RYAN OR KID M'COY?

Both are Ready for the Pugilistic Encounter To-Night in Syracuse—Big Crowd Expected.

Syracuse, Sept. 7.—Workmen were busy until late last night on the new gallery at the Albambra Rink, designed to accommodate the hosts of people who are to see the McCoy-Ryan contest to-morrow night. To-day the galleries on both sides were completed, also the work of arranging the seats and erecting the ring.

With the addition of the two galleries the ring will seat close to 4000 people and the managers of the Empire Athletic Club expect to have every seat taken and a big demand for standing room. Indeed, judging by the interest taken in the event in outside cities, it would not be a difficult matter to fill the ring with out-of-town people. Buffalo is to run a special excursion and expects to bring down several hundred people. Jim Conroy, the New York sporting man, is to have charge of a special train which will arrive from New York to-morrow and excursions will be run from other points along the line of the New York Central. In view of the fact that McCoy is looked upon as almost a sure winner, the interest taken in the go is surprising, and can be accounted for on no other grounds than that, lose or no lose, Ryan can be expected to put up a fight that will repay the visitors for their trouble.

Ryan is not wanting in confidence, and as the hour of the event approaches, seems all the more certain that he will retrieve the defeat that he once received at the hands of the "Kid." He is resting at Messina Springs, doing just enough work to keep him from going backwards and is in as good shape as could be wished. McCoy will reach this city to-morrow morning. He is in first-rate condition and a great battle is assured.

BOXING IN MONTREAL.

Montreal, Sept. 7.—A movement is on foot here to form a national athletic association and at the next meeting of the Quebec Legislature an act of incorporation will be asked for a company, which, with a capital of $20,000, proposes to form such an association, with the object of holding public athletic contests, boxing exhibitions, etc. Hitherto boxing exhibitions have been prohibited in Montreal under a city bylaw, but if incorporation is granted to the new company they can legally be held. The petitioners for the new company are three Montrealers, C. E. Charbonneau, Louis Chabot and J. A. Proulx, and two New Yorkers, Milton C. Grey and Daniel Leavy.

WARE AND WITMAN OUT.

Fischer and Forbes Beat the Lawn Tennis Cracks—Mrs. Smith Won the Ladies' Prize.

Play was continued yesterday at the Athletic Club, before a large crowd of spectators. The morning's play brought out two very interesting matches in the ladies' singles. The afternoon's play furnished two very great surprises in the semi-finals of the open singles, when Fischer defeated Ware after having lost the first set, and Forbes defeated Whitman in straight sets. FOR THE CLUB CUP.

The National Yacht and Skiff Club held a very interesting race for 16-footers and special class. The wind was light and variable from southeast and south. This race was for a club cup, sailed for annually, and for this reason created more interest than usual. The Exhibition visitors lined the front of the grounds as the small winged craft tossed over the choppy seas. A full view of the course could be had from any part of the grounds or club balcony. R. Taylor was officer of the day, and started the 16-foot class off at 3 p.m., and special class at 3.10. In the 16-footers the Twelve Step, sailed by Mr. Wedd, took the lead, and retained it to the finish, closely followed by Wave, Sigma and Careen. In the special class, the Cygnet, owned by T. A. Riley, finished first, with Florence second.

At the Toronto Offhand Rifle Club's regular monthly competition Mr. J. A. McNab won the third and final heat in the Salada Cup contest, with the fine score of 96 out of a possible 100.

The Pastimes added another to their long string of victories by defeating the Brilliants. Score:

SPRINGFIELD PONIES SLOW.

The Torontos Won With Apparent Ease.

THE SCORE WAS 13 TO 2.

Big Crowd Enjoyed Sharp Fielding of Home Team.

Played an Errorless Game With Williams on the Slab—Casey Batted for Two Singles, a Double and a Triple—Stars Won Their Game From Scranton.

