SCHOOL CONCERT IS HELD AT PRINCETON

PRINCETON, Dec. 13.—The annual school concert was a huge success, the I. O. O. F. Hall being so crowded that there was no standing room. There were 114 children in attendance, most of whom took some part in the program. The choruses, songs, drills and tableaux were all well rendered and the piano accompaniments well played by Miss Alma Lawrence, one of the pupils. Trustee Blackmore presided.

Speeches on educational subjects were made by Rev. H. Monsinger, Rev. C. R. S. Pike and Rev. D. A. Lane. A short address was made by Trustee Lawrence, who presented the Lloyd Hughes Memorial Scholarship to Miss Ethel Creaser. Mr. Starr, for 23 years secretary-treasurer of the school, presented Charles S. Moore of the continuation class, and Murray Monsinger of the public school with medals for their essays on "Fire Prevention in Public and Private Buildings." Murray Monsinger, who is only eleven years old, won the medal last year on the same subject. The Princeton Orchestra played many good selections at intervals in the program. The whole affair showed much creditable work by the teachers and pupils.

DECIDE TO LIQUIDATE DIVIDEND ARREARS

MONTREAL, Dec. 13.—Directors of the Canadian Car and Foundry Company, Limited, at a meeting today decided to liquidate the 22¾ per cent dividend arrears on the preferred stock of the enterprise through the issue of 6 per cent negotiable script maturing in seven years. The distribution will be made before the end of the current year to shareholders on record, December 24, next.

President W. W. Butler, in making the announcement of this decision, said that the company's affairs had gradually adjusted themselves to its regular peace-time production of railway cars and various specialties in connection therewith. He added that the full 7 per cent dividend had been earned and paid, and that unfilled orders to the amount of approximately $20,000,000 were on the books of the company. Having regard to these favorable conditions, the directors have reached the conclusion that the time is now ripe for action in regard to deferred dividends.
