NATIONAL HOCKEY LEAGUE GAMES PLAYED SATURDAY NIGHT

At Mount Royal Arena Ottawa Senators Defeated "Flying Frenchmen" by Score of Four to Two—St. Patricks Defeated Hamilton by Score of Five to Two.

Ottawa 4; Canadiens 2.

Montreal, Jan. 8.—The professional debut of Edmond Bouchard, of Quebec, on Canadiens line featured the National Hockey League game at the Mount Royal arena here last night in which Ottawa Senators, champions of the world, defeated the "Flying Frenchmen" by a score of 4 to 2. A crowd of five thousand were mighty pleased with the brand of hockey displayed, although naturally somewhat disappointed that, in spite of desperate efforts, the home team was defeated by a narrow margin. Bouchard, demonstrating his ability as a whirlwind skater, good stick handler and hard worker, encouraged Canadien supporters to hope for a reversal of the verdict that was passed the last time Ottawa defeated Canadiens in Montreal, but the Senators' combination and speed were again too much for Lalonde's sextette.

The game, always fast, waxed rather rough in the second and third periods, Canadiens doing the most damage. Sprague Cleghorn, stalwart defense man, showed no falling off from his usual speedy, excellent game, in the fact that Cooper, Smeaton threated six minutes on the bench to him for rough playing did not help Canadiens to score the necessary goals.

Generally the game was very evenly fought. Canadiens seemed to lack just the final push to stick the puck behind Benedict and on numerous occasions the crowd groaned when a sure thing was passed up.

The Summary

First period—1 Ottawa, Gerard, 4.00; 2, Canadiens, Lalonde, .30

Second period—3, Ottawa, Broadbent, 14.05; 4, Ottawa, Denenny 5.10.

Third period — 5, Canadiens, S. Cleghorn, 8.30; 6 Ottawa, Broadbent 18.10.

Final score—Ottawa 4; Canadiens 2.

St. Patrick's, 5; Hamilton, 2.

Toronto, Jan. 8—By displaying a better brand of hockey throughout almost the entire sixty minutes, St. Patrick's defeated Hamilton by a score of 5 to 2 at the Arena on Saturday night and so remain at the top of the standing in Frank Calder's four-team circuit of professional hockey clubs.

The Irish displayed the speed, back checking and combination that were the features of the win against Ottawa and showed no signs of the stale-mate that was prominent in the first clash against Hamilton several weeks ago and which was won by the visitors.

John Ross Roach gave a sensational display in the nets. Several times he threw himself on the ice in front of the attacking Tigers to avert almost sure counters, and on one occasion he stopped three in quick order from within the ten-foot range. "Red" Stuart, the player from the Maritimes, and Cameron kept the Tigers out most of the time and long shots of the visitors were easy for Roach to handle, but even when the visitors did get inside they were turned back by the little custodian on all but two occasions.

Stuart turned in another good game, both on the defense and the attack, but this is becoming a habit with him. He is the most popular player wearing the green and white uniform and every time he started out toward Lockhart on Saturday night he was given a hearty send-off by the fans. He had quite a number of shots on Lockhart, but was unsuccessful in his scoring efforts. Cameron again demonstrated that he is in for one of his best years, and he scored his customary goal on a pretty rush.

Dye and Denenny entered the game on even terms in the race for scoring honors, as they emerged from it the same, each scoring one.

With the game safely tucked away Paddy Nolan, the Maritime Province recruit, was given a chance to show in the last five minutes, but he had hardly got his bearings when the game ended, and whether he will do or not cannot be determined from his initial appearance.

Major League Leaders' Meeting

Major-Minor Draft Agreement Amended—Drafting Prize $7,500 Instead of $5,000.

Chicago, Jan. 8—Major League baseball leaders, meeting here yesterday with Judge K. M. Landis, baseball commissioner, decided to amend the major-minor draft agreement so that $7,500 instead of $5,000 will be the price for drafting a player from the class A leagues. This agreement, according to Ban Johnson, American League head, and John Heydler, who represented the National League, will be the last concession of the majors to induce the minors to accept the draft. The major league chiefs consented to the increase in price only after an all-day meeting the most of which was taken up by John Conway Toole, president of the International League and president Tom Hickey of the American Association in explaining why their circuits have objected to the major leagues selecting one player annually from each club.

