MURRAY'S MEN NOWHERE

Islanders Exhibited Ginger Galore and Providence Were Bumped 10 to 1.

BOWDIES LOST AT HARTFORD.

Montreal and Worcester Split up Double-Header and Stars Beat the Ponies.

The directors feel flattered over the result of the shake-up. They know the playing ability is there and with yesterday's ginger in all the games Toronto would now be easily at the top. Fortunately for Murray, he leaves to-night, or Providence would soon be fighting with the Stars for tail-end honors. The record:

	Won.	Lost.	P.C.
Rochester	63	39	.617
Worcester	56	44	.560
Montreal	52	47	.525
Toronto	52	50	.509
Hartford	48	49	.494
Springfield	46	53	.464
Providence	49	56	.466
Syracuse	34	61	.358

Games to-day: Providence at Toronto, Worcester at Montreal, Springfield at Syracuse, Hartford at Rochester.

Toronto 10, Providence 1.

The satisfactory reversal of form shown by the Islanders was a revelation on their return to the game yesterday afternoon. Wally Taylor re-appeared and all had ginger to burn. They were loud in exhorting everyone to play ball, and even Hannivan called out to Pop Williams from centre field to put 'em over. The support was perfect, and only for a momentary slip in the last round a double play would have wound up the game and a shut out the result.

The Providence clams, who always provoked the hoodoo here, got down to their own gait and were a mark, as they always ought to be. They could do little or nothing with the pitching, and had only three scattered singles up to the ninth, when two hits and a base on balls scored their solitary run. The bases were full with one out when Nyce hit to Roat, who fumbled, and Davis was safe at second, but the slowest runner in the league was easy at first. The pug first baseman made three of the visitors five hits. Toronto hit steadily throughout the game. Singles by Taylor and Beaumont and a sacrifice scored their first in the fourth. Eleven faced Evans in the sixth. Grey had a single and a double, Taylor a sacrifice, Hannivan, Roat, Beaumont and Butler clean singles, Wagner walked and Williams was safe on Lamar's muff, all for seven runs and an insurmountable lead. They kept up the slaughter in the seventh, singles by Roat and Butler, and Beaumont's two bagger tallying a pair. Beaumont hit safely every time up except the first. A select crowd of fans applauded the reinvented team, and may they keep up the fast gait. Each side worked in two fast double plays, and all round the game was one of the best spectacles of the year, though the smallest crowd saw it. Jud Smith looked pleasant from the bench. Roddy Grey cleared the bases in the sixth with a two base hit after two were out. Joe Lyndon was warmly welcomed by his Canadian friends and umpired the game without a mistake. Score:

One Each at Montreal.

Montreal, Aug. 28.—Worcester and Montreal broke even to-day. The Farmers won the first game easily, whatever chance Montreal had of winning being dissipated by dumb base running. It was the worst exhibition ever seen on the home grounds. Worcester hit Souders opportunely and bunched hits in the sixth. The second game was easy for the champions, and they landed on Horton with telling effect. Worcester could not locate Duggleby when hits meant runs, their only score being due to a wild pitch. The game was marked by many pretty plays on both sides, which was a direct contrast to the first. Scores:

Stars Beat Springfield.

Syracuse, Aug. 28.—The Stars won out their game from Springfield easily to-day. The visitors were outplayed in every point. Three times they had two on bases, with one gone, when a fast double play closed the innings. The local team played an unusually fast game in the field and did better distance hitting off Baker than they have done before since reorganization. Lynch's work on the bases was decidedly the feature.

Last of the Grays To-Day.

The Providence Greys will be Toronto's opponents at Hanlan's Point again to-day in a championship game of baseball. This will be the final appearance of Manager Murray's men this season. Dunkle and Sutthoff will be the opposing twirlers. The reorganization of the locals has apparently worked wonders, judging by yesterday's masterly exhibition. Umpire Joe Lyndon will call play at 4 o'clock to-day. To-morrow and Thursday Springfield will play at the Point, to be followed on Friday and Saturday by the Hartfords. Four games will also be played next week, so that Exhibition visitors will have plenty of opportunity to see fast professional baseball. Montreal is booked for two games here on Monday next (Labor Day).

Rowdies Take a Tumble.

Rochester, Aug. 28.—Here they say O'Loughlin's rather biased decisions aided materially in the defeat of the home club with Hartford this afternoon, but then Rochester's errors were quite costly and came at times when they were of the greatest value to the visitors. Both pitchers were very effective and did excellent work. Attendance 400.

Diamond Dust.

