CAUGHNAWAGA AT 6 TO 5 WON THE SARATOGA CUP

Beldame Was Second and Cairngorm Third—Only Three Starters.

Saratoga, Aug. 19.—One of the prettiest distance races ever seen on any track was that for the Saratoga Cup, the special feature, to day, which was won by John Sanford's Caughnawaga. Considerable disappointment was felt at the withdrawal of Harry Payne Whitney's crack filly Artful, which left Caughnawaga, August Belmont's Beldame, who won the event last year, and Sydney Paget's Cairngorm the only starters.

Beldame was the first to break and set a fast pace. For a mile and a quarter she was out in front, with Cairngorm running a length away and two or three lengths ahead of Caughnawaga. The latter was running smoothly with a steady even stride. As they made the last turn into the home stretch, Cairngorm, who was then leading by a head, made his run. His advantage was short-lived, however, for both the others passed him in a rush with the Belmont filly ahead. Then Redfern shook up the old horse, who responded with a will, winning by a length and a half from Beldame, who was two lengths ahead of Cairngorm. The ring was hit hard thru the victory of the Sanford horse, who was played down to six to five from eight to five.

The United States Stakes was merely a breeze for H. P. Whitney's Burgomaster, a hot favorite, coupled in the betting with Pegasus. Ormondale, an added starter, was second choice. Jimmy Lane, the favorite in the steeplechase, won by 20 lengths. Jim Newman killed whatever chance he may have had by trying to run out of the course.

The finish in both the fifth and sixth races was close, the leaders being heads apart in both. Redfern rode the winners of the big stake races. The crowd was exceptionally large and the conditions perfect for racing. Summaries:

First race, 6 furlongs, selling, 3-year-olds—Brushup, 96 (Perrine), 40 to 1, 1; Humo, 108 (McDaniel), 7 to 2, 2; Watermirror, 96 (Sewell), 15 to 1, 3. Time 1.13¾. Confessor, Dauseuse, Col. White, Halbert, Pioneer, Lochinvar, Regal and Peggy O'Neil also ran.

Windsor's Fall Meeting.

Windsor, Aug. 19.—Preparations are under way for the fall running meeting. Nearly all the horses now racing at Fort Erie and others at Latonia, will be in attendance. Instead of sticking to its original intention of holding a two weeks' meeting, the Highland Park Jockey Club has arranged for three weeks. The meeting will begin Sept. 25 and continue to Oct. 14.

The Windsor Driving Association, which controls the track, will have no interest in the meeting. The track has been simply leased to the Highland Park Jockey Club for a running meeting.

POUGHKEEPSIE CIRCUIT CLOSES.

Peruna Won the Pace and Swift B. and Jim Ferry the Trots.

Poughkeepsie, Aug. 19.—The Grand Circuit meeting at the Hudson Driving Park was concluded to-day with three finely contested races. The 2.10 pace was won by the favorite, Peruna, which sold for $25 in the pools, in which Stein and Ed. Geers each brought $10, Elmwood $5 and the field $13. Altho the finishes were all close, the favorite won in straight heats.

In the 2,15 trot, the talent was unable to pick a favorite before the first heat, and Swift B. and Thornboy each brought $50, with Swago selling for $20, and the field at $15. Swift B. outclassed the field and made it a straight heat affair handily. The other favorites had difficulty in getting into the money, while Harry J. and Kinstress, having equal scores, divided second and third.

The 2,10 trot had the bettors guessing all the time. The opening pools made Clarita W. favorite at $50 to $13 for the field. The Roman took the first, with Clarita W. sixth, notwithstanding which the mare continued favorite at reduced odds. This was largely because Geers was driving. In the second heat, which went to Robert Mc, the favorite was a good second. Geers withdrew the horse after the heat, because of lameness. Jim Ferry won the next heat, showing such superior staying qualities, that he was made favorite and won the fourth heat and the race in a close finish with Topsy, the Roman and Robert Mc dividing second and third.

New York, Aug. 20.—Six of the seven clubs members of the Metropolitan Association Football League were represented at a meeting of the executive committee of that organization held yesterday, called to consider plans for the game with the English team which will play in New York in October. The action of the secretary in arranging this game was ratified and commended.

The secretary-treasurer of the league, Jerome Flannery, tendered his resignation owing to ill-health, and S. S. Christy, 624 American Tract Building, New York, was elected in his stead. Mr. Christy has been a keen supporter of the game in New York for several years, and is well and favorably known among football players in the vicinity of the city.

Further details were received here yesterday regarding the visit of the English players. The visitors will play their first game in Montreal on Sept. 9. They will then travel east and play Hamilton on the 11th. The following day they will spend visiting Niagara Falls, and on Wednesday, Sept. 13, they will play the Berlin team. Toronto will be played on the following Thursday or Friday, and then the Englishmen will face the Canadian champions at Galt on Saturday, Sept. 16.

From there the team will enter the United States, and play in Detroit, St. Louis and Chicago before coming east. Three days will be given to Philadelphia and one to New York and Boston, the game in this city being scheduled for Saturday, Oct. 14. F. W. Milne of Sheffield United will captain the team, which will be made up from the following players:

Sir Charles Kirkpatrick, Dorking; C. B. Fry, Casuals; T. T. Pitchie, Woolwich Arsenal; J. D. Bamsdall, Notts Forest; V. J. Woodward, Tottenham; H. Smith, Reading; R. E. Hounsfield, T. GAME CALLED IN EIGHTH JERSEY CITY 1, TORONTO 1

Providence Blanked Royals—Newark Beat Bronchos—Orioles Beat Bisons.

The bargain day crowd at the ball grounds were again disappointed and did not witness one full game. In the eighth of the first, with the score 1 each, rain came down and soaked the clay diamond into mud. It was utterly impossible to finish the first or start the second. Providence blanked the Royals, 2 to 0. Newark treated the tail-enders twice, while Baltimore took the lead by winning two from Buffalo. Montreal won the only Sunday game and stays ahead of Toronto. Jersey City 1, Toronto 1.

It was an even struggle at the park Saturday afternoon. Olmstead and Mapherson were opponents, and both did well. A full nine innings was not played. With two down in Toronto's half of the eighth, the rain intervened and stopped proceedings shortly after the Torontos had evened the score at one apiece in the sixth.

The Skeeters started off with a rush in the first, and before the homesters knew where they were at a run was in on a pass to Clement; Merritt's hit, which was too fast for Magoon, and Keister's slow single between third and short. Cassidy filed out. Halligan hit to Zimmerman, and Merritt was caught between third and home. Keister sought to reach second on the play, but was caught in the attempt.

In the first, White was passed, but was out trying to steal. Harley singled, but Soffel hit into a fast double to Merritt. Vandergrift tripled in the second after two were gone, but Olmstead fanned. With one out in the third, Merritt doubled a bounder over Soffel, but died at third, Jersey City worked another double in the fifth. Toronto evened in the sixth. Macpherson singled into centre. White's sacrifice, Harley's out and Soffel's single scored him. The score:

Jersey City—	A.B.	R.	H.	O.	A.	E.
Clement, l.f.	3	1	0	0	0	0
