ANOTHER FIRE IN FREDERICTON!

Advice reached this city this morning, by Telegraph, mentioning, that a fire broke out in Fredericton, about 8 o'clock last evening, which consumed a barn in the rear of the residence of James Taylor, Esq., belonging to Mr. Stewart, and an adjoining wood shed belonging to Mr. Myshrall. The cause of the conflagration has not been ascertained.

We learn that two young men, sons of Mr. Darby Gillen, living on the Nerepis Road, were frozen to death one night last week, in the woods, a few miles from their residence, having lost their way while in search of a Bear. We have no further particulars.

☞ The following Bill, relating to the City Debt, was read in Common Council on the 25th ultimo, and ordered to be printed for the information of the public:—

A BILL to authorize the Sale of certain Lands, Tenements and Hereditaments for the purpose of liquidating the Debt due by the Mayor, Aldermen and Commonalty of the City of St. John.

WHEREAS certain portions of the Real Estate whereof the Mayor, Aldermen and Commonalty of the City of Saint John, and certain Trustees by them appointed, under and by virtue of a certain Trust Deed bearing date the 20th day of September, A. D. 1812, are now seized and possessed, yield but a trifling revenue, which is now applied in payment of the interest of the Debt due and owing by the said Mayor, Aldermen and Commonalty of the City of Saint John; And whereas it is expedient that the said Mayor, Aldermen and Commonalty of the said City of Saint John, and the said Trustees should have power to sell and dispose of the said Real Estate, or certain portions thereof, in fee simple, and to apply the proceeds of such sales towards the liquidating the said debt—

I. *Be it enacted by the Lieutenant Governor, Legislative Council and Assembly*, That it shall and may be lawful for the Mayor, Aldermen and Commonalty of the City of Saint John, and the said Trustees, or the majority of such Trustees, from time to time as they shall judge it to be for the advantage of the said Corporation and the Creditors thereof, to sell and dispose of, in fee simple, such parts and portions of the said Lands whereof they and the said Trustees are so as aforesaid seized and possessed, as they shall in their discretion select and allot for this purpose, and for such upset price, and for such terms of payment, as the Common Council of the said City and the said Trustees, or a majority of them, shall agree upon, fix, and declare, and any sale and conveyance thereof, or any part thereof in fee simple under the Seal of the said Corporation and the said Trustees, or the major part of the said Trustees, shall be good, valid, and sufficient, any law or usage to the contrary notwithstanding; Provided always, that the Sale of the said Lands shall be made by Public Auction, thirty days public notice of the time and place of such sale being first given by posting up such notices in three at least of the most public places in the City of Saint John, and by publishing such notice for once in each week for four successive weeks, in two Newspapers published in the said City, in which notice the several portions of Lands and Tenements to be sold shall be particularly described, and whoever shall give the most for the same shall have the preference in such sale; And further provided, that no Deed or Conveyance shall be executed to any purchaser under this Act until the purchase money shall have been fully paid and satisfied.

II. *And be it enacted*, That every Conveyance made under the provisions of this Act, having been first duly acknowledged and proved according to the Laws relating to the Registry of Deeds, and affidavit endorsed thereon having been made by the Common Clerk of the said City, before any officer or person duly authorized to take proof of the execution of Conveyances, that the said premises mentioned in the said Conveyance have been duly advertised and sold according to Law, may be registered in the Registry Office of the City and County of Saint John, and such Conveyance so Registered, or a copy thereof, may be given in evidence in any Court of Law or Equity in this Province, in like manner and under the same rules and restrictions as any other Registered Deed, and when so put in evidence shall be deemed and taken to be evidence of all the matters and things therein set forth.

III. *And be ie enacted*, That the monies and proceeds of all such sales made under the provisions of this Act, shall be applied in payment and satisfaction of the debts due and owing by the Mayor, Aldermen and Commonalty of the said City, on the first day of January, in the year of our Lord one thousand eight hundred and fifty, and to no other use or purpose whatsoever.

IV. *And be it enacted*, That all sums of money arising from Sales under the provisions of this Act, shall be paid to the Chamberlain of the said City, who shall keep a separate and distinct account of the same, and shall apply such monies under the order and direction of the Common Council of the said City, in payment of the principal sums mentioned in and secured by the Bonds heretofore given by the said Corporation to the said Creditors, in the manner hereinafter pointed out, and the said Chamberlain shall, from time to time, give one month's public notice in two of the Newspapers published in the said City, for calling in such and so many of the said Bonds to be paid as hereinafter mentioned, specifying the dates of the Bonds and the names of the original obligees, and the present holders (so far as he may know the same) thereof in such advertisement, and that from and after the expiration of such notice the interest on such Bonds contained and expressed in such advertisement shall cease.