Toronto won the first of the series of games at home, an dthe splendid ball the team put up warrants the belief that they will easily hold second place. The only chance of capturing the rag is for Buffalo, Providence or Springfield to knock down the Stars, who have all their games to play at home.

In answer to several queries: The season closes Sept. 23 in the Eastern League. Clubs may only mutually agree to play off postponed games. Syracuse has played more Sunday games than Toronto, and had fewer games postponed. The highest percentage on the evening of Sept. 23 decides the championship, regardless of the total number of games played.

The matter of playing off for the Steinert Cup rests solely with the players of the first and second teams, and they are not the individuals to throw away the chance of laying away a few extra kopecks.

Manager Irwin yesterday secured the release of Pitcher McDougall from Taunton, Mass., and he will report at once. Little White Mains practised with the Torontos yesterday, and may go in against his recent comrades in one of the double-headers to-morrow. Tom Burns has only eleven men with him, including three twirlers and Dan Brouthers, who pitched for Wappinger Falls in '49, and may be called on to do some of the slab work. Lush replaced White yesterday, owing to a sore knee. The record:

Pos. Clubs.	Won.	Lost.	P.C.
1 Syracuse	75	46	.619
2 Toronto	66	46	.589
3 Buffalo	69	51	.579
4 Springfield	63	48	.567
5 Providence	62	53	.539
6 Scranton	49	55	.471
7 Montreal	40	72	.357
8 Wilkes-Barre	28	81	.256

Games to-day: Springfield at Toronto (two games), Wilkes-Barre at Buffalo, Providence at Montreal, Scranton at Syracuse.

THE PONIES WERE SLOW.

The Torontos played anything but like a losing team in their opening game of the final home series yesterday afternoon on the Island diamond. Tom Burns' Springfield nine were the opponents, and the ex-leaders made the Ponies look like selling-platers all the way. The score was 13 to 2.

Notwithstanding the threatening aspect of the weather, there was an attendance of about 3000, which included delegations from all over the Province, who took advantage of the cheap Exhibition rates to come in and see a good attraction. And it was a great game, embellished by some spectacular features. The visitors looked threatening in the sixth, when Bannon doubled and Brouthers singled, and they were safely ensconsed on opposite corners of the diamond. Woods banged a Baltimore bounder that hopped high over Dr. Smith's head. The nimble third-baseman jumped up and made a clean left-handed stop, threw Brouthers out at second, and Taylor's quick work retired Woods at first. A splendid backward-running catch of Bannon's bang by Freeman in the third started the other double play, Fuller being easily caught off second-base.

Toronto took a big lead in the second, scoring five on Gilbert's error, singles by McHale, Wagner and Casey, a base on balls and a luscious double. Fuller's fumble and Casey's two-base hit gave them another in the fourth, and they waited until the eighth for three more on clean hitting by Smith, Taylor and Williams and a base on balls. Finally they rounded up with four in the ninth, Freeman, Wagner, Williams and Casey doing the stick work, and Fuller helping them along with his third clean error.

Woods pitched a good game, but was ineffective with men on bases. He was both supported, and was supported, and Toronto couldn't have lost the game if they wanted to. Williams was accorded perfect support and might just as well have refused the two passes that never amounted to anything. The Ponies bunched a single and a double in the second for one run, and three singles and a triple produced another in the sixth. Casey fattened his batting average with two singles, a double and a triple, and sent Williams home the plate no less than four times. Score:

Springfield and Toronto will play a double-header at the Island this afternoon, commencing at 2 o'clock. Dineen, Gaston, Casey and Snyder will be the batteries for Toronto, and Korwin and Dolan will do the twirling for Springfield. One price of admission will admit to both games, and reserved seats may be had at Harold A. Wilson's, 35 King-street west.

FREEMAN AHEAD AT HOME.

