ENGLISH RUGBY FOR CANADA.

Montreal Enthusiasts Anxious to Organize—Australians Coming.

Montreal, Nov. 26.—The visit to this city of the Dalhousie College football team has already had one result, the inception of a movement to propagate English Rugby in Canada. To further this idea, a meeting of those interested will be held next week, altho neither date nor place of meeting has been definitely arranged. Football is a popular autumn game in Canada, and three sets of rules prevail—the Burnside in Ontario, the scrimmage formation in Quebec, while in the East and middle for West English rules are in vogue. Since the visit of the All-Canada team to Great Britain, there has been agitation for a more open and less heavy game than that which existed under the old rules in Ontario and Quebec. Rugby experts in both provinces have remedied this considerably by improvements in their own game, but there is a considerable element that desires to re-establish the old rules, under which the game is now played in Eastern and Western Canada. Exponents of the English game have had chats with Dickie, the Dalhousie captain, and this group is the nucleus of the movement. They propose to interest all the Canadian Rugby Unions in the scheme, and all will be communicated with at the earliest possible opportunity. The promoters have in view the visit of the Australian team to England next season. It is proposed to have the Australians come by way of Canada, so that if by that time there were teams from coast to coast playing the English game, it would be possible to arrange a big series of games.

Victorias' Line-Up.

The interest in the final game for the intermediate championship of Canada to be played on the Varsity grounds on Saturday has greatly increased in the past couple of days. Notwithstanding the fact that the Victorias will be without the services of Cotton on the back division, they will have a good substitute in Stellery. E. Percy Brown will referee the match, as he is well up in the rules of the Quebec Union and has already refereed under them. The probable line up of the Victorias will be: Back, Tooze; halves, Stellery, Gowans, Robertson; quarter, Yemman; scrimmage, Pitcher, Russell, Brown; wings, York, Yeaman, Whales, McWhirter, Palmer, Sheppard, Hudson, Henderson.

The Scots Are Amateurs.

Sporting Editor World: Re this morning's paper, I see a challenge to the Scots' F.B.T. for any sum over $30. The manager of this unknown country evidently knows that he is safe in talking money, as the Scots are purely amateur. This season the Scots endeavored to enter the W.P.A. in order to defend their title, but thru the jealousy of a well-known Toronto team were debarred. I admit their challenges are rather frequent, but are also sincere; they have challenged every team in the country, Galt included, but only S.F.S. are sportsmanlike enough to take them up. Hoping this will make things clear to the unknown 'plunger' of the starlights. Scot.

Dentals Defeated S.P.S.

In a semi-final Cup game at Varsity yesterday the Dentals defeated the S.P.S., last year's trophy winners, by a score of 15 to 11. During the first half of the game the Scientists had everything their own way, the score being 7 to 0 in their favor. Their wings played an excellent game and Lappin's kicking was the feature of the game. The second half was all Dental. In the last ten minutes their two tries won them the game. They play St. Michaels on Monday and the winners will play the Arts in the final game to decide who shall hold the trophy for the best year. The teams:

Dentals (15). Back, Carruth; halves, Elliott, Lappin and McDonald; quarter, Kemp; centre, Kelly; wings, Steele, Brown, Hamilton, Watson, New and Reed.

S.P.S. (11): Back, Beck; halves, Acton, McGivern and McKenzie; quarter, Stewart; centre, Bevan; wings, Christie, Ritchie, Conery, Rogers, Rowe and Powers.

Referee—Ballard, Umpire—J. Hewitt.

Lambton Golf Club.

The Lambton Golf Club's November handicap will take place on Saturday.

The members of the Lambton Golf Club may enjoy a splendid alternative to their favorite pastime these days, as the Humber and Black Creek are both frozen over and safe for skating.

Unfortunately the impression has gone abroad that golf costume is de rigueur at the dinner to be tendered to President A. W. Smith of the Lambton Golf and Country Club on Saturday next. The committee wish it understood that such is not the case, as it is the intention that the dinner shall be of an informal nature.

Rough Riders Quit for Season.

Snow at Ottawa and lack of time for training are the reasons given by the Rough Riders for their final refusal to meet Toronto Varsity, the college champions. The Quebec Union champions have thus quit for the season, and their manner of quitting is seriously questioned in these parts.

American Thanksgiving Rugby.

At Philadelphia—Pennsylvania wound up her football season by defeating Cornell by the overwhelming score of 42 to 0.

At Chicago—Carlisle Indians 28, Northwestern University 0.

Football Kicks.

Notices have been issued calling the annual meeting of the O.R.F.U. for Dec. 5. There are no notices of motion.