V. *And be it enacted*, That the monies arising from such Sales, shall be applied to the payment of the said Debt in the following manner, namely—It shall be the duty of the Common Clerk of the said City to place the names of each Creditor separately in a Box, and in the presence of the Mayor, Aldermen and Commonalty in Common Council convened, to draw from the said Box one name at a time, and hand the same to the Mayor or Recorder of the said City, who shall openly and publicly declare the name, and it shall be the duty of the Chamberlain of the said City, by order of the said Council, to pay the monies so arising from such sales, then in hands, to the person or persons whose name shall be so drawn.

VI. *And be it enacted*, That the purchaser or purchasers of any Real Estate by any sale made under this Act, shall be deemed and taken to be seized in fee of any such Real Estate, freed and discharged from any trust, limitation, restriction, reservation or appointment thereof expressed, contained and declared in any Grant, Deed, or Conveyance thereof to the said Mayor, Aldermen and Commonalty of the City of Saint John or the said Trustees.

Asthma of Thirty Years Standing.

Mr. Seth W. Fowle.—

Sir,—Having been afflicted for more than thirty years with the *Asthma*; at times so severely as to incapacitate me from attendance to business, and having adopted many medicines without any but temporary relief, I purchased, about three years since, of your agent in this City, several bottles of Wistar's Balsam of Wild Cherry, from the effects of which I obtained more relief than from all the medicines I had ever taken for that distressing disorder. I have by the repeated use of your valuable Balsam, been more free of pressure for breath, and oppression of the lungs, than I anticipated, and indeed conceive myself cured of the most disheartening malady.

I do most heartily tender you this acknowledgment, which you will use as your judgment dictates.

The Great Cough Remedy.

BLISS'S COMPOUND
COD LIVER OIL CANDY,
(The Original and Only Genuine.)
Prepared only by B. K. BLISS, (Sole Proprietor.) Druggist and Apothecary, Springfield, Mass.

A New and Effectual Remedy for Coughs, Common Colds, Cold in the Head, Hoarseness, Bronchites, Asthma, Tickling in the Throat, and all Diseases of the Lungs, and Bronchial Affections.

THE wonderful curative powers of *Cod Liver Oil*, in all cases of COUGHS, COLDS, and CONSUMPTION, have been clearly demonstrated by the experience of the most distinguished physicians of Europe and America, during the last two or three years. It has been used in all parts of this country with great success, by the advice of our most eminent physicians. Dr. Williams, an eminent English Physician, asserts, that during the last two and a half years, he has preserved notes of 234 cases of consumption, where the Cod Liver Oil was used, and that, in 206 of these, the use of the Oil was followed by marked and unequivocal improvement, ranging in degrees from the mitigation of the symptoms up to a complete restoration to apparent health. Some of these cases were persons in an advanced stage of this dire disease, and the cures were almost miraculous.

Since the introduction of Cod Liver Oil into general use, a great desideratum has been to furnish an article with the same medicinal virtue, *but free from its disagreeable odor and taste*, which have rendered it a "sealed book" to thousands of persons who are suffering under severe affections of the throat and lungs. After a series of experiments, the proprietor has succeeded in so combining the pure Oil with other *celebrated curatives*, in the form of a most AGREEABLE CANDY, possessing and preserving all the medicinal virtues of *Pure Cod Liver Oil*, without its nauseous and repulsive taste, presenting it in a form by which it can be administered to the most delicate invalid without incovenience. So pleasant is the taste, that it may be administered to an infant without difficulty.

NOTICE

To the Friends and Subscribers of the New-Brunswick Auxiliary

BIBLE SOCIETY.

AT a meeting of Committee, lately held at the house of the Honorable President, Judge PARKER, the fact, that for many years past, the Annual Subscriptions due to the Society had not been collected till several months after the year had expired in which they were due, became a matter of consideration. Two evils had arisen from the circumstance:—at the Annual Meeting no accurate statement of the local funds could be presented in the Report,—and the publication of the Report itself was necessarily postponed for several months after it was read at the Public Meeting. To obviate these evils it appeared to the Committee necessary that the Subscriptions for the present year, 1850, should be collected without further delay; it was therefore resolved, that Mr. MacIntosh, the Society's travelling Agent, should be instructed to call upon the Subscribers for their Subscriptions now due. And it is hoped that the Subscribers and Friends of the Society generally, though it is not many weeks since they paid their Subscriptions for 1849, seeing the propriety and even the necessity of this step, will afford it all the encouragement they can.

By order of the Committee.

JAMES PATERSON, S. L. TILLEY, } *Secretaries.*

N. B.—It is to be remarked that the above has no reference to the Subscribers of the Ladies' Association. Their Subscriptions have always been collected within the year in which they were due.
