A Waist Lining Already Cut to fit any bust must be a great boon to any one who is not a dressmaker, and would save the dressmaker herself a heap of trouble. A store where patterns are sold might be the last place to look for such a thing, as in a measure they take the place of a paper pattern. But Butterick's Patterns have nothing to fear from these linings, as the latter are very high in price. The gentleman who has them for sale recognizing this fact, has decided to clear them out for the price of a yard and a half of jean. They can be had for the present at 49 Charlotte St.

Dorothy.

The large, select and musical audience which witnessed the second presentation of "Dorothy" at the Institute last night, was an improvement in point of numbers upon that of the previous evening.

The performance as a whole went more smoothly, as is nearly always the case after a first night. The solos were all well sung and the choruses were excellent in every respect. The part of "Dorothy" was very cleverly rendered by Miss Hancock, she sang well and acted well, and many were disposed to envy Geoffry Wilder in winning such a winsome lassie for a bride. Miss K. Burpee played her part of Lydia, very nicely indeed and seemed to have quite overcome the slight nervousness observable on the first night, she acted her part admirably throughout.

The music was so happily given throughout, and the acting so much delighted every one in the large audience, that applause was frequently bestowed as the opera proceeded. A beautiful feature of the last act was a dance by four young ladies, who individually seemed to enjoy it as much as did the audience.

"Dorothy" will be given its last production this evening, with Miss Della Fowler in the title role. It is a bright, pleasing work and any one and every one who has not yet seen it should make an endeavor to enjoy it this evening.

Wedded at St. Stephens Church.

The marriage of Mr. Chas. F. Tuck, of Winnipeg, son of Judge Tuck, of this city, and Miss Mary McMillan, youngest daughter of the late Hon. John McMillan, was solemnized at St. Stephen's church at an early hour this morning. Rev. Dr. Macrae officiated. Mr. Robert Tucker of Boston and Miss Maggie Botsford of Toronto, performed the duties of groomsman and bridesmaid. Only the immediate friends of the bride and groom were present, but these in goodly numbers. The bride, one of the prettiest young ladies of our fair city, was very becomingly attired in a travelling costume, and carried a beautiful bouquet. Her bridesmaid, also charming, carried likewise a bunch of sweet blossoms. After the ceremony Mr. and Mrs. Tuck left by boat for Boston. They will tour through Upper Canada before reaching Winnipeg, where they will in future reside. Many handsome gifts testified the esteem in which both the lady and gentleman were held.

EARLY CLOSING.—The North end grocers are making a move in the right direction by signing an agreement to close their stores on and after Monday, 16th, at 7 o'clock in the evening except Saturday. The vessel was sailing through Letete passage Monday, when suddenly she was struck by a squall of wind and some of the sheets parted. Before she could be brought around she went ashore. Captain Kelson is now dismantling the wreck and will likely save all the materials. He cargo of coal is insured.

A GOVERNMENT HORSE DEAD.—Mr. Jacob VanBuskirk was telephoned to from Sackville today to go there and hold a post mortem on one of the government stallions, which died at Sackville last night and is supposed to have been poisoned. It is supposed this refers to the government horse Lord Stansfield, which has been leased to the Harvey Agricultural Society, afterwards transferred to Messrs Wallace and Lawrence, of Dorchester and Port Elgin.—Moncton Transcript.

BETTERS TAKE WARNING.—At the police court yesterday Magistrate Ritchie had occasion to refer to the growing tendency of betting on the local base ball matches. He stated that this tendency was calculated to injure the game, and bring it down to the level of mere gambling. What is of more importance, as a warning, however was reserved for the conclusion of the dissertation, when His Honor remarked that the police had instructions to report all cases of betting that came to their notice, and to arrest all persons on sight, putting up bets.