The Nationals defeated the Young Wellingtons on Stanley Park by a score of 12 to 5. Batteries—Townsly and Dineen; Dillon and Archer. The feature of the game was the all-round playing of the Nationals.

On the old Government grounds G. A. Rudd & Co.'s team scored another victory by defeating Warwick Bros. & Rutter. Score 12 to 2.

The following players will represent the Massey-Harris enamellers in their game on Slattery's Grove with the moulders: O'Reilly 1b., Wilcox 2b., Barton 3b., L. B. Cole ss., Spinks p., Cleverton c., Armour cf., Branstom rf., Cooper lf. (capt.), Hall sub. Dr. C. Hugill, umpire.

Washington critics attribute the Senators' recent slump to the absence of the injured catcher, Kittredge, the club's mainstay behind the bat.

The grass diamonds in the league bother most of the minor league infielders on their entree, as they are usually accustomed to a skinned diamond.

The D. W. Thompson baseball team would like to arrange a game with any of the following teams for Saturday, Sept. 2: W. J. Gage & Co., Adams Harness Co., Toronto Carpet Factory, Salada Tea Co., (W. J. Gage & Co. preferred). Address H. Dusseau, 51 Buchanan-street.

AVERY TALKED AND WON.

Tennis Player Rattled Opponents and Coached Himself to Victory at Niagara.

Niagara, Ont., Aug. 28.—The lawn tennis tournament was brought to a close this afternoon by a remarkable match between Harry Avery and G. G. Peterson in the handicap final. Avery won after a supreme effort. It was Avery's day all along the line, the loquacious Detroiter playing the best game he has ever shown. Earlier in the afternoon he defeated R. D. Little somewhat easily, the result being a great surprise for the talent, who placed their silver on the Princeton man. Avery's incessant talking seemed to disconcert his opponents, both of whom were plainly overcome thereby. In the doubles, Fischer and Bond had no trouble in disposing of Parke Wright and Peter Porter. In the finals, many of the players are leaving to-morrow for Toronto to play in the Toronto Club tournament. Scores:

Championship doubles—Semi-final round—Peter Porter and Parke Wright beat A. B. Wright and H. Bissell, 4—6, 8—6, 6—4; E. P. Fischer and W. S. Bond beat R. D. Little and H. E. Avery, 6—1, 6—1.

Final round—E. P. Fischer and W. S. Bond beat Peter Porter and Parke Wright, 6—0, 6—4, 6—1.

Handicap singles—Semi-final round—Geo. Peterson (owe half 15) beat H. N. Cowan (scratch), 6—2, 3—6, 6—2; H. E. Avery (owe 15) beat R. D. Little (owe 30), 6—3, 6—3.

Final round—H. E. Avery (owe 15) beat George Peterson (owe half 15), 3—6, 6—3, 6—4.

T. A. C. Tournament.

The Toronto Athletic Club's lawn tennis tournament has fairly started, and some good matches will again be on the boards for to-day. Little, the international champion, and Harry Avery wired their entry for the doubles to-day, and Mrs. Sidney Smith of Ottawa is here for the ladies' events, which commence to-day. Golfers for Niagara.

Niagara-on-the-Lake, Aug. 28.—Entries for the fifth annual golf tournament are beginning to come in, and there promises to be an especially large gathering of golfers from Toronto, Hamilton, Buffalo, Rochester, Cleveland and other cities. Two of the leading Canadian players have signified their intention of taking part, viz., A. W. Smith, the Toronto Club crack, and G. S. Lyon, the Rosedale champion. Mr. Lyon paid a visit to the Niagara links on Saturday, going round in 88, with the professional Ritchie, who covered the course in 83, a remarkably fine score. Buffalo will send a strong team of 12 or 15, while Cleveland will be represented by a number of its cracks. The entries close on Wednesday, with the secretary, Capt. Weir Anderson. Play begins on Thursday morning, the first event being the open handicap. On Thursday afternoon the driving competition will take place, and as in a game on Saturday Dr. Hood of Rosedale, one of the entries, drove 240 yards, some long drives may be looked for. On Friday morning the first round in the open match for the handsome Niagara Challenge Trophy will begin. The second round will be played on Friday afternoon, and Saturday will be devoted to the final round and the ladies' event, in which there are a number of entries.

Niagara Defeats Rosedale.

Tommy Burns made his this year's debut on a Chicago track and rode Schorr's colt Sea Lion, who was a slight favorite, in the third event. YACHTSMEN WHO DON'T AGREE.

Chicago Y. C. Wants all the Glory and Rochester Kicks on the Cup Inscription.