Yesterday saw the 50th championship home game of the year played on the Island diamond. A prize of a suit of clothes has been offered for the best batting done on the home grounds by Ed Mack of 121 Church-street. The averages show Freeman to have a lead, closely followed by Snyder, with Taylor third. Gaston haaf been in only nine games here, but he averaged more than a hit a game, and comes ahead of McGann, the timely batsman of the team. Eighteen men appeared here during the season, and the whole team average is .288, which includes the figures of two men who didn't make a hit, and were soon released. McGann is the only man who played in all the home games. Here are the figures:

STARS BEAT SCRANTON.

Montreal, Sept. 7.—Fifteen hundred cranks were disappointed by the non-arrival of the Providence club, who could easily have made connections. Umpire Mason forfeited game to Montreal, score 9 to 0.

At Buffalo—Rain.

At Syracuse—The Stars toyed with Scranton. The Miners could not solve Kissinger's curves, while Harper was batted freely, and, in addition, was wild. Boyd called Umpire O'Neill a vile name in the second inning and was put out of the game. Score:

										R.H.E
Syracuse	2	3	2	2	0	0	2	*	—11	13 2
Scranton	0	0	0	0	0	0	0	0	—0	4 2

Batteries—Kissinger and Shaw; Harper and Gunson and Boyd.

NATIONAL LEAGUE.

New York, Sept. 7.—Tebeau and his tribe of Indians made the trip from Philadelphia to New York to-day for the purpose of playing off two postponed games. They were played as a double-header, and the Giants took both. New York won the first in the second inning, when two singles, a passed ball, a two-bagger and a home run netted them four runs. McAllister relieved Cuppy in the fourth inning, and but one hit was made off him—a home run by Van Haltren. Seymour pitched all kinds of ball, but with men on bases managed to pull out of the hole, except in one case, where, with the bases full, he Cooped Burkett over the rubber by giving a base on balls. In the second, being able to hit the ball when men were on bases, was what won the game. Off their seven hits the Giants got a total of 13 bases. McAllister also pitched the second game. Rusie was in good shape and kept the Clevelands' hits scattered. Scores:

First game—										R.H.E
New York	0	4	1	0	0	1	0	*	—7	4 0
Cleveland	0	1	0	0	0	0	0	0	—1	8 2

At Brooklyn — The Brooklyn-Pittsburg game, postponed at Pittsburg on July 21, was played off at Eastern Park and was won by the Pittsburgs. Hastings pitched a fine game, while Payne was hit hard, especially in the third and fifth innings. The last inning was played in the dark, but much to the surprise of everybody not one of the eighteen players kicked. Score:

										R.H.E
Brooklyn	0	0	3	0	0	0	0	1	4	6 6
Pittsburg	0	1	3	0	3	0	0	0	—7	10 3

Batteries—Payne and Grim; Hastings and Merritt.

At Washington—By winning the game Washington went to the top of the second division. Three of the Senators' runs were due to Dolan's error in the second, and in the eighth four successive hits for a total of nine bases scored the other four runs. McJames pitched unsoundly well, striking out nine men, in one instance retiring the side on strikes, after Wilson's three-base hit, not allowing Wilson to score. Umpire Sinclair was struck below the knee by a pitched ball and will be out of the game for several days. Score:

STALE EGGS AT SYRACUSE.

The Torontos speak in the harshest terms of the very discourteous treatment accorded them in Syracuse on the recent trip. Umpire Doescher's decisions were vile and the visiting team were scorched at every opportunity. Add to this the execrable condition of the diamond and the games in the Salt City. They acually rotten-egged the Toronto players, but not a word came home to cause the boys to rise Phoenix-like from the ashes of their latest beating. They will enter the field next Saturday undismayed against the Shamrocks at Rosedale, this being the last fixture with this celebrated club. The injured men—Moran and Burns—will be replaced by two reliable players. Already the Toronto lacrosse management are making arrangements for another season, determined to be in the field early and thus secure a winning team beyond any doubt.

