

**True Merit Appreciated. — Brown's**  
**BRONCHIAL TROCHES** are world-renowned as  
 a simple yet effective remedy for Coughs and  
 Throat Troubles.  
 In a letter from Hon. Mrs. PERRY, Castle  
 Grey, Limerick, Ireland, they are thus re-  
 ferred to:—  
 "Having brought your 'Brown's TROCHES'  
 with me when I came to reside here I  
 found that, after I had given them away to  
 those I considered required them, the poor  
 people will walk for miles to get a few."

 mode of washing can produce. No rubbing  
 required—no friction to injure the fabric. A  
 ten-year-old girl can do the washing as well  
 as an older person. To place it in every  
 household, the price has been placed at \$3,  
 and if not found satisfactory, money refunded.  
 See what the *Baptist* says, "From personal  
 examination of its construction and experi-  
 ence in its use we commend it as a simple,  
 sensible, scientific and successful machine,  
 which succeeds in doing its work admirably.  
 The price, \$3, places it within the reach of  
 all. It is a time and labour-saving machine,  
 is substantial and enduring, and is cheap.  
 From trial in the household we can testify to  
 its excellence."

**THE CITIZEN,**  
**A MONTHLY PERIODICAL,**

**PUBLISHED IN THE INTERESTS OF GOOD CITIZENSHIP AND  
 GOOD GOVERNMENT.**

THE CITIZEN is devoted to the practical, but philosophic, discussion of questions of  
 popular interest relating to citizenship and government. It is edited by members of the  
 American Institute of Civics, recently incorporated under the laws of Massachusetts, and  
 already including in its membership very many of the most eminent scholars, educators, and  
 writers upon civic questions in the United States.

The position occupied by this periodical is unique and notable. Its sole purpose is to aid  
 in promoting the best interests of republican citizenship and republican government. It will  
 aim to do this by endeavours to promote the growth of a spirit of patriotism, manliness, and  
 devotion to duty. Discussions from a partisan, political, or sectarian standpoint will be, so  
 far as possible, avoided, and every effort made to secure the presentation of views which shall  
 be characterized by so much of scientific exactness, judicial candour, and general interest in  
 statement, as to command the widest possible respect and acceptance. While it will number  
 among its contributors those unusually well qualified to treat of the civic questions which  
 vitally concern the people of the United States, it is intended that its pages shall especially  
 represent the thought of the young men of the day, to whom it especially speaks, and among  
 whom it finds its warmest friends and supporters. That it will have the support of thinking  
 citizens in every State, including representatives of every profession and calling. (See March  
 number of the CITIZEN for a partial list of those.)

Among the distinguished writers who have promised articles apposite to the purposes of  
 the CITIZEN are those named below:

Sufferers are not generally aware that these diseases are con-  
 tagious, or that they are due to the presence of living parasites  
 in the lining membrane of the nose and Eustachian tubes. Micro-  
 scopic research has proved this to be a fact, and the result is that  
 a simple remedy has been formulated whereby these diseases are  
 cured in from one to three simple applications made at home.
