BEEF AND BACON TO BE EATEN ON FIVE DAYS ONLY

These Meats Barred In Public Restaurants Tuesday's and Friday's

OTHER RESTRICTIONS

Definite Action Taken By Department of the Food Controller

Ottawa, Aug. 10—Definite regulations, to come into effect at once, for restricting the use of beef, bacon and white bread in public eating places, and for prohibiting the use of wheat in the distillation or manufacture of alcohol have been promulgated by order-in-Council at the instance of the Food Controller. The serving of beef and bacon is prohibited on Tuesdays and Fridays, and at more than one meal on any other day. Substitutes such as corn bread, oatcake, potatoes, etc., must be provided at every meal at which white bread is served. Under the order the expression "bacon" includes cured (either pickled orr smoked) sides, backs, hams and any portion of what is termed, in the trade, Wiltshire sides.

No Wheat for Alcohol

The regulation relating to the use of wheat in the manufacture of alcohol reads; "No person shall use any wheat in the distillation or manufacture of alcohol unless such alcohol is to be used for manufacturing or munitions purposes unless such person has obtained a license therefore from the Food Controller for Canada. No fee shall be payable for any such license."

Heavy penalties are provided under the order for violation of the regulations. In the case of public eating places, the proprietor or manager, and any clerk, employe or servant violating any of the said regulations shall be guilty of an offence and shall be liable upon summary conviction for the first offence, to a penalty not exceeding one hundred dollars and not less than twenty-five dollars, and to each subsequent offence to a penalty not exceeding five hundred dollars and not less than one hundred dollars, or to imprisonment for a term not exceeding three months, or to both fine and imprisonment.

Any person violating any of the provisions of the regulation relating to the use of wheat in the distillation or manufacture of alcohol shall be guilty of an offence and shall be liable upon summary conviction to a penalty not exceeding five thousand dollars. The order-in-Council is based on the final recommendations of the Food Consumption Control Committee, which was recently appointed by the Food Controller.

HARVESTERS! FIRST COME FIRST SERVED.

The earliest arrivals in Winnipeg will have the first and best choice of employment in the harvest fields beyond. The Canadian Northern Railway will run the first excursion trains to the West in this connection, leaving Ottawa 9.30 a.m. Aug. 16th; and 10.30 p.m. Aug. 16th and 28th; also leaving Toronto 9.00 a.m. Aug. 21st; and 10.00 p.m. Aug. 21st, 23rd and 30th. Through cars will be operated from Montreal and Joliette, affording direct connection at Ottawa from principal Quebec points.

The equipment will consist of electric lighted colonist cars and lunch counter cars with special accommodation for women.

While the best chances are along the lines of the Canadian Northern in Manitoba, Saskatchewan and Alberta, where the demand for labor is heavy and the wages high, no matter what final destination you may select, the C. N. R. offers the best route to Winnipeg.

For leaflet showing special train service, excursion dates and the number of laborers required at various points, together with all other particulars, apply to John S. Dowling, Agent, Brantford, or write General Passenger Dept. Montreal, Que., and Toronto, Ont.

HARVEST HELP EXCURSIONS. $12.00 TO WINNIPEG

LAURIER LEADS LIBERAL WEST

Sir Wilfrid Endorsed By Convention In Winnipeg Yesterday Afternoon

SOME IN OPPOSITION

Fifteen Per Cent. of Delegates Oppose The Leader

Winnipeg, Aug. 9.—The close of the great Liberal convention here today found Sir Wilfrid Laurier supreme in the official Liberal party, but it is a question of dispute as to how far that faction represents the views of the Liberals of the West. His endorsation was far from unanimous, as about fifteen per cent. of the delegates openly avowed their hostility to his leadership by refusing to support the resolution endorsing his record The resolution endorses his record to date, but only expresses a hope that it may be satisfactory in the future. It was the addresses of the provincial Premiers more than the resolution of confidence that stamped Sir Wilfrid as the leader of the Liberal party in the West.

Already the independence and authority of the representatives of the convention are attacked. Conscriptionist Liberals charge that the British Columbia representatives were hand-picked and do not represent the real Liberalism of that province. A message was received from a prominent Liberal in Vancouver, expressing the character of the delegation from the coast province and declaring that the election of a Laurier Liberal in a British Columbia constituency was an impossibility. The Alberta representatives were dominated by Hon. C. W. Cross. Neither Premier Sifton nor Hon. Frank Oliver guided the representatives from their province. Allied with Mr. Cross was Hon. A. G. McKay, formerly Liberal leader in Ontario. The adhesion of these gentlemen to Sir Wilfrid's cause and the armistice they declared in the war on Hon. Frank Oliver was secured by the intervention of prominent Maritime Provinces anti-conscriptionist leaders. Saskatchewan's representation contained many of independent thought and action, while from Manitoba, with few exceptions, partisans had no place in its delegation. Provincial Government office-holders predominated in the delegations from the three Western provinces, and in the Saskatchewan delegation was every man at liberty, who was named in the findings of the commissions investigating the road expenditure and liquor administration in that province.

Convention Anti-Conscription

The convention was anti-war, anti-conscriptionist and pro-Laurier. It was carefully handled and guided and expressions of opinion until the last day were controlled by the committee. Manitoba leaders and delegates are humiliated at the position in which they were forced. Feeling is so strong in this province that it is doubful if an official Liberal candidate will be in the field in a solitary constituency. The grain growers will contest every rural riding and will support a national government. In Saskatchewan, J. G. Turriff has aroused the enmity of the party machine and will be opposed and defeated if possible by the Provincial Liberal leaders. Generally speaking Manitoba, Southern Saskatchewan, Southern Alberta and Northern Saskatchewan are against compulsory service. The alien enemy and other foreign vote, official Liberals and a large section of the farming community are against compulsory service, and it must be remembered that 150,000 men, twenty-five per cent of the electorate are overseas and lost to British sentiment here.

WINS CYCLE RACE.

By Courier Leased Wire.

Newark, N. J., Aug. 9—Frank L. Kramer won the twenty-five mile national bicycle championship here last night from a field of thirty riders. Alfred Goullet, Reggie McNamara, Bob Spears and Eddie Madden finished next in order. Kramer's time was 54 minutes, 16 1-5 seconds.

EARTHQUAKES.

By Courier Leased Wire.

Wellington, Nz., Aug. 9—Further severe earthquake shocks occurred at Wairarapa, northwest of Wellington. There were no casualties.

BIG AND LITTLE.

When some big fellow comes along, some man who's won because he's strong, broad-minded folk applaud him; they hail him for the things he's done, rejoice in victories he's won; but ten cent men will prod him. "He's just a mediocre jay, but luck has helped him on his way," the little fellows mutter; "if he had such luck as ours, they would not strew his path with flowers—we'd see him in the gutter." If you are feeling rather sore because the sway backed chap next door goes up, while you are failing, you'll find it wise to wear a grin, and say you hope he'll always win, and wish him pleasant sailing. For if you start to run him down, and make some holes in his renown, good sports will always spurn you; they'll say you are too cheap to train with people who are safe and sane, they'll ostracise and dern you. There is no cheaper trick, my son, than running down the man who's won, with criticism dreary; by doing so you demonstrate that you're a spiteful little skate, and make fair people weary. We can't all scale the heights of fame, but all of us can play the game like sports of nerve and merit; and if we fall down in our plans, and line-up with the also rans, why we can grin and bear it.