STOUFFVILLE AND THE C. L. A.

In reference to the Markham and Stouffville lacrosse Clubs' position with the C. L.A., the Stouffville team wish to deny the statement that they were indignant at the decision of the Judiciary Committee. They think the decision was all right so far as Glover was concerned and so far as the evidence was concerned. Stouffville never intended to compete in the final. They were quite satisfied with the championship they have won.

DUGGAN AND GLENCAIRN'S CREW.

A complimentary dinner was tendered Mr. S. H. Duggan and the commodore and officers of the Royal St. Lawrence Yacht Club by the R.C.Y.C. Monday night at the Island Club House. Mr. Ross and Secretary Hamilton were present, also from Montreal. Com. Jarvis occupied the chair, and neatly proposed the health of the guest of the evening and the Glencairn's victorious crew, which was happily responded to by the yachtsmen from the east. Mr. Ross believed Canada could keep the cup, and hoped the R.C.Y.C. would always enter for the trial races. C. Archibald, the champion canoeist, was among those present.

SPORTING NOTES.

In the road race between Murphy and Gaudaur at the Labor Day sports at Winnipeg, the latter won by three lengths.

Lou Bounsall of the R.C.B.C. is now the proud father of a bouncing boy, and the proud father is out for that baby carriage in the R.Q.T.

The Bowmanville team played Port Hope in Port Hope, defeating the home team by a score of 14 to 2. Batteries—Pethick, Burt and McElroy; Wilcox and Gordon.

Capt. Courtney, Kingstone and Manager Tim Rigney of Osgoods Hall Rugby Football Club, request all players who intend goining the club for the season to turn out at the first practice on the old Parliament Buildings lawn, corner Simcoe and Wellington-streets, on Wednesday, Sept. 15. The club has full dressing rooms, shower baths and lockers erected, and a good attendance is expected at the first practice.

CANADIANS WON THE MATCH

Saunders, Goldingham and Terry Scored the Necessary Runs.

Brown 38, Horrice 33, Horton 17, Townsend 12, Did the Best Batting for the Phillies—Laing and Hill Had the Best Bowling Analysis—A Record for International Matches.

In the 23 international cricket matches recorded below, the representatives from across the line have won 14, or just twice as many as the Canadians, and two were drawn. It is generally admitted by spectators at the match just closed that the United States scarcely sent over as strong a team as usual, while the Canadian eleven this year were particularly well balanced, and the only natural result was a victory for the Dominion team. Here is the record:

1853	Toronto	U.S.	34 runs
1854	Toronto	Canada	10 runs
1856	Hoboken	U.S.	9 wickets
1857	Toronto	Canada	4 wickets
1858	Hoboken	U.S.	4 wickets
1859	Toronto	U.S.	4 wickets
1860	Hoboken	U.S.	5 wickets
1869	Ottawa	U.S.	5 wickets
1880	Philadelphia	Drawn	
1881	Hamilton	U.S.	10 wickets
1882	Philadelphia	U.S.	8 wickets
1883	Toronto	U.S.	1 in., 45 runs
1894	Philadelphia	Canada	100 runs
1885	Toronto	Canada	6 wickets
1888	Seabright	Canada	97 runs
1888	Toronto	U.S.	1 in., 87 runs
1890	Philadelphia	U.S.	1 in., 31 runs
1891	Toronto	U.S.	36 runs
1892	Philadelphia	U.S.	1 in., 22 runs
1893	Toronto	U.S.	5 wickets

WON BY EIGHT WICKETS.

