.

The players and the crowd commenced to laugh, and Tommy, hearing the bell, forgot all about his injury. He jumped to his feet, chased clean out to first base, and put Mullin out of the game. He did not speak to George for five years, but finally they made up, and are good friends now.

Even Shaughnessy Says He Will Adhere to Limit

[Special to The Advertiser.]

ST. THOMAS, March 7.—Local men, who attended the Canadian League meeting at the Prince George Hotel, Toronto, Friday, comment on the businesslike manner the different club executives talked over the affairs of the league, and the apparent willingness to get back to sane and economic methods of conducting their ball clubs. That the players had not only been getting all the gate and grand-stand receipts in former years, but a substantial slice from the private pockets of the gentlemen interested in the various clubs, was the outstanding fact forthcoming from the magnates. The honest purpose of those present to prevent such a state of affairs existing hereafter, is shown by a statement elicited from the new president of the London club, Colonel Sommerville, who is a gentleman, tried and true—I positively declare that the London Tecumsehs secretary-treasurer will get a check signed by me for $1,400, the salary limit, each month to pay the players, and not one cent more.

Ex-president Sam Stevely good-naturedly twitted Frank Shaughnessy by saying: "If Shag would not be so terribly determined to win the pennant every year, the other clubs would be helped in sticking to the salary limit." The big Ottawa manager said he'd take the "word in season, sir," and declared he would line up to the agreement in 1915, if his team finished on the bottom. "It is the only way our organization will flourish," commented Shag.

Another Revival of a Story That's Musty With Age

Dispatch Says International Hockey Circuit Including London May Be Formed.

DULUTH, Minn., March 7.—Initial steps toward the organization of an international hockey league were taken here Saturday by Dr. H. K. Stevens, manager of the athletics at Western University, of London, Ont., and J. H. MacGregor, of the Duluth Curling Club.

Detroit, St. Paul, Cleveland and Duluth, on the American side, and Hamilton, Toronto and London, Ontario, with one other Canadian team to represent the Dominion, were given as the probable line-up. A meeting of the directors of the local club will be called early this week to act upon Dr. Stevens' proposition.

WESTERN U. BEATEN AT DULUTH SATURDAY

Chapman Let in Three Easy Chances in the Second Half After Teams Were Tied.

[Special to The Advertiser.]

Duluth, March 8.—Western University lost to Duluth in the second game here Saturday night, the score being 7 to 4. The London team played a much better game than on the previous night and but for poor goal-keeping by Chapman, would have won the game. At one stage they were leading the locals by two goals. McAvoy, the University star, was forced to retire in the second half and Phillips replaced him. The team did not work nearly as good without McAvoy. Edwards was the chief star, getting three goals. He and Ritchie showed a lot of speed and back checking ability. Chapman let in three pretty easy shots in the second period, and gave Duluth that much margin on the visitors. Both teams played strong hockey in the last ten minutes of the game.

The teams were:

Western U.	Position.	Duluth.
Chapman	Goal	Nicholson
Ross	Right defence	Linder
Morenz	Left defence	Brogan
McAvoy	Rover	Mahan
Ritchie	Centre	Mohan
Arthurs	Left wing	Wellington
Edwards	Right wing	Olson

Referee—Crasswell, of Duluth.

CHURCH LEAGUE WINNERS WILL PLAY OFF TONIGHT

The first game in the play-off series of the Interdenominational League will be played at Simcoe street rink tonight, St. Andrew's and Wellington Street being the contending teams. Both teams are fast and well-balanced, and the game should be a real hockey battle. The winner will play McCharys, of the Manufacturers' League, for the city championship. The teams will line up tonight as follows:

St. Andrews—Groshow or McLean, goal; MacRoberts, right defence; Logan, left defence; Elliott, rover; Slater, centre; McGeoch, left wing; Gray, right wing.

Wellington street—Bugg, goal; Southcott, right defence; McCormick, left defence; McBurney, rover; LeSeuer, centre; Delaney, left wing; Pirie, right wing.

Referee—C. Armstrong.

ANOTHER DISCOVERY BY THOMAS EDISON

This Time It Was a Blaze in His Own Great Plant.

[Canadian Press.]

West Orange, N. J., March .—Thomas Edison, at work in his laboratory after last midnight, discovered a fire in one of the buildings of his great plant here, and summoned the firemen in time to prevent what might have been a serious loss. The fire practically destroyed a building where the most valuable phonograph records were stored, but most of the records, which were in a concrete vault, were saved.

WILL HE COME BACK?

There will be a come-back in the person of Louis Chevrolet in the 500-mile auto race at Indianapois, Memorial Day. Chevrolet is one of the most sensational drivers in the game, but has not competed since the 1910 Vanderbilt, in which he capsized and was thrown about 60 feet, but escaped without serious injury.

TORONTO VICTORIAS TIED MELVILLE TEAM

Despite Orders of O.H.A. They Played for Allan Cup.

GAME WAS WHIRLWIND

Gordon Meeking Scores Seven Out of Eight Goals for Toronto Team.

