BOWLERS' DAY AT MONTREAL

Warner's Englishmen All Out in First Innings for 130.

Canadians Did Even Worse, and Only Scored 82 Runs—Mitchells and Brey Make Bunches of 28—Match to Be Continued.

Montreal, Sept. 8.—The match between Mr. H. P. Warner's English team and the picked Montreal and Ottawa team commenced on the M.A.A.A. grounds this morning. The weather was delightful, and the wicket was in fairly good order, considering the rain of the previous day. The poor display of the visitors was somewhat of a surprise, no doubt accounted for by their having had no opportunities to practice since their bad sea voyage.

Mr. Warner's team consisted of 12 men, while the local team had 15 players.

In the first innings the English team to the bat first and scored 130. The Canadian team in the first inning scored 82. The second innings had only about commenced when time was called, and the match will conclude to-morrow.

Cricketers Rolled on Gallia.

Mr. Warner's cricket team had a frightfully bad time on the Gallia, the steamer suffering from a multiplication of breakdowns and protracted stoppages. They had not been three hours from Liverpool when the ship was stopped to pack a cylinder. E. P. Penn, one of the party, missed the train from Euston-square, and consequently the steamer put in and promptly telegraphed that he would take the Etruria, and no doubt he got to Montreal first, and without the annoyances and delay to which the passengers on the Gallia were subjected.

Before the Breeze.

In the Royal Victoria Yacht Club regatta in the Solent, Kommodore, the well-known German cutter, secured fourth place in the race for the 65 raters. Ashild, a racing cutter not unknown to fame, defeated her and four other yachts, Ailsa, Boni and Aurora, the representatives of the larger class of English yachts, had a contest in the same regatta, and Bona was the winner by a narrow margin.

On Saturday the skiff class of the Royal Canadian Yacht Club will race on the bay. According to the program of races this will complete the season. The racing season of the Royal Hamilton Yacht Club will also be wound up on Saturday, races being held on that day for the first and 30-foot classes, for the Monck and Lucas Cups.

The Philadelphia Eleven.

Philadelphia, Sept. 8.—The indications are that the international cricket matches this autumn will prove of more interest than for many seasons past, and already the first match, which is to be played on the grounds of the Philadelphia Cricket Club at Wissahickon Heights, on Sept. 16, 17 and 19, is a theme of considerable discussion. The Britishers, under the captaincy of Mr. Pellam F. Warner, will commence their series of matches in Montreal on Friday and Saturday. From there they will journey to Toronto, where they will play All-Canada, and will arrive in this city on Wednesday, Sept. 14, where they will receive a warm welcome. Yesterday afternoon the committee of the Associated Cricket Clubs selected the following side to defend the laurels of the Quaker City in the match at Wissahickon: Reynolds D Brown, Germantown; J Barton King, Belmont; William W Noble, Germantown; J H Scattergood, Merion; Nelson Z Graves, jr., Germantown; A M Wood, Belmont; Percy H Clark, Germantown; Henry C Townsend, jr., Germantown; J E Cope Morton, Germantown; Henry C. Thayer, Merion; Frederick H Bates, Germantown. This team is probably the strongest that could be placed on the field at this time, and the only others who might be looked upon as strengthening it are Messrs. George Stuart Paterson, John A. Lester and Lunford Biddle. Mr. Paterson has retired from international cricket, and Lester is in the far west.

There is every probability of a league being formed among the following towns: Wodstock, Ingersoll, Aylmer, Brantford, St. Thomas and Simcoe.

Halifax Has a Fast Sprinter.

Charlottetown, P.E.I, Sept. 8.—The Maritime Provinces championship games took place to-day and some record-breaking sport was witnessed, though the wind was not favorable to fast running. Stephen of the Halifax Wanderers won the 100 yards dash in 10 seconds and the 220 yards dash in 22¼ seconds; thelatter breakes the Maritime record of 22 3-5 and for the 100 yards dash. There are only five other ten-second men in the world. Henderson of Moncton gave an exhibition throw of the 16-pound hammer, covering 103 feet 7½ inches and nearly equalling the Canadian record of 104 feet, held by G. M. Murray.

Pugilistic Gossip.

Betting has begun on the Credon-Bonner fight of next Monday night at New York. Credon is favorite at 100 to 80.

Jerome Quigley of Philadelphia is ready to box Kid McPartland or Jack Daly.—N. Y. Sun.

Peter Maher was asked to meet Gus Ruhlin the other day and quickly replied that he would fight Ruhlin any time the latter is ready. Joe Goddard is also after Ruhlin and desires to box Gus six or twenty rounds.

George Cobb writes: I would like to meet Archie Woods or some of the local boxers of this city in one of the preliminaries at the Crescent A.C. race week.

Andy Ward writes that he would like to get on another match with Kilty, as he was in poor condition when the latter secured the decision last winter in ten rounds.

Harry Bethune, the old-time fast sprinter, is at present in oronto. He says he can still do better than 13, but gives little time to the running game. He rarely ever misses a big fight and will go over to Buffalo for the Erne-Lavigne go on Monday.

The Crescent Athletic Club may match Archie Woods and Tedd Chandler for the race week show in the Mutual-street Rink.

Billy McEwan of St. homas wants to meet Jimmy Woods the West End boxer, six rounds at 132 lbs., as a preliminary to the next entertainment.

AGAIN THE CAPS GO DOWN

Islanders Kept the Ots From Scoring Until the Ninth.

The Final Score Was 6 to 3—Lee, the T. A. C. Twirler, Will Go in Against the Visitors To-Day—Montreal and Wilkes-Barre Keep on Winning.

President Graham of the Ottawa Baseball Club returned from the Buffalo meeting yesterday and his presence at the Island seemed to ginger up the Caps. Apart from a few bad breaks, they put up a good game. Around the infield they were bad enough to beat any pitcher, Gannon was in great form, and only in one innings did the Torontos get their hits together. That was in the seventh, when four singles, mixed with Caps' errors, netted four runs that turned out very needful.

Suthoff was also in good form, but the honors went with the south paw. Toronto's clean fielding won the game, and it looked like a shut out on the visitors up to the ninth, when Clymer's triple, singles by Kelly, Keister and Bean, and a mix-up between Gatins and Taylor scored their only bunch. Arthur Boyd, late of the T.A.C. and Stratford, took the place of his injured namesake behind the bat, and did fairly well, though his throwing wing couldn't stop the Islanders. Lee, the T.A.C. twirler, also warmed up for a trial, and he will go in for his initiation in the Eastern to-day, twirling for the Torontos. Though the day was somewhat chilly at the Point, there was a fairly good crowd in attendance. Score:

Lee Pitches for Toronto.

The feature of to-day's game at Hanlan's Point between Toronto and Ottawa will be the appearance of Lee, the crack pitcher of the T.A.C. team. There are many who believe that the Eastern League is not any too fast for him, and he is anxious to show that he can pitch good ball against an Eastern League team. To-day is the last Boys' Day of the season. To-morrow (Saturday) is the last game of the season, when a double-header will be played for one admission.
