Mr. W. W. Hubbard, deputy commissioner of agriculture, said last evening that if the sentiment of the meeting of produce shippers to be held here on Tuesday was akin to that recently held at Woodstock, it was highly probable that the government would send to Cuba a special representative for the West Indies, of the province of New Brunswick. It is probable that the transportation companies will be represented at the meeting, as their co-operation is necessary for the better movement of hay and potatoes.

MARATHONS CAPTURE FIRST GAME OF SERIES

Fourth Inning Disastrous for St. Peters—Marathons Send Sphere All Over the Lot and Net Seven Runs—Score at End of Game 8 to 2.

In the championship match on the Shamrock grounds Saturday afternoon, the Marathons were victorious over the St. Peters by a score of eight to two. The ball tossers attracted a crowd that rivalled the attendance at the game in the days of old. There were fully 2,200 enthusiasts on the grounds and the fans supported their favorites in a manner seldom seen on the baseball field. Megaphones were not in the class with the rooters and seldom during the entire exhibition was there a dull moment.

YACHTS BACK FROM CRUISE

The Royal Kennebeccasis Yacht Club's annual cruise was brought to a close yesterday, the majority of the yachts returning to Millidgeville yesterday afternoon or last evening. The cruise was one of the most enjoyable in the history of the club, particularly as it was devoid of any serious accident.

The annual sermon was preached at Carter's Point yesterday morning by Rev. Dr. Morrison, fomerly of St. David's church, St. John, who is spending the summer at Woodman's Point. Dr. Morrison officiated in the absence of the chaplain of the R. K. Y. C., Rev. Dr. Parker of New York, who was unable to take part in the cruise this year.

The service, which was held at Carter's Point, on the beautiful grounds of John Frodsham, was attended by six or seven hundred people. There was not only a large attendance of yachtsmen, but many residents of the vcinity of Carter's Point also attended, going to the scene of the service in craft of all kinds. The presence of the flotilla of boats of various kinds added a touch of picturesqueness to a scene possessing much natural beauty.

Dr. Morrison preached a most eloquent discourse, which will long be remembered by those who listened to it. One feature of the service was the music. The instrumental part was furnished by an orchestra under the leadership of D. Arnold Fox of this city.

At the conclusion of the service the yachts of the R. K. Y. C. fleet set sail for Millidgeville, which they reached at various times durng the afternoon and evening.

Joseph Smith, a well known resident of the West End, and a member of the staff of the detention hospital at Sand Point, died at noon yesterday at his home, 174 Guilford street, after an illness of several months. He was 57 years of age and highly respected by all who knew him. A widow, three sons and two daughters are left to mourn. The sons are Messrs. William, Gordon and Leonard Smith, and the daughters, Mrs. Arthur Betts and Mrs. W. L. Lord, all of West End. The deceased was a consistent member of St. Jude's church. The funeral will be held from his late home tomorrow afternoon at 2.30.

Mr. Thomas Gilbert, celebrating Saturday his entrance upon his ninetieth year, is one of the healthiest and most hearty citizens, as well as one of the most cheerful. A lady who complimented him on his happy looking face received from him the assurance that it was entirely due to the consolations of his religion. Long may he continue to travel on our city's streets.

LOUISE IS NOW IN FIRST PLACE

Two events in the Westfield Outing Association's series of sailing races were pulled off on Saturday afternoon. A fine breeze favored the sailing yachts and made the race a very pretty one.

The motor boat race was the final one of the series. Keoonik, owned by Dr. Barton, and Sussex, owned by Mr. Hillyard, are the winners of first and second places, although Keoonik was disqualified in one race and Sussex did not enter in one of the series. Saturday's race, over a 5 knot course, was sailed in 36 minutes. Keoonik led Sussex by four minutes, and the Vixen, owned by M. M. Jarvis, was 50 seconds in the rear of Sussex.

The sailing race was the record of the series for boats in class B. It was over a 3¼ mile course. With one more race to be sailed, Louise is now in first place, with Clip II. next in order.

Saturday's order was:

1st—Clip II., owned by Norman Trueman.