The international cricket match between Canada and the United States was finished early yesterday afternoon at Rosedale, the result being a victory for the Dominion representatives by eight wickets. Brown, Morrice, Morton and Townsend did the best work with the willow for the visitors, raising the total to 129 and leaving the Canadians 36 to win the bases full, he Cooped Burkett over the rubber by giving a base on balls. In the second, being able to hit the ball when men were on bases, was what won the game. Off their seven hits the Giants got a total of 13 bases. McAllister also pitched the second game. Rusie was in good shape and kept the Clevelands' hits scattered. Scores:

First game—										R.H.E
New York	0	4	1	0	0	1	0	*	—7	4 0
Cleveland	0	1	0	0	0	0	0	0	—1	8 2

Batteries—Seymour and Warner; Cuppy, McAllister and Zimmer.

Second game—										R.H.E
New York	2	0	0	0	1	1	*	*	—4	7 0
Cleveland	0	0	0	0	1	0	0	—1	10	0

Batteries—Rusie and Warner; McAllister and Zimmer. Called; darkness.

At Brooklyn — The Brooklyn-Pittsburg game, postponed at Pittsburg on July 21, was played off at Eastern Park and was won by the Pittsburgs. Hastings pitched a fine game, while Payne was hit hard, especially in the third and fifth innings. The last inning was played in the dark, but much to the surprise of everybody not one of the eighteen players kicked. Score:

										R.H.E
Brooklyn	0	0	3	0	0	0	0	1	4	6 6
Pittsburg	0	1	3	0	3	0	0	0	—7	10 3

Batteries—Payne and Grim; Hastings and Merritt.

At Washington—By winning the game Washington went to the top of the second division. Three of the Senators' runs were due to Dolan's error in the second, and in the eighth four successive hits for a total of nine bases scored the other four runs. McJames pitched unsoundly well, striking out nine men, in one instance retiring the side on strikes, after Wilson's three-base hit, not allowing Wilson to score. Umpire Sinclair was struck below the knee by a pitched ball and will be out of the game for several days. Score:

										R.H.E
Washington	0	3	0	0	0	0	4	*	—7	10 0
Louisville	0	1	0	0	0	0	0	0	—1	7 1

Batteries—McJames and Farrell; Magee and Wilson.

THE SHAMROCKS ON SATURDAY.

Notwithstanding that the Torontos were beaten on Saturday their work is not yet over for the season, and they still hope to rise Phoenix-like from the ashes of their latest beating. They will enter the field next Saturday undismayed against the Shamrocks at Rosedale, this being the last fixture with this celebrated club. The injured men—Moran and Burns—will be replaced by two reliable players. Already the Toronto lacrosse management are making arrangements for another season, determined to be in the field early and thus secure a winning team beyond any doubt.

LONDON MADE ERRORS.

London, Sept. 7.—Hamilton practically cinched their hold on first place in the Canadian League by defeating London today in a game which the locals presented to the blackbirds by virtue of mostly errors. Cockman, at short, was somewhat disabled and, as a result, his throwing was away off, he being responsible for many of Hamilton's tallies. It was almost an equal contest between Crowe and McDermott, as far as pitching was concerned, but the London man would have won out had he been accorded the support given to McDermott. Score:

										R. H. E.
Hamilton	0	1	3	1	0	0	3	1	3—12	15 2
London	0	1	1	0	2	1	0	0	2—7	15 12

Batteries—McDermott and Conwell; Crowe and Reid. Umpire—Webber.

The five-mile handicap bicycle race, open to boys under 16 years of age, will be run off on the Woodbine track Sept. 18, at 7 o'clock sharp. Entries should be made at 276 Parliament-street. Entries close Sept. 17.

THE SLATER SHOE

Intellectual Feet.

Large feet indicate ability, intellect, perseverance and integrity.

Scores of distinguished men have been as much noted for their big feet as for their large noses.

As your foot should look.

George Eliot, Madame de Staël and other supremely intelligent women had also very large feet.

It is not the *size* but the *shape* of the foot which makes it beautiful or ugly, and the *shoe worn decides its shape*, as well as its comfort.

There is more care used—more time spent—in *shaping* "Slater Shoes," and in taking the stretch out of the leather so it will *retain* that shape, than in the entire making of ordinary shoes.