MELVILLE, Sask., March 6.—Playing whirlwind hockey all the way, the Toronto Victorias, winners of the O. H. A., and the first contenders for the Allan cup, held the Melville team to an 8 to 8 tie in the first game of the series played here tonight.

Sensational work by the Mackenzie brothers was the feature of the game, and time and again either Harry or his brother Billy brought the spectators to their feet with dazzling end to end rushes. The work of Gordon Meeking, at centre, for the Toronto team, was a revelation to the Melville fans. He was always in front of the net, and netted seven of the eight goals scored by his side.

The Melville players, man for man, were faster than the Toronto team. The Melville players cut loose with a rally that swept the Toronto players off their feet in the opening of the second half, and it was only the steady work of McGiffen in goal that stopped them from piling up a big lead in this part of the game. The Melville team, however, faded, and towards the finish of the game it was the Toronto players that were taking the initiative. With only two minutes to go, Gordon Meeking netted the puck, making the score 8 to 7 in favor of Toronto. At this stage it looked as if they must win the game, but the Melville team, headed by the brilliant Mackenzie brothers, came back with the necessary evener, just before the final bell rang.

The game was played under western rules, which seemed to bother the Toronto players somewhat.

The line-up:

Toronto.		Melville.
McGiffen	Goal	Smith
Gouch	Point	McCutcheon
Jefferman	Cover	Callin
Stephenson	Rover	H. Mackenzie
G. Meeking	Centre	Mullins
Aird	L. wing	B. Mackenzie

STRATHROY CLUBS TO PLAY CURLING MATCH

STRATHROY, March 7.—The Progreds' Club have issued a challenge to the Brownie Club to play a bonspiel this week at the curling rink. The losing club is to provide an oyster supper. There is no doubt that the Brownies will accept, and some good games will be played.

No Doubt Now That Big Fight Goes to Havana

Curley Says Arrangements Are Being Made for Bout in April.

HAVANA, March 7.—According to Jack Curley, the prize fight promoter, all doubts concerning the holding of a championship battle in Havana between Jack Johnson and Jess Willard have virtually been eliminated by an agreement of all the conflicting interests. The only possible obstacle to the fight taking place here, according to Curley, is the acceptance of terms by Willard, and this, Curley said, he expected to receive.

The arrangements as perfected contemplate the battle being fought the first week of April. The fullest assurances of financial support have been guaranteed.

WILLARD IS WILLING.

LOS ANGELES, Cal., March 7.—Jess Willard, who arrived here yesterday, said he was perfectly willing to accept arrangements to meet Jack Johnson in Havana, but that his manager was the one who would make the binding arrangements. Willard said he had no doubt everything could be arranged satisfactorily.

TOM JONES AGREES.

EL PASO, Texas, March 7. — The Johnson-Willard fight for the heavyweight championship of the world will be staged at Havana, Cuba, during the first week in April, according to announcement made here today by Willard's manager. Willard, who is now in Los Angeles, is expected to leave soon for Havana.

SARNIA BEAT WOODSTOCK FOR RED CROSS BENEFIT

Scored 3 Goals to 1 in Fast Match—Watts Starred in Sarnia Nets.

SARNIA, March 7.—The Sarnia intermediate O. H. A. team with a few changes tonight defeated Woodstock intermediates by a score of 3 to 1. The game was in the interests of the local Red Cross Society, and was played on soft ice, which made rapid playing hard, although both teams made a good showing considering the ice. The game was attended by a fairly large crowd, the benefit bringing out many citizens of the town who never before took interest in a game. The stars of the game were Watts, Dore, Childs, Sutherland, Parker and Gill. The line-up:

Sarnia.	Position.	Woodstock
Watts	Goal	Childs
Grannary	L. defence	Skelly
McCart	R. defence	Sutherland
Cowan	Centre	McMillan
Leseuer	Rover	Hamblyn
Dodds	R. wing	Parker
Dore	L. wing	Gill

RESTA CARRIES OFF VANDERBILT RACE

Only a Few Cars Were Able To Finish.

BURMAN HAD BAD SPILL

He and His Mechanic Were Picked Up Unconscious; Mechanic May Die.

SAN FRANCISCO, Cal., March 8.—D. Resta, driving Car No. 9, in which he won the Grand Prix on February 27, captured yesterday the 300.30-mile Vanderbilt Cup race over the course of the Panama-Pacific Exposition in what is said to have been one of the most thrilling contests ever run in this American automobile classic. His time was 4:27:37. He maintained an average of 67½ miles. Howard Wilcox, No. 26, was second in 4:34:36; Eddie Pullen, third, 4:35:37; and Ralph De Palma, No. 22, fourth, 4:39:7.

It was a gruelling, heart-breaking race from start to finish. The pace set by the winner subjected the cars to a terrific strain, so that long before the finish less than half of those who answered the starter's call were left in the running. Every few minutes cars went to the pits for repairs. Upsets were frequent, as the track became slippery from oil drippings. Notwithstanding this, only one serious accident occurred when Bob Burman's car turned completely over on a right-angled turn. His mechanician, Joe Cleary, received a broken thigh and may be internally injured.