2nd—Rosamond, owned by Geo. Blizard.

3rd—Louise, owned by Jos. Bullock, jr.

4th—Black Fly, owned by H. B. Robinson.

5th—Keego, owned by Chas. McDonald.

For the sail boat races the judges were R. N. Magee, F. N. Robertson and Roy A. Smith. For the motor boat race the judges were J. H. Doody, F. N. Robertson and E. L. Jarvis.

Mr. Robertson officiated as timer for both races.

SATURDAY EVENING DANCE.

Two hundred and fifty of the Westfield residents and their weekend guests trooped to the pavillion on Saturday evening to take part in a dance which proved the most successful of the season to date.

During both afternoons and evening the croquet bug has been busy at Westfield since the tournament opened. Six games have been played out of the thirty which constitute the series.

FOULKES AGAIN THE CHAMPION

MONTREAL, Aug. 1.—Capt. Foulkes of Ottawa has regained the right to be called the champion tennis player of the Dominion, which he lost to Sherwell last year. In the finals in the men's singles championship of Canada, he defeated Veysey, of Montreal, 6—2, 6—2, 6—1.

Foulkes also won the handicap singles, beating McEachern of Toronto, 4—6, 7—5, 8—6. The championship in the challenge men's doubles was won by Foulkes and Raby, both of Ottawa, who defeated Suckling and Dunlop of Montreal, the holders of the title, 6—4, 5—7, 6—3, 6—4.

CROWDS WATCH BOAT RACE AT SEASIDE

That St. John still takes keen interest in boat racing and is willing to help boom the sport was shown by the size of the crowd which gathered at Seaside Park on Saturday evening to watch the race between two fours from the La Tour Rowing Association.

The crews were as follows:—Mort McLaren, William Burleigh, George Robertson and Samuel Gillliphant in one boat and Hilton Belyea, James Ross, Hart Daley and Frank O'Leary in the other.

The first named crew won the race by a couple of lengths, both crews rowing well. The breeze which set in from the south made the water rather rough. There was an accident to the winning crew which made a second start necessary. Both fours then got away on a good start and turned the bouy, the winners with a fairly good lead. This was cut down however before the finish, the other boat pressing close.

SPORTS PLANNED FOR BROWN'S FLATS

The second day of aquatic sports under the auspices of the Long Reach Outing Association, will be held on Aug. 7th. LONGBOAT EASY FOR ENGLISHMAN

TORONTO, Aug. 1.—Alf Shrubb beat Longboat with ridiculous ease in the twelve mile race at Scarboro Beach, Saturday, leading all the way, and finishing in 1.10.24. Longboat, who was sick and vomiting, quit at the end of seven and three quarter miles.

Nebrich beat Sellon in a five mile contest at the same place in twenty-six minutes thirty and three fifths seconds. A match was then made between Shrubb and Nebrich for Tuesday next, distance ten miles.

O'NEILL OFF TO DETROIT.

John O'Neill, St. Mary's Club sculler, left by the Maritime Express Saturday afternoon for Detroit to race in the National Championship regatta there on Friday and Saturday next. He was accompanied by Frank Greer, the club coach, and they are due to arrive at Detroit on Monday. O'Neill's boat is being carried by the Canadian Express Company.

The sculler is entered for the quarter mile dash, he having developed good sprinting ability this season, and he is also entered for the American championship event. The latter, which was formerly at a mile and a half with turn, has this year, for some reason, been changed to a mile and a quarter straightaway.

It is expected the starters will include Shepherd, Scholes and Miller, all of whom are eligible, and the winner of the Association race on Friday will also be eligible. Ten Eyck may also start.

O'Neill won the Association race at the National at Springfield, Mass., last season, and thus qualified for the championship. He started in the latter event and beat Bennet, Miller and others, and took second place to Frank Greer, who has been coaching him this season. Greer is well satisfied with O'Neill's work this year and looks to him to win both the championship and the quarter.

The Halifax sculler goes with the best wishes of the whole boating fraternity and the general public, as well, and announcement of the results of the racing will be awaited with interest. He is the first Maritime Province amateur who has ever raced for the U. S. National Championship.