A CENTURY OLD CHURCH.—There is a small Episcopal wooden church at Auburn Station, King's county, N. S., which is said to be one hundred years old this summer, and the congregation there are talking of celebrating its centennial. As far as can be ascertained the clapboards on the sides and the shingles on the roof are the ones put there when the edifice was built and they are sound yet. The shingles were originally three-quarters of an inch thick, but have gradually worn away until now they are scarcely thicker than the blade of a knife. The old graveyard around the church was also founded a century ago.

A SOUTHERN BUSINESS HOUSE.—Mr. Fred. O. Howe, for many years the leading shipbroker at Pensacola, Florida, and whom many of our ship owners know as a live business man, whose ability and promptness have made his the most extensive chartering and brokerage agency of any at the Gulf ports, has recently associated with him Messrs. Wm. P. Ross, Alfred Keen, Josiah Morrow and John O. B. Ross, gentlemen well known in commercial circles in New Orleans, Mobile and other southern ports who under the style of Ross, Howe & Morrow, have established Ship, Insurance and Brokerage Agencies, at Pensacola, New Orleans and Mobile.

RUNNING WILD.—This company will arrive by steamer from Eastport to-morrow afternoon and will make their first appearance in this city at the Institute to-morrow night. The different members of the company are commended by the local press where they have appeared, the ladies are attractive and not only possess pretty faces but are talented artists as well. There is little of plot in "Running Wild," but it is very funny. The New York World speaking of it says, "It was written to make you laugh and its mission has been achieved." The indications are that the company will be greeted with a crowded house when the curtain is rung up to-morrow night.

DON'T WANT ANY MORE OF THEM.

The St. Johns again defeated the Bowdoins, yesterday afternoon, the score standing 24 to 8. Priest, Whitenect and Pushor were the home battery. The Bowdoins are wretched players, and as a consequence the Shammrocks have cancelled dates with them.

Athletic.

JORDAN THE ALL-AROUND CHAMPION

SPECIAL TO THE GAZETTE.

WEST NEW BRIGHTON, S. I., June 10.—The competition for the individual general athletic championship of the United States, to which amateurs attach much importance, came off to-day on the grounds of the Staten Island Athletic club. G. Abbott, Corinthian, A. C. M. O'Sullivan, Pastime A. C., Alex. Jordan, N. Y. A. C., and J. C. Devereaux, M. A.C. were the only contestants.

The programme contained ten events with the standard for each as follows:—100 yards run, standard 11½ secs; putting 16 lb shot, standard, 32 feet; running high jump, 5 feet; half mile walk, 4:30; throwing 16 pound hammer, 75 feet; pole vault for height 8½ feet; 120 yards hurdle race, 20½ seconds; throwing 56 lb. weight, 18 feet; running broad jump 18 feet, one mile run 5:40. The first place in each event counted 5 points; second three points and third place 1 point. Abbott was disqualified in the in the third, and Devereaux in the sixth, event. Jordan scored 41 points and O'Sullivan 30. Jordan was declared the champion.

Last Saturday the spring handicaps of the Montreal Amateur Athletic Club came off as follows:

Judging by these records some of our boys would have a great chance at the fall all-Canadian championships in Upper Canada.

GRAY PARALYZES FOUR MORE RECORDS.

At the meeting of the New York Athletic Club at Traverse island on the Sound, Sunday, George R. Gray (N. Y. A. C.), of Coldwater, Ont., made four world's records in putting the 14, 16, 18 and 21-pound shots. He put the 14-pound shot a distance of 47 ft. 7⅛ in. The record was formerly 46 ft. 3⅞ in., and was made by F. L. Lamborne, M. A. C. The 16-pound shot was sent 46 ft., and the 18-pound, for which there was no record, was put 41 ft. 9½ in. PROFESSIONAL RACE PROPOSED.