Although the international yacht race passed off without a kick from either the Canadians or Americans, there has arisen some trouble between the Rochester and Chicago Yacht Clubs with regard to the inscription to go on the cup. It seems that an agreement was reached by these two clubs after the races, but Chicago were unfair enough not to carry their side of it out, and Rochester yachtsmen have a just kick coming. Chicago were the challengers, and at their trial races invited Rochester to compete. Their boat, Genesee, proved the best, and was sent over here and won. After the races the Rochester yachtsmen asked that they be given some credit, and it was mutually agreed that the inscription on the cup should be:

"Won by the Genesee of the Rochester Yacht Club for Chicago Yacht Club, the Challenger."

This was to have been taken to Ellis, but just before Mr. Ellis set his men at work he discovered that part of the above had been erased, and left it to read as if the Genesee belonged to Chicago, consequently he notified the R.C.Y.C., and when it came to the ears of the Rochester contingent they justly kicked, but nothing could be done, as the Chicago men had left town, and the cup is still at Ells' uninscribed.

TORONTO'S ROWING RUGBY TEAM.

Argonauts Hold Their Second Annual Meeting and Show That Prospects Are Bright.

The second annual meeting of the Argonaut Rowing Club's football team was held last night at the club house, with about 40 members present, and Mr. Alex. Fraser in the chair. The prospects are much brighter than last year, and they will be the only senior team in town outside of the intercollegiate union, so should have the choice of all but bona fide students. Although the standing of the club in the league last season was at the foot, it was a successful venture, though their first season out in knickers. This year they should be well supported by everyone. Among the new men that have signified their intention of playing with the Argos are Blackwood (Varsity), Wadsworth, Jellett, Michell and Kingston of last year's Osgoodes, with Ralph Ripley and Ridley Wylie of last season's Hamilton Tigers, and several others. The officers chosen last night were:

President, T. P. Galt; vice-presidents, A. R. Denison, A. P. Burritt; treasurer, Alex. Fraser; secretary, W. R. Morson; committee, D. Bremner, H. H. Love, D. R. Mackenzie, D. F. Maguire, Charles Meek, E. A. Thompson, F. H. Thompson.

WHERE SPORTSMEN DO CONGREGATE.

Dick Alcock's Black Bull Hotel Remodelled and Re-Opened—Proprietor at Home To-Day.

The Black Bull, one of the best known hostelries in the city, presided over by Mr. Richard Alcock, has just emerged from a complete transformation, and now boasts the biggest and one of the most picturesque bars in the city. The location at West Queen-street, corner Soho, is practically the centre of the city, and naturally an enormous number are refreshed there every day.

Dick is one of the most popular and thorough sportsmen in the city and always ready to support all manly games. His hobby is boxing, and for the past decade he has always managed to pick the winner in all the big fights. Dick is interested in the Crescent Athletic Club, and to his advice in a great measure are due the good and even matches both in preliminaries and wind-ups invariably put on by the club.

With the opening of the Exposition today the Black Bull will hold a reception, and Proprietor Alcock and his hustling assistant, Charlie Bates, will be at home to everyone.

Boxers Arrive To-Day.

The principals for next Saturday night's glove contest in the Mutual-street Rink will both reach Toronto to-day to finish up training for what promises to be a fierce bout and an auspicious opening of the fall boxing season in Toronto. Walter Schlicter, manager for Charlie Johnson, wired that his protege had left Philadelphia last night, and he will be at Scanlon's American Hotel, York and Wellington-streets, this morning, doing his indoor work at Scholes' gymnasium. Mike Donovan, Kid Herrick and Manager Galvin will be at Russell's Globe Hotel this morning. The main bout is 20 rounds at 140 pounds, and so anxious are both men for the long end of the purse that both will finish up training here. Jimmy Smith is giving away weight to Kid Herrick, and it should be a hot go at 117 pounds for 10 rounds, if it lasts that long.

Around the Ring.

Jack Bonner's manager offers to wager $500 that his man will defeat big Yank Kenny when they meet in a 25-round contest at Coney Island next Monday night.

Frank Purcell of San Francisco successively defeated Brownlow Sexton of St. Louis and J. Kohl of Texas in contests that only lasted two rounds one night last week at Denver.

Jack O'Brien, the New York lightweight, will fight Jimmy Gorman at the Manhattan Athletic Club, Troy, N.Y., Sept. 12, and Tim Kearns at the Broadway Athletic Club, New York, on Sept. 29.

Harry Lemons, the Niagara Falls negro lightweight, is still boxing in the East. At Philadelphia on Friday he was defeated by Howard Wilson of Philadelphia in a six-round bout. Jack Blackson was originally scheduled to meet Wilson, but for some reason or other failed to appear, and so the visitor from Buffalo was substituted.

