IT WAS A HURRICANE.

Terrific Wind Storm in Minnesota and Dakota Friday—Other Big Blows.

ST. PAUL, July 7.—A great storm passed over Western and Central Minnesota and Eastern Dakota yesterday. The wind reached the velocity of a hurricane. At Shakopee, Minn., the great building of the Wampach Furniture Company was so badly wrecked that it was impossible to run the machinery. The loss is $5000. The cooper building was demolished and Kohl & Berens's store unroofed. Several frame residences and barns were blown away, and trees and fences torn up and thrown across the highways in such a way as to prevent travel. At Redwood Falls, Minn., several buildings were toppled over and some burned by lightning. Much damage to fences and crops is reported from the country. At St. Peter, Minn., lightning burned two or three buildings, one a barn containing several valuable horses. Many hundreds of acres of corn were destroyed by hail. Many buildings were blown down in the vicinity of Roswell, D.T., where the storm swept a strip of country twenty miles wide. At Vilas hail did considerable damage to growing wheat, corn and oats.

Havoc at Edwardsburg, Mich.

CHICAGO, July 7.—A destructive windstorm struck the town of Edwardsburg, Mich., about 1 o'clock last night, creating sad havoc through the village. The town consists of about 700 inhabitants, and contains between 250 and 300 buildings. It is located on the Grand Trunk Railway, 113 miles from Chicago, on the shores of Diamond Lake. The wind struck the village with terrific force, overturning and carrying away many of the houses. There is not a business house in the place but what is damaged to more or less extent, and the town is almost a complete wreck.

Arkansas Counties Suffer.

ST. LOUIS, July 7.—Advices to the Post-Dispatch from Evening Shade, Ark., say that a terrible rain and hail storm visited Sharp and Independence Counties Wednesday. The damage was great. Sixty-five farmers in the vicinity of Charlotte lost everything in the way of crops, corn, oats and cotton being entirely destroyed. A 14-year-old boy was killed by lightning during the storm.

Before her marriage Mrs. Norton was Emma Stockton and was a very handsome woman and an actress of high repute. Mr. Moore has an estimable wife who is now at Manitou Springs, Col., with her only child, a boy of 6 years.

NIAGARA FALLS, July 7.—A daring burglary was effected at the Wesley Park Hotel during the early hours of this morning, the burglars effecting an entrance, it is supposed, by opening the front door with skeleton keys. They cleared two rooms of their valuables by fishing them through the transoms at the top of the doors. Rev. Nathaniel Sites, the Chinese missionary, loses $26 in money and $100 in jewelry and clothes. Mr. Strawn, the proprietor of the hotel, loses $15 in money, $600 in notes, checks for $63 and $70, a book of tickets for the Chicora and Cibola and jewelry and clothes amounting to $100. The Ontario police have the matter in hand.

WATCH REPAIRING.
As it Often is, versus as it Should be.
Having lately taken in to repair quite a few watches that have been recently repaired by others, without success, and for which work excessive charges are said to have been made, it occurs to me to inform the public that my charges vary from 50c. to $1.50 and but rarely exceed this. My numerous customers will bear me out in the assertion that it does not cost them more than from $1 to $2 to get good time from their watches the year round. I do not charge my confrères with overcharging for the work done, the mistake is in needlessly doing too much, from not having the experience and skill to readily perceive the cause of the difficulty, which may be a mere trifle. Please note the address.

GRATEFUL—COMFORTING
EPPS'S COCOA.
BREAKFAST.
"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor's bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified, with pure blood and a properly nourished frame."—*Civil Service Gazette.*
