An Exciting Game of Bowls.

Mitchell, July 21.—One of the most interesting and exciting games of singles was witnessed by a large number of the leading citizens of this place last evening between two well-known gentlemen—A. Burritt of the Burritt Manufacturing Company and J. L. Courtice, a retired merchant of Clinton. The game was the result of a challenge coming from W. Jackson of Clinton and president of the W. O. B. A. that he had a member of the Clinton club, over 72 years of age, who could beat any man of this age in this section of the country.

The game was for 21 points and 25 ends were played, and from start to finish it was close scoring the most wonderful shots being made by both gentlemen. So prolonged was the game that lights had to be brought on the lawn and finally in the 25th end the Clinton man won out by one shot. It was a game long to be remembered by the large crowd who had the pleasure of witnessing it.

Driving Club Matinee.

The Toronto Gentlemen's Driving Club will hold their matinee at Exhibition Park this afternoon at 2 o'clock, a very interesting program has been arranged. The entries were announced in last Friday's issue.

TECUMSEH-ST. KITTS PROTEST.

No Decision by C.L.A. Executive, W. Buron's Certificate Cancelled.

The C. L. A. executive met last evening at the Iroquois Hotel to consider the Tecumseh-St. Kitts protest and several other matters. Those present were: J. L. Lennox, hon. president; Fred Frank, president; George L. Allan, vice-president; W. H. Hall, secretary; Harry Gillespie, J. C. Miller and Fred Browning.

The Aurora-Woodbridge protest was the first to be considered. Aurora claimed that Woodbridge had played W. Burton against them on July 9. This player had participated in the Maitlands-Aurora game on June 4. The executive ruled that the game should be played over at Aurora. The date is to be fixed by the president after the protest fees have been paid. Burton's certificate has been cancelled.

Tottenham registered a protest against Alliston. They claimed that John Watson played for Alliston without a certificate and that the referee had not been properly appointed. Alliston admitted that the charge was true, and the game is to be played over on neutral grounds. The teams are to divide the net gate receipts equally.

The committee spent a great deal of time on the St. Kitts-Tecumseh protest. After a lengthy discussion it was decided to leave the matter over until Referee Hugh Jack could be brought here and his story taken into account.

The Chippewas may reopen the Rosedale lacrosse grounds on Aug. 1 by an exhibition game with the Shamrocks of Montreal, with whom they are now endeavoring to make arrangements.

It is not likely that a referee for the Capital-Tecumseh game to-morrow afternoon at the Island will be selected until the arrival of the Ottawa team to-morrow night. There has been a great demand for reserve seats at Wilson's.

Durham, July 21.—The Durham Lacrosse Club defeated the champion Rocks of Elora here to-day in an exhibition game by 8 goals to 6.

NEW JOB FOR IRWIN MANAGER KANSAS CITY

Toronto Still on Down Grade—Buffalo Beat Jersey City—Record and Scores.

Help! Help! Arthur Irwin has gone, and we're still the under dog. Dick Harley is doing his best, the fans even pointing out that he works harder than when he wasn't boss. There was a howl for some of the old players back, and Irwin was instructed to sign Massey. Yesterday Harley let him go ,and Rapp, who seems to grieve over the change of managers, will again be a permanency on first. Mr. Irwin yesterday accepted an offer to manage Kansas City, and he left for the west last night happy in the thought that there would not be directors' meetings daily. Kansas City is controlled by Pat Teehan, who thinks he knows something about baseball, and does.

"Irwin would have pretty nearly landed the pennant," said a former officer of the Toronto B. B. C. yesterday, "had he been unhampered, and it will be interesting to see how Harley gets along under the board."

We lost again yesterday to the Sailors. It is hard to stop a winning team. Buffalo got another from Jersey City and Montreal cleaned up Baltimore by one run. The Dead City Nine won their weekly contest, the Greys were the donators. The record:

Clubs—	Won.	Lost.	P.C.
Buffalo	43	25	.632
Jersey City	39	29	.574
Baltimore	39	30	.565
Newark	38	34	.551
Montreal	32	33	.491
Toronto	32	40	.444
Providence	29	38	.433
Rochester	20	46	.303

Games to-day: Jersey City at Buffalo, Baltimore at Montreal, Newark at Toronto, Providence at Rochester.

Currie will pitch this afternoon and Brackenridge for Newark. The series with Newark will close to-morrow.

Newark Won the Second.

Newark made it two straight from Toronto yesterday. Mills was hit freely and errors behind him contributed to his downfall. Burke pitched a fair game for the sailors.

With two out in the first, Cockman landed on one for a single. He stole second, but was left there, as Jones flew out to White. Toronto went out in order in their half.

Jimmy Bannon laced out a single in the second and Gatins followed suit. Wagner sacrificed and Lynch forced Bannon at the plate. Lynch attempted to steal and was thrown out, Raub to Mills to Parker. No score.

Murray singled to centre and was called out by Canahan on a snap throw of Burke's, altho O'Hagan never touched him. Murray popflied to Wagner. Raub singled neatly to right and stole second. Parker got his eye back and lammed the ball for a single Raub scored. Mills was out at first. Score 1—0.

Mills made trouble in the third by passing Burke. O'Hagan sacrificed and Dillard singled. Cockman's long fly scored Burke. Jones' hit to left got away from White, and Dillard scored. Bannon made the third out. Score 2—1.

After Carr was out "Wiedle" walked. Harley's attempt put him on second. White ended the innings with a dinky fly to Cockman.

Murray waited out four wide ones and Rapp bunted a fly to O'Hagan. Murray stole second and reached third on Lynch's heave to centre field. Tom Raub scored Murray by beating the pigskin to leftfield. He was thrown outtrying to steal. Parker singled again, but Mills flew out to Bannon. Score two all.

Newark got the lead again in the fifth. O'Hagan hit a home one at Carr and scored on Dillard's three-bagger. Cockman lashed out another triple, scoring Dillard. Wiedensaul's error let Cockman in and put Jones on second. Rapp pulled off a star catch and threw Jones out at second. Gatins died at first via Parker. Score 5—2.

Carr hit the second ball for a single, and "Wiedle" flew out. Harley did the same and White singled. A lucky stop of Burke put Murray on the dead list and spoiled chances of a score.

The Sailors kept pegging away. Wagner singled and stole and got third on Lynch's sacrifice. Wagner scored on Burke's out at first. O'Hagan singled to leftfield and stole second on Raub's lofty toss and reached third. Dillard walked and stole; Mills' throw to catch him got away from Wiedensaul and O'Hagan scored. Cockman ended the agony. Score 7—2.

Dick Harley pulled off a star catch, retiring Jones, in the seventh. Bannon got on third thru Carr's low throw, which got away from Rapp. Gatins walked and Wagner's fly scored Bannon. Lynch flew out to Wiedensaul. Score 8—2.

Carr singled with one out in the seventh. Wiedensaul was retired third to first. Harley singled neatly, scoring Carr. White was presented with a pass and Murray was an easy out. Score 8—3.

Toronto made ineffectual efforts to score in the last two innings, but were unable to negotiate with Burke's slants and so the second game was lost. The score:
