CHILDREN'S AID SOCIETY.

Eighth Annual Meeting Held Yesterday Afternoon and New Officers Elected.

The eighth annual meeting of the Children's Aid Society was held yesterday afternoon. Half a hundred men and women interested in the work met at 135 East Adelaide-street. Mayor Shaw presided. He thought the Government ought to aid the work, as the city was doing.

The Board of Management report was replete with figures. During the year 1213 children's court cases had been heard. The society now acts as a subordinate governmental agency for protecting the helpless. Last year 81 children had been given homes.

The receipts for the year were $8105, the disbursements $6764, leaving a balance of $1349. The first legacy in the society's history had been given by the late Mrs. Annie Currie, and it amounted to $1000.

Hon. E. J. Davis, who was present, said he thought it would pay the province to invest more money in the work of caring for neglected children. Other speeches were made.

Interspersed with the speeches solos were rendered by Miss McCutcheon and Miss Richards, while 17 of the little children sang a hymn. On motion of Rev. A. McMillan, the following were appointed the Board of Management for the ensuing year: Patron, His Excellency the Governor-General; patroness, the Countess of Minto; president, Mr. J. K. Macdonald; vice-presidents, Dr. William Oldright, Dr. W. Harley Smith, R. S. Band, H. K. Frankland; treasurer, A. M. Campbell. This is the committee: Messrs. C. P. Smith, Robert Hall, C. J. Atkinson, Rev. P. Clifton Parker, Dr. T. Millman, Rev. E. E. Fox, E. F. Clarke, C. D. Daniel, James Massie, James Scott, Mrs. William Oldright, Mrs. J. J. Follett, Mrs. J. K. Macdonald, Mrs. C. F. Bateman, Mrs. S. G. Smith, Mrs. James Carlyle, Mrs. C. C. Van Norman, Mrs. James Ryrie, Mrs. Eldridge Stanton, Mrs. John Lillie, Mrs. J. W. Flavelle, Miss Wardrop.

BOXES FOR SOUTH AFRICA.

The Christmas Batch Has Gone, but There is Still Time for New Year's Gifts.

"What does it cost to send anything to South Africa?" kept the Postoffice hustling yesterday, and the authorities are making special arrangements to handle the warehouse collection of parcels that is looked for in consequence. Toronto's thousands of hospitable donors, however, are now too late to catch the boat which will land presents on Xmas Day, and the next consignment won't get to the camp until New Year's Day. Owing to this delay, only 11 parcels will arrive in time for Xmas.

"The boys won't care whether they get the good things on Dec. 25 or Jan. 6," said Postmaster Patteson yesterday. "Just think of all the choice presents they have on board! Now, if Toronto people want to send along more good things they shouldn't be explosives or Scotch whiskey, as everyone knows that Cape Town is as full of it as Edinburgh, or Toronto for that matter."

SCARCITY OF CARS.

Both C.P.R. and G.T.R. in Want, While a Coal Famine is in Sight.

The Canadian Pacific and Grand Trunk Railway authorities in Toronto have been forced to put their fingers into their ears to keep out the din which freight shippers are raising over the frightful scarcity of cars. The farmers, too, are keen sufferers and are wailing about increased rates in sending stock into the city. The companies declare that the scarcity is due to the fact that the cars are out west dragging home a phenomenal harvest, but the facts show that at least one-quarter are being used to carry Pennsylvania coal to the different points of destination. The coal men in Toronto say that even with this they can't prevent a coal famine in Canada, and it stands no chance of being lifted until early in December.

FRALICK SET FREE.

Kingston Police Officials Put Up No Case Against Him—Burglar Wilson Sentenced.

Kingston, Ont., Nov. 16.—Before the Police Court opened this morning Magistrate Duff, County Crown Attorney Whiting and B. M. Britton, counsel for Charles Fralick, who shot John James yesterday morning while the last-named was going through his hen-house, had a short consultation, after which Fralick was released, having spent 28 hours in the cells. The police found several articles near Fralick's hotel, and are trying to trace the identity of the men who accompanied James at the time of the shooting.

Wilson Goes to the Central.

At the Police Court this morning Wilson, the burglar who broke into C. H. Reid's general store at North Augusta on Friday night last, and was captured by the local police, withdrew his former plea of not guilty, and admitted the offence. He was sent to the Central Prison for one year and 360 days. He would not give the name of his accomplice, who escaped.

