PROPRIETORS,
A. E. SOPER
JAMES EDWARDS

You can walk to this splendidly furnished and modernly equipped hotel, from the C. P. R. depot, in just two minutes, and it will take you one minute to cover the ground between the Leland and the Post Office.

We are right on the corner of Hastings and Granville Streets, the two busiest streets in Vancouver, and cars pass our doors almost every minute to all parts of the city.

There are lots of other hotels in Vancouver, but our patrons would not change board with any of them. First-class meals and courteous attention.

Once you come to the Leland you will like it so well that you will stay there.

It is first-class in every respect and our rates are reasonable.
