Accident.—On Wednesday a man employed on the railway works, was accidentally struck by a block which gave way, and injured his knee so severely as to render amputation necessary.

Fires.—A dwelling house and barn at Indian town, belonging to Mr. Johnston, were destroyed by fire on Tuesday night. A house in Carleton was burned the same evening.

The Railway from the City to the Nine Mile station was opened on Tuesday last. A very large number of persons passed over the line.

Mr. Hewitt proposes to run a Stage to Hampton in connection with the railway, leaving the Kennebeckasis station after the arrival of the morning train, and Hampton at 5 o'clock, in time for the last evening cars for the city. The fare is only 2s. 6d. each way.

At the Annual General Meeting of the Stockholders of the Saint John Fire Insurance Company, held on the 1st inst., the following gentlemen were elected Directors for the ensuing year:—Hon. A. McL. Seely, Joel Reading, John T. Stanton, Henry Vaughan, and James Reed, Esqs.,

And at a subsequent meeting of the Board, the Hon. A. McL. Seely, was re-elected President.

The annual examination of Trinity Church Sunday School in this City, took place last Sunday. There were upwards of 320 children present, besides a large number of Teachers. The examination was conducted by Dr. Gray, and was highly creditable to the school. It was very pleasing, indeed, to notice the readiness which the children evinced, to reply to the questions put to them on various portions of the Old and New Testament. The benefits of Sunday School instruction were clearly exhibited, and we should imagine that the teachers must have derived fresh encouragement to pursue their labours in this direction. At the close of the service Dr. Gray delivered a very impressive address to the children and teachers, and also to the parents who were present. On Next Sunday evening the children will attend Trinity Church, when a sermon will be preached, and a collection taken up in behalf of the school.

IMPORTANT TESTIMONIAL.

34, Wine street, Bristol.

Sir,—It is with much pleasure I have to inform you of the benefit I received from your Lozenges. I was attacked with the typhus fever, during which time I had a violent cough, so that it kept me awake the greater part of the night. A friend persuaded me to try a box of your "COUGH LOZENGES" which I did and am happy to say that with only one box of your valuable compound I was quite free from cough.

You can make what use of this you please, for I think such valuable medicine ought not to go unnoticed.

I remain, Sir, your obedient Servant,
WM. T. TRUSCOTT.