Monument for Old Soldiers.

The Army and Navy Veterans are very grateful for the generous response from Canada to the appeal for assistance to erect a military memorial in the old military cemetery. Secretary Gray has received about $300 during the past two weeks. The Massey-Harris Company has donated $100, and promises of assistance from other firms are coming in daily. Any subscription will be gratefully acknowledged. The Grenadier Guards, 3rd King's Royal Rifles, King's Own Scottish Borderers and Royal Artillery subscribed last month.

Where the Magistrate Presides.

Sixty days in jail was the sentence imposed yesterday on Thomas White in the Police Court for stealing some stationery from his employers, W. J. Gage & Co.

William McLeod was convicted of stealing some linen from the Alien Manufacturing Company. He went down for a month.

For being disorderly and being drunk William Griffin was fined $10 and costs.

Richard Houston, charged with begging, was allowed to go with a warning.

Fred Phalen and John Noble were committed for trial on a charge of assaulting Emma Foam.

Mary Brown, an old woman, was let out on suspended sentence and told to come back if she wanted a home for the winter.

Smith—Leaman.

At the residence of Mr. D. P. Leaman, 12 De Grassi-street, the marriage was celebrated of Miss Birdie Elizabeth Leaman and Mr. Thomas James Smith. The nuptial knot was tied by Rev. W. E. Hassard of Simpson-avenue Methodist Church.

COUNTY AND SUBURBAN NEWS

Wilson, Borden and Marshall of Toronto Junction Have All Met Prowling Footpads.

STORY OF AN EXCITING DEER HUNT.

Miss Annie Sheppard of Toronto Appointed as a Teacher in East Toronto School.

Toronto Junction, Nov. 16.—(Special.)—Footpads appear to be infesting the junction of the city with this town. In addition to the hold-up of Mr. Wilson on Sunday and Mr. Borden of Louisa-street last night, comes the report that Mr. Marshall likewise met these thugs.

The regular meeting of the Public Library Board was held last night, when it was decided to buy $200 worth of new books. This is $75 more than the Board expected to expend; but they are justified in the expense in view of the fact that the Government grant will be the same this year as last, although the present year consists of only eight months. Formerly the year ran from May to May. A recent statute changes the library year to correspond with the calendar year.

Mr. H. E. Snell and J. W. Sanderson returned from Muskoka last night with four large deer. They report deer plentiful and saw several fawns, at which they did not shoot. Mr. Perfect of Orangeville, a brother of Dr. Perfect of this town, and an Orangeville private banker, who had camped a short distance from them, shot a large buck, and had quite an experience in capturing it. The deer fell on the top of a rocky hill. Mr. Perfect got up to it, and was about to cut its throat when one of the dogs bit the deer on the leg, and it began to show fight. The Orangeville banker arrived just in time to have his pants torn and coat ripped off by the dying stag, and the three of them rolled down into a ravine, where the deer was despatched.

East Toronto.

East Toronto, Nov. 16.—(Special.)—Dr. Walters and party of sportsmen returned from South River last night with 21 deer, nine of which they disposed of in the city and 12 which they brought here.

The largest of the bunch was shot by Dr. Walters' father, and tipped the scales at 178 pounds.

At a meeting of the Norway Board of School Trustees last night Miss Annie Sheppard of Toronto was selected as teacher for the junior division of the school for the term commencing after Christmas. The Board also decided to fence the school grounds between the play ground of the boys and the girls.

Mrs. Cook of Bendale, wife of Stephenson Cook, and an old resident of Scarboro, died last night in her 72nd year. The funeral takes place to St. Andrew's Cemetery, Scarboro, on Saturday afternoon at 2 o'clock.

Weston.

Weston, Nov. 16.—(Special.)—The power house is completed and awaiting the arrival of the electric light plant.

A very entertaining evening was spent tonight in St. John's Hall, where St. Clement's Church choir gave a capital program. Among the numbers given was a chorus, "O, Who Will O'er the Downs With Me" and "Soldiers of the Queen," with tableaux. Miss Dunnitt gave an Irish song, "Asthore," and "When the Children are Asleep," and comic selections were rendered by Mr. McReath. A solo from the Geisha was sung by Miss Melbourne, and Miss Ingram furnished the elocutionary selections.