At the suggestion of Judge Landis, the amendment to the draft is so worded that either major league can withdraw prior to January 1, 1923. This was the only condition on which President Johnson and President Heydler would agree to the change. Both Hickey and Toole expressed a belief that the scheme might satisfy their respective club owners but the matter will have to be put before those men and also before the major league owners before it can be put into effect.

At a recent meeting of the American Association the draft question was turned down principally because one of the owners thought $5,000 was not enough for a player. For this reason it was predicted tonight that the amendment will be satisfactory to the association. The International may be willing to follow the lead of the American Association baseball observers, said, but little is known regarding the attitude of the Pacific Coast League. Minor league leaders asserted that the higher price would make the majors less anxious to draft players in-discriminately, in returning a drafted man only the draft price will be paid back, as in the original agreement.

The new arrangement, if accepted, it was stated, will include the feature agreed to by the advisory council in New York to the effect that when players are turned back by the majors, they must be offered first to clubs AA and then to class A leagues and soon until they are accepted. This will insure the player of being in company fitting his ability.

AFTER GAMES.

To Sporting Editor of The Standard.

Sir,—The Scarlet Chapter Basketball Association has been formed in McAdam and promise to flourish this winter. Two teams have been formed and are now open for matches at home and abroad. Communications from any teams desiring games will be welcomed, and they will be assured of a good clean contest.

The following officers are in charge of the organization: President, Rev. W. H. Lance; manager, Arthur Milner; captain first team, I. S. Farley, captain second team, A. L. Beatbrooks; secretary, Harvey A. Tuck.

All communications for both teams to be addressed to Harvey A. Tuck, secretary, Box 24, McAdam, N. B.

St. Andrew's Curling Club Bonspiel

Twenty Rinks Curled Saturday Afternoon and Evening—H. H. Harvey's Rink the Winners.

The St. Andrew's Curling Club held their first inter-club bonspiel of the season in their rink Saturday afternoon and evening. Twenty rinks were entered and play was keenly contested. The President's, H. H. Harvey's rink had the leading score of the day, with 18 points, and each of its members received sterling silver spoons as mementos. A club supper was served at 8 o'clock and was attended by over eighty members.

Ten rinks took the ice at two in the afternoon and curled eight ends, they were replaced by ten more rinks and they then played the winners. The same process was followed in the evening, the plus and minus system being adopted in the scoring. The rinks and scores follow:—

Giants Have Great Star In Shinners

Patch Shinners, who will battle Cunningham next season for the right of trying to fill the shoes of Georgie Burns in the Giants' centre garden, showed up brilliantly in the American Association batting and fielding averages.

It has the Indianapolis guy cracked the ball to the tune of just three points under the .350 mark. He came to the bat 485 times, during which he made 170 hits for a total of 277 bases.

In fielding he secured an average of .978, but handled 349 total chances, an exceptionally active showing for an outfielder.

He also figured prominently as a base stealer, being credited with 52 purloins.

Charles Jewtraw Made A Clean-Up

Tallied 90 Points in New York State Ice Skating Championship — Gladys Robinson in Hospital.

Binghamton, N. Y., Jan. 8—Charles Jewtraw, of Lake Placid, new amateur champion, won the New York State ice skating championship at Idlew Park rink, Endicott, this afternoon from a field of the fastest skaters in the country. He tallied 90 points.

Joe Moore, of New York, international title holder, finished second with 80 points, a foot in the final event of the day, the 220 yard dash, cosing him the championship. With second place and enough points to win practically assured him in this race, Moore "cut in" on Paul Foreman of the Tremont Rink Club, New York and was disqualified.

Miss Gladys Robinson, of Toronto, world's woman champion, who was to have participated in a feature race on the programme was taken suddenly ill with appendicitis yesterday. It is expected she will be operated upon at a local hospital tomorrow.

Moore and Jewtraw meeting for the first time this season, monopolized honors, the Lake Placid flash living up to his reputation by leading home the field in the 220 yard, 440 yard and half mile events, while Moore took first place in the mile and three mile events and second place in the half mile.

Basketball Games Saturday Night

Trojans Trimmed Alerts by Score of 64 to 17—Christie, Alerts' Centre, Injured His Ankle.