Mike Donovan, Kid Herrick and Manager Galvin will arrive here to-morrow morning from Rochester and will stay at the Russell House. Johnson is also expected Tuesday. He will train in Scholes' gymnasium.

Gilbert Goulette of Rochester got the decision over Jerry Marshall of Australia at the end of a 20-round bout at the Hawthorne Club Saturday night. Goldstein lost to O'Brien in the preliminary.

Patsy Haley of Buffalo was knocked out in the eighteenth round at the Greenwood Saturday night by Billy Barrett of New York. The men met at 120 pounds and were to go 25 rounds, and it was an even contest up to the last round.

Brampton Lawn Bowlers Beaten.

The Shamrocks Are Coming.

The Torontos have still another game to play with the famous Shamrocks, which will be played on the Rosedale Grounds next Monday, Labor Day, when both clubs will be seen at their best. The Torontos having again got into championship form, and the public may rely upon seeing gilt-edge lacrosse. Each club having won one and lost one, this will be the deciding game for supremacy. Plan of reserved seats will open Thursday, at Nordheimers'.

Owen Sound Beat Wiarton.

Owen Sound, Aug. 28.—Owen Sound and Wiarton played their first game in the semi-finals here to-day. The game was a good exhibition of lacrosse, and was stubbornly contested all the way through. Score: Owen Sound 5, Wiarton 3.

The Only Fault With "SALADA" CEYLON TEA

Is that it's so good that it has a host of imitators all preying on the public and all done up in lead packets to resemble the genuine.

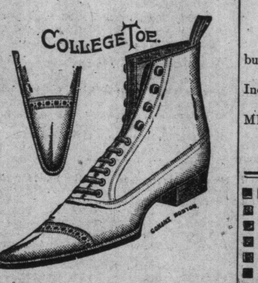
Final Clean-Up Fine Summer Shoes

I have rounded up 200 pairs of shoes, ranging in value from $2.75 to $5 per pair—which I will sell at $2 a pair.

Broken sizes—odd lots—your size in some style—plenty of $4 and $5 shoes in the lot.

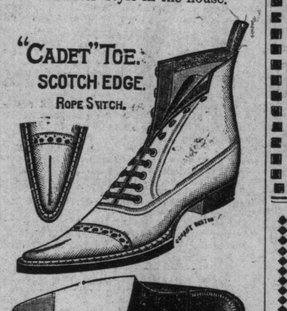
One line in particular—Tan Oxfords, with elastic sides—were $5—I bought 60 pairs and have only sold 10—they don't take like they should—but perhaps you would fancy them when they are $5 for $2.

Pick from the window if you'd rather.



$5 Shoes Like These for $2.

I want a clean stock for fall—with not a summer style in the house.



$4 Shoes Like These for $2.

You had better come at once, for it's a chance of years getting shoes like these for $2.

Look Well to Your Horses' Feet!
For the Saying Is: No Frog No Foot, No Foot No Horse.
Now, if you have a horse that is worth shoeing, have it shod well.
Remember, I don't keep a bargain day shop. I will have a fair price, and I want no cull work. I do none but the best work and I will warrant sound horses, without interfering, over-reaching.

A Pointer for Conservatives.

Editor World: If James Sutherland, M.P., is correct as to no immediate prospect of a general election, how is it that Duncan Graham, M.P., B. M. Noble, barrister, Uxbridge, and the Grit organizer are so busy in this riding looking after appeals to the Court of Revision and holding quiet meetings with the faithful? The fact is, private instructions have been sent out generally to get everything ready for a sudden spring on of the elections. Let Conservatives not be caught napping. See after the lists at once, and get candidates in the field. Citizen.

Cannington, Aug. 26.

The Rush is Now On.

The incoming trains yesterday were all crowded with visitors to Canada's greatest Fair. The cheap rates went into effect, and from now on the Union Station will be a busy place. The Grand Trunk will put on six special trains on the main line to run as far west as Waterloo, and also on the Galt and Brantford branches. The C.P.R. will also run extra trains during the Exhibition.

Sues for Services.

At Osgoode Hall yesterday Barrister S. H. Bradford issued a writ on behalf of B. E. Swazie, lawyer, against Thomas Adair, Shadrach Fawkes and Drusella Fawkes to set aside a mortgage given by the Fawkeses to Adair on property at 347 Yonge-street, alleging that the mortgage is a fraud against the creditors, of which he is one, to the extent of $1000, for legal services.