The following players of the Deer Park Rugby Club are requested to be out to practice tonight: Pratt, Seton, Culliton, McElden, W. Minns, E. Minns, Cox, Green, Olcott, Roland Tweddle, Martin, Gay, Crocker, Butty, Hill and McFarland.

The semi-final between the Broadviews and Sherbourne-street for the Ontario intermediate championship will be played on Saturday afternoon.

The annual football contest between Ridley past and present will be played in St. Catharines on Saturday next. The train leaves the Union Station at 11 a.m. Every Ridley Old Boy is expected to make a special effort to be present.

The King Edward football team defeated the Queen's Hotel team in a game, which was to have been played yesterday afternoon, each team having won one.

Big Classes in West End Y.M.C.A.

The boys' gym classes in the West End Y.M.C.A. are very popular this year. The average attendance at the schoolboys' classes is 60, while that of the working boys is as high as 80. A flashlight photo of the class was taken on Tuesday, 100 boys being in line. In the working boys' section there are two basket ball leagues for larger and smaller boys. There are six teams in each league, with about 90 players in all. Following is the standing for the two leagues:

—Older Boys.—

	Won.	Lost.
Bonnard	3	0
Hicks	1	1
Leachman	1	1
Nelson	1	1
Young	1	2
Porter	0	3

—Younger Boys.—

	Won.	Lost.
Hamm	3	0
Langford	3	0
Copeland	2	2
Hughes	2	4
Benson	1	2
Dennard	1	4

The Boys' Club will celebrate their annual banquet on Friday evening, when covers will be set for 50 boys.

West End Athletic Club.

At a meeting of some of the residents of the West End of the city and more particularly of Gladstone-avenue, held in the office of James Coulter, it was decided to form a sporting and athletic club. The following officers were elected to carry the scheme into effect: President, James Coulter; vice-president, L. Minto; secretary, Nelson Ashton; treasurer, Samuel Wright; Captains, Alf. J. J. Ward and Candidate Scott. The club expect to pull off some amateur bouts as well as dog competitions during the winter.

A handicap wrestling bout took place between A. H. Smith and Harry Benson of Toronto. It was agreed that Benson was to throw Smith in 15 minutes, he being 30 pounds the heavier. Smith won the first fall in three-quarters of a minute and the second in two minutes. A large sum of money changed hands on the result, which was quite a surprise, Benson being favorite.

Detroit Racing Dates.

Detroit, Nov. 25.—The first hint regarding the probabilities for Detroit in next season's racing game, was secured yesterday when President George M. Hendry of the Highland Park Jockey Club, remarked that so far as the club had canvassed the matter, it seemed that the most advisable dates would be in August. To this he added that the jumps from Fort Erie to Highland Park and back had proven a hardship for the horsemen last year, and, always contingent on the decision of the Western Jockey Club, the Highland Park organization would hold but one meeting on each of its tracks.

As at present constituted the racing program for the Canadian circuit will begin at Toronto May 21, with the Ontario Jockey Club's meeting, which is due to last till June 4. It is intended to have Hamilton follow, lasting till June 11.

In the meantime the Kenilworth track at Buffalo is scheduled to come in, beginning May 30, and continuing till June 18, at which time the Fort Erie Club will take the bangalls. This will bring the program down to Detroit, and the club would like to have August to itself. After August 31 the field will be cleared for fall dates, which it is expected that a Windsor meeting will be held, altho Sam Wagner has as yet announced nothing beyond his intention of certainly holding a meeting at the track across the river same time during the warm weather.

Nothing is known of the plans of President Campau of the Detroit Jockey Club. Last year the meeting preceded the arrival of the trotters by several weeks, and it is probable that early dates will again be looked for at Grosse Pointe.

Waist Line Reduction

YOU need not look stouter than you are! It isn't necessary to let a custom tailor burlesque you with a coat which has a skirt cut so full that you sail down town like a walking advertisement for a brewery.

We cut the big man's coat with longish skirt, and advise a "morning," "shooting" or frock coat, with the waist line higher than usual to give the appearance of slenderness.

You can pre-judge these effects in "Semi-ready" before purchasing and have it finished according to your own figure in two hours.

Joseph H. Parker was selected as delegate to the O.H.A. meeting, which takes place in Toronto on Dec. 5.

Lewis, who was one of the fast Bank of Commerce team of Toronto last year. Ross Cameron, ex-captain of the Norwood team, is also residing here and may figure on the seven. The ice was in perfect condition and Manager Harry Jamieson was more than satisfied with the form shown by his players.

Only Intermediates for the Soo.