In the City League Basketball fixture on the Y. M. C. I. floor Saturday night, the Trojans defeated the Alerts by the overwhelming score of 64 to 17. During the first period of the game when the score was 19 to 5 for the Trojans, Christie of the Alerts strained his ankle and was forced to retire from the game. As the Alerts had no spares it was necessary for them to finish with only four men. Although the Trojans were not forced to drop a man, they did so and Shaw agreed to retire so that his team could also play four men. During the remainder of the game, the Alerts used two forwards and one defence while the Trojans used one forward and two defence. The teams lined up as follows:

Trojans	Alerts
Forwards	
Shaw—4	Ketchum—13
Urquhart—22	Fleming—4
Centre	
Malcolm—22	Christie
Defence	
Kerr—10	MacGregor
MacGowan—4	Millidge

In the Intermediate section the Outlaws of the Y. M. C. I. had everything their own way and defeated St. George's by 56 to 6.

The town tennis player in England who, under the stress of a grueling match, seeks to delay the progress of the game by stopping to wipe his eyeglasses frequently (if he wears them), or by kicking the ball, by "accident," as he stows to stop it on, or by walking slowly around in a wide circle back of the base line each time before commencing service or getting ready to receive, or by any one of the many other subterfuges now in vogue, is going to be out of luck in the future if he attempts these things.

The new rule just placed in the book of English lawn tennis rules gives the umpire power to disqualify a player under such conditions, after a preliminary warning has been given, and subject to the discretion of the referee.

Regret On Condition of Gladys Robinson

Speed Skating Fans All Over Canada Grieved to Learn Champion is in Hospital.

The news flashed over the wire last night, to the effect that Gladys Robinson, the lady speed skating champion of America, has been removed to hospital to undergo an operation, will be received with deepest regret all over Canada.

This little lady from Toronto broke into the championship ring last winter, when in a class by herself. She "cleaned up" in every championship event in which she entered. She became as prominent in the skating world as Jewraw, Moore, Gorman, and the other male speed demons who thrilled thousands of spectators by their wonderful performances on the steel blade.

Just now at the beginning of the racing season to be taken suddenly ill, little Gladys will perhaps be out of the racing game for the winter. She was reported to be skating faster than ever, and in perfect condition, and this sudden change to hard luck will prove a great set back and disappointment, not only to the speed queen, but to her thousands of admirers. It is only hoped that the report received is not so serious as stated, that she will have a speedy recovery and before long will be able to compete in the different important speed events in which she intended to enter.

Miss Robinson was very anxious to visit St. John and skate here in the championships next week.

Mount Allison Here Tonight

University Basketball Team Will Finish Maritime Tour After Trying Conclusions With the Trojans.

The Y. M. C. A. will be the big centre tonight for Basketball enthusiasts, when the Trojans meet the fast Mount Allison University team who are in their Maritime tour this evening. The College boys have lost but one game in the last five that they have played and feel quite confident that tonight's game with the Trojans will result in their fifth win; but judging from the score made by the Trojans on Saturday night when they broke the season's record by piling up 64 points, the Sackville team will perhaps leave here with a less instead of a win. The majority of the Mount "A" players are heavy men, especially in their defence, Reade who did such great work at Truro Thursday and Friday of last week, will no doubt find his equal in Malcolm, the Trojan's giant centre and the main interest in tonight's battle will centre on these two men. With the return of Urquhart and Fleming to be same, Kerr and MacGowan going strong, basketball fans may look forward to a real treat this evening.

The visitors and locals will line up as follows:—

Mount "A"	Trojans
Forwards	
Downey, (Capt.)	Urquhart
Clarke	Fleming
Centre	
Reade	Malcolm
Defence	
R. Ashford	Kerr, (Capt.)
H. E. D. Ashford	MacGowan
Subs	
Taylor	Shaw

Opening of Ladies' League

As an added attraction to the Trojan-Mount "A" game, the opening contest will be staged in the Girls' City Basketball League, when the Y. W. C. A. Blue Girls will meet the Y. M. C. A. girls. This will be the only preliminary game of the evening as the Trojan game will start at 9 o'clock sharp to enable the visitors to catch the eleven train for Sackville.

Local Speed Kings' Past Performances

Well Known St. John Skaters Were Those of Championship and Record-Breaking Ability.

In view of the fact that the coming Canadian Amateur Outdoor Skating Championships, which are to be held on Lily Lake on Jan. 18 and 19, will bring together the premier speedsters of Canada and the United States, all eyes will be centered on St. John's champion Charles Gorman, and the other representatives of the city in the meet. Should the weather prove ideal, records will probably be broken and history made in the skating world. Should the latter occur, it will not be the first time that St. John has stood in the limelight as being a city of premier skaters. Such men as Fred. Logan, Hilton Belyea, Bart Duffy, Fen Parker Mike Walsh, and a host of others have all contributed their share to make our city a prominency in the skating world.

