

It is to Your Interest as an Architect

as well as that of your clients, that you should spend a few moments considering the self-evident merits of the **NATURO** closet and Seat. These are new, a decided departure from all other closets. They are the result of a careful study of physiology and assist nature in keeping the body in good condition.

There is no other closet like it, the idea is patented and fully explained in our book which we would like to send you. It would only take a few minutes to convince you and you'll agree that it was time well spent.