Sault Ste. Marie, Ont., Nov. 26.—The annual meeting of the Soo Hockey Club was held last evening. It was decided to enter a team in only the intermediate series of the Ontario Hockey Association this year. All of last year's senior players are here, and it is the expectation of the enthusiasts that they will come pretty near bringing the intermediate championship to the Soo, as in the games of last winter with Smith's Falls, the Wellingtons, Varsity and St. George's of Toronto and others, they showed themselves to be of first-class quality, and they ought to be better this winter. The following officers were elected: President, Dr. A. A. Shepard; hon. vice-president, J. P. Mooney; president, P. B. Fripp; vice-president, C. V. Plummer; secretary, John Sutherland; treasurer, G. Freeman; Executive Committee, Messrs. Washburn, Scott, Davey, Thompson and Patterson; manager, George A. Reid; Dr. A. B. Wright and J. Brown Graham of Toronto were selected to represent the club at the annual O. H. A. meeting.

G. S. Lyon Won Flavelle Cup.

The final for the Flavelle trophy, postponed from last winter, to decide the single rink championship of the Queen City Curling Club, was played last night, on splendid ice, and resulted in favor of the Lyon quartet, as follows:

W. H. Cooper,	G. A. Morrow,
J. S. McLean,	J. E. Thompson,
Jos. Wright,	W. M. Grant,
G. S. Lyon, ...8	A. L. Malone, ...9

Commercial Hockey League.

The Commercial Hockey League held a meeting at Thomas' Hotel last evening and decided to play on the Varsity athletic ice for the coming season. The schedule was drawn up and various matters for the coming season discussed, which promises to be the brightest in its history.

The championship games will be played on Tuesday nights and Saturday afternoons. The commercial teams are: Rice Lewis & Son, Can. General Electric Co., Gutta Percha Rubber Mfg. Co., Canada Foundry Co., W. R. Brock Co., Wyld, Darling Co.

After the Puck.

The Marlboros have been invited to play at the Soo Christmas week. Their decision will be reached at a committee meeting next week.

The Marlboros will start on the ice Saturday night, when a practice has been called for the Mutual-street Rink. The seniors and juniors are requested to turn out.

The Albany Hockey Club will hold an important meeting in the Brunswick Hotel, at 8 o'clock to-night.

The composition of Galt's hockey team for the coming season is as yet a matter of conjecture. Last year's team there were left Whitney, Lane, Twaits, Robson and Deeton. This leaves two places to be filled, and for the them there are such players as Hunt, Pickard, Christman and Codling.

The campaign for the secretaryship of the O.H.A. grows hotter, and the several candidates and their friends are canvassing overtime. The five in the field all have their following, and several ballots will surely be necessary to decide the winner, who must poll a clear majority of the votes.

Ayr Hockey Club will have an intermediate team in the W.O.H.A.

The Berlin hockey boys, at a reorganization meeting, held Monday evening, selected C. H. Doerr as president and G. Deer as secretary. They want Mr. Cochrane to manage the team, if he can be prevailed upon to act.

Hagersville and Cayuga have the only two rinks in the County of Haldimand.

It is reported that a league consisting of Hagersville, Waterford, Tillsonburg and Aylmer will be formed this winter.

Cayuga is out to win the Niagara district championship this year, says The Haldimand Advocate, and has the material on hand to do the trick. All the old heads will be in line again. Tommy Craven will guard the nets again, while Cou. Anguish, Bruce French, Mike Robbetoy, Eddie Davis and Jimmy Baird will don the white sweaters once more. Dutchy Howard, the speedy young Hagersville forward, will also help the team to win the district. Considerable new material is under way, as several of the new factory hands are reported to be hockey players.

Winter Sport at Richmond Hill.

Richmond Hill, Nov. 26. — The Richmond Hill Hockey Club, in the form of a stock company, has leased the rink here for all purposes during the season. The curling, hockey and skating rights are released by the company. This is the same manner as the rink was conducted last season with such unprecedented success.

The Hockey Club has organized, with every prospect of a brilliant season. All last year's players are ready for the game, together with several later acquisitions.

The Curling Club is better and stronger than ever, and, with last year's victories as an incentive and the district championship cup to defend, the club anticipates the most successful season in its annals.

The stock company will spare no expense to make skating even more attractive than heretofore, and will put forth every effort for the welfare of their patrons.

"Farmer" Burns' Victory.

Whatcom, Wash., Nov. 26.—"Farmer" Burns, champion middleweight catch-as-catch-can wrestler of the world, last night threw John Berg, Pacific Northwest champion, three times within an hour.