Fred. Logan was the only amateur skater from the Maritime Provinces who ever won the International championship. This he did in Montreal, in 1907, when he defeated such speedsters as Morris Wood, of Long Branch, N. J., who held the championship for four years, and Edmund Lamy, of Saranac Lake. Out of four events in which he entered Logan won the 220 yards, the half mile and the three miles, losing the mile.

In the same year Logan captured the National Championship at Saranac Lake, winning the 220 yards, he half mile and mile, and getting third in the three mile after falling. In 1908 he broke the 220 yard record in Victoria Rink, his time being 19 2-5 seconds, which was then the world's indoor record. In the same year he hung up a new record for the 440 yards, his time being 38 2-5 seconds. Skating on Victoria Rink, Logan also made a record in the 100 yards of 9 2-5 seconds, which is within a fifth of a second of the world's record.

Hilton Belyea holds the record for Victoria Rink for the mile, his time being 2.52 3-5 seconds. Bart Duffy made a record for this rink in the half mile by making the fast time of 1.3 1-4. Fen Parker and Mike Walsh held the rink record for the 220 yards until Logan broke it. Their time was 19 4-5 seconds.

Jock Hutchison Won In California

San Francisco, Cal., Jan. 8—Jock Hutchison of Chicago, holder of the British open golf championship, won the Northern California open golf championship yesterday with a medal score of 304 for 72 holes of play. He made the first four rounds in 4-71-76-75. Eddie Traub, of San Francisco, was second with a total of 313, and Harold Sampson of San Francisco second 314 for third place.

John Black of Oakland, who lost the title today, Leslie Davies, of Mill Valley and A. B. Espinosa of Oakland tied for fourth place with 316.

VOLLEYBALL

On Saturday afternoon, at the Y. M. C. A. gym, Captain Hoben's team won from Captain Golding's by 15-7, 15-7. B. L. Gerow's squad defeated Wood's two straight games, winning the match and the championship of the first half of the league. The second half of the league season starts on Saturday next.

Four Professional Skaters At Boston

McLean, Lamy, Baker and Day Will Compete at the Arena Tomorrow Night.

Boston, Jan. 8—Four leading professional skaters will compete in quarter mile, half mile and mile races at the Arena next Tuesday night. They are Bobby McLean, professional champion; Edmund Lamy, former American champion; Don Baker, of Brooklyn, and Eddie Day, champion of Western Canada.

Old Country Football Games

London, Jan. 8—(By Canadian Press Cable)—The first round in the Association Football English Cup tie competition on Saturday afforded the customary crop of surprises of which the greatest undoubtedly was the feat of Crystal Palace beating Everton on the latter's ground by 6 goals to 0. Palace seized every opportunity of shooting and although Everton showed some neat footwork they were absolutely no match on the day's play for their rivals. Middlesborough's defeat by 5—0 at Hull was also unexpected. Another rather fancied cup candidate, Sheffield United, went down before Brighton.

Twenty-one of the games yielded definite results, thirteen home clubs winning and eight visitors, while eleven drawn games were registered. The cup holders, Tottenham Hotspurs, were among the away winners, beating Brentford in their best form after a none too good beginning. Three London clubs lost, three won and four drew.

Queen's Park Rangers were lucky to draw with the Arsenal although the latter were severely handicapped, lacking some of their best players. Wales has a worthy representative in the second round of the cup in Cardiff City, who were last year's semi-finalists. This club won 4—1 against Manchester United away from home.

Among the notable individual scoring triumphs were the following: Lockett got Northampton's three goals against Reading; Walker of Aston Villa, Watkins of Stoke, and Browett of Manchester City each scored three goals; Pagnam got two goals at Birkenhead.

First division clubs did not fare as well as expected, five being beaten, nine winning outright and seven drawing.

Five second division clubs are qualified to continue while six must replay their games. Nine clubs lost.

Of the third division clubs, seven won, six lost and nine drew.

Altogether, 103 goals were registered in the 32 games. Attendances aggregated 770,000.

OUTCLASSED THE SONS OF IRELAND

Cleveland, Jan. 8—The Cleveland hockey team outclassed the Sons of Ireland team of Quebec here last night, winning by a score of 10 to 6. It was the Cleveland team's game from start to finish, the locals starring in both individual and team work.

TORONTO LOST

Syracuse, N. Y., Jan. 8—In a listless game last night, the University of Syracuse defeated Toronto University at basketball by a score of 20 to 16.
