The Catalogue is indispensable, so is the descriptive circular. Both may be enhanced in value by properly presenting them to the public. Typographically, they ought to be of the highest order. The art of printing has reached such a high stage that these things must be as good as your competitors, or they stand a chance of being thrown into the waste paper box. We work like the best printers. We buy good materials and hire good men. We have a habit of delivering work when promised.