North Toronto.

His Honor Judge Morgan sat all day yesterday at the Town Hall and heard appeals against the voters' lists for East York. Mr. Robert Hazelton and H. H. Ball conducted the appeal for the Conservatives, and John Richardson, M.L.A., was present on behalf of the Reform party. Two divisions unfinished yesterday will be taken up this morning.

A stabbing affray outside the Eglinton Public School caused considerable commotion after school hours yesterday afternoon. A boy named John Tibb, son of the Rev. J. C. Tibb, the pastor of the Eglinton Presbyterian Church, was being teased by a number of other boys, when he struck at another boy named Walter Brown with a knife that he had in his hand. The knife cut through the boy's clothing and penetrated just beneath the shoulder bone. Dr. Richardson attended the wounded lad, and, although the cut is of some depth, no serious effects are anticipated.

The Works Committee of the Town Council met last evening, Councillor Armstrong presiding. The Metropolitan track not having been graded up as agreed to, the clerk was requested to notify the County Council, asking that body's intervention. The bridge on Victoria-avenue was reported to be in a bad state of repair and, on the recommendation of the chairman, a cutting will be made at the side of the bridge to save a washout, providing the consent of the owner of the adjacent property can be obtained. The new house for the engineer was recommended to be rented at $7 a month. The commissioner was instructed to bring in a report for laying a number of sidewalks on the initiative.

Hon. N. C. Wallace is to make a stumping tour in the Northwest, and will leave Toronto about the end of this month. It was intended that he and Mr. Foster should go together, but the latter has already made engagements in Quebec and in New Brunswick which will prevent his going.

Judge Morgan Upheld.

At the last sitting of the County Court Judge Morgan dismissed with costs the suit of Radford v. Scott. An appeal was entered and argued before Judge McDougall. His Honor gave judgment yesterday afternoon, upholding the finding of Judge Morgan.

The annual at home of the Jarvis-street Collegiate Institute will be held on Friday evening, Dec. 8. Arrangements are being made to make this event the most successful ever given by the pupils of this school.

Don't use

an imitation—especially imitations of Pearline. Many are dangerous. And dangerous washing powders can never be cheap—no matter how little you pay for them. Peddlers and untrustworthy grocers will tell you the stuff they offer is "Pearline," "same as," "as good as," "made in the same factory," etc. It's false. Pearline is the standard washing compound; never peddled; gives no prizes; simply stands on its merits as the best, safest, and most economical. 575

Sometimes You Eat Too Much.

A feeling of discomfort after eating one's meals is not pleasant. Sometimes a more excessive distress is felt after food has been taken. For instance, a dull nervous pain grows until it tortures one most savagely. It may be that the food is not digested at all and is vomited, or that the process of digestion is only half accomplished, so that a sour fermenting mass fills the stomach. Be this as it may, Hutch will effectively cure all these disorders, be they of trifling or grave import. The splendid testimonials received for Hutch prove conclusively that the most chronic case of stomach disease does not exist which it cannot cure effectually. Hutch is a doctor for ten cents.

SEASONABLE HINTS.

Guard Your Health in Fall and Early Winter.

A change from warm to cold is always attended with more danger than from a cold to a warm temperature, hence the greater mortality from lung and throat diseases at this season of the year as compared with spring.

The best protection against colds is not so much in extra clothing as in good digestion.

If the digestion and circulation are good, colds will be unknown.

Poor digestion causes poor circulation of the blood and when in this condition severe colds are contracted on the slightest provocation.

People who make a regular practice of taking Stuart's Dyspepsia Tablets after meals are free from colds, simply because their digestion is perfect, the heart strong and regular, and the whole system fortified against disease.

It requires little argument to convince anyone that the best safeguards against colds, pneumonia and changes of temperature is a good stomach.

Stuart's Dyspepsia Tablets taken after meals are dissolved and mingling with the food cause it to be promptly digested and assimilated; they do this because they contain nothing but harmless digestive elements, which digest meat, eggs and other food even when the stomach itself is weak and flaccid.

Stuart's Dyspepsia Tablets make people well and keep them well, and the best habit you can acquire is to make daily use of them at meals to keep the digestive organs strong and vigorous.