On June 27, at the Point of Pines, there is likely to be a big three-cornered single-scull race between Hanlan, Teemer and Gaudaur. Manager Charles H. Thayer of the Pines on Monday announced his willingness to offer a purse of $1000 for those three oarsmen to contest for, and, if they so desire, to let the winner take all. Mr. Thayer offers the purse as he has been given to understand that Teemer and Gaudaur are to be in that vicinity about that date, and that it will not discommode Hanlan to come here. By the 27th inst. all three oarsmen can get in racing form. The distance proposed by Mr. Thayer is three miles with three turns, and the race must be rowed on its merits. Telegrams have been sent to all three men, asking if they will enter the proposed race. Unless all three men agree to the contest, the purse will not be given.

John Teemer defeated Wallace Ross by seven boat lengths in a race at Mercer Pa., a few days ago.

The Ring.

SLAVIN-M'AULIFFE FIGHT.

LONDON, June 9.—A purse of £800 was deposited today at the office of the Sportsman for the winner of the Slavin-McAuliffe fight. In addition to this sum the men will meet for a stake of £500 a side, and Slavin put up £100 today.

Lawn Tennis.

DUBLIN, June 11.—In the lawn tennis championship, yesterday, Kerr defeated Pettit 3 sets to 1.

Down in Yarmouth.

(Yarmouth Light.)

Mrs. Joseph Burrill of Milton has a very productive rose bush. Up to date she has plucked 500 roses from it.

Rev. Woodland and son went on a fishing excursion on the Queen's anniversary. They caught a number of fine trout. One of them was as fine as a smelt and the other a little coarser.

The 9th of June, being the 129th anniversary of the settlement of Yarmouth, was observed as a public holiday. Everything was quiet in town, large numbers having gone into the country by various routes.

A vigorous cultivation of rhubarb and radishes, a plentiful application of paint and whitewash and unusual activity among the Yarmouth Methodists, denote the near approach of the Nova Scotia Methodist Conference, which opens its seventh session in Providence Church on the 19th inst.

A very small boy paid a visit to one of the schools in the Yarmouth seminary the other day. He was roving around the room in a free and easy manner, when the teacher said: "Johnny, if you stay here you must sit down and be quiet." The boy said: "You got left that time, 'cause my name ain't Johnny at all."

"What shall we do to our boys," is called for. Some urchins make a practice of going into the W. C. T. U. reading room and placing carpet tacks, business end up, upon the chairs. Parties who have suffered from the effects, and who are rather diffident about explaining matters to the ladies in charge, would be pleased to hear some practical suggestions on the above subject.

Provincial Points.

Another rich strike of gold is reported at Montague, N. S.

S. S. Perry of Cole's Island recently caught a shad in the Washademoak, where the fish are very plentiful, that weighed 8½ pounds.

Yarmouth has a new weekly paper, the Yarmouth Light, published by C. Craig. It is independent in politics and will give especial attention to local matters.

Quartz has been struck at the Symonds property, Montague. The lead is about 8 inches thick, and is of similar richness to the famous Annand mine. In the place where it was opened it is about two feet thick.

The large run of mackerel off the Nova Scotia coast has caused a sudden demand for salt in Halifax, and the prices of Liverpool salt have advanced ten cents per hogshead, with the probability of a further advance.

Seiners off the Nova Scotia coast appear to have a big strike of mackerel. The schooner Senator Morgan put into Whitehead with 440 barrels of mackerel and the schooner S. F. Maker is at Port Mulgrave with 320 barrels.

A Chicago despatch says: Frederick T. McLeod, an ex-minister formerly of Economy, N. S., found guilty of living with a woman in Chicago when he had a legal wife in Nova Scotia, has been sentenced to one year in the house of correction.

Mr. G. A. Vye, of Moncton, spent last Monday on one of the salmon pools at Flatlands, on the Restigouche. As a result of his labors he is showing a fish that weighed 30½ pounds when taken out of the water. He says the salmon are very plentiful this year and he would have made a big haul but for the fact that a high wind was blowing and the logs running in the river.
