Story of the Oorfa Massacre Revived—8,000 Lives Sacrificed.

Special Honors Shown to Li Hung Chang in Moscow.

The Czar's 28th Birthday—A Royal Betrothal—Rioting in Paris.

QUEEN WILHELMINA TO WED.

London, May 19.—A dispatch from Berlin says it is reported there that Queen Wilhelmina of the Netherlands will be betrothed to Prince Bernard Henry, a grandson of the Grand Duke of Saxe-Weimar-Eisenach.

THOUSANDS TO BE PARDONED.

London, May 19.—The Telegraph says that the Czar, on the occasion of his coronation, will abolish every form of corporal punishment in the empire. It is expected that he will pardon thousands of the convicts in Siberia.

AGE 28 YEARS.

St. Petersburg, May 19.—The Czar was 28 years old yesterday, and the anniversary of his birth was fittingly celebrated in all the cities of the empire. All the warships at Cronstadt, including the British and American, joined in firing salutes in honor of the occasion.

CHARACTERISTIC PARISIAN INCIDENT.

Paris, May 19.—Several thousand persons took part in a manifestation Sunday evening near the statue of Jeanne d'Arc, demanding the establishment of a national fete in her honor. They afterwards marched to the newspaper offices, shouting "A bas Rochefort!" The police had to make several charges before the mob was dispersed, and several arrests were made.

IMPORTANT FIND.

London, May 19.—The Daily Telegraph has a dispatch from Pretoria, which says that the Johannesburg Times has caused a great sensation by publishing a fac simile of Dr. Jameson's plans for the seizure and bombardment of Pretoria, which, it is alleged, were found by the Boers upon the field at Doornkop after Dr. Jameson had surrendered his forces to the Boers there.

THOSE SENTENCES.

London, May 19.—The correspondent of the Daily Mail at Johannesburg says that a private dispatch received there states that the four leaders of the reform committee, Col. Francis Rhodes, John Hays Hammond, Lionel Phillips and George Farrar, who were sentenced to death, and their sentence afterward commuted, will be fined $125,000 each, and will be sentenced to ten years' banishment.

COMING DOWN.

London, May 19.—A telegram from Caracas says the Venezuelan Government has agreed to pay the £1,600 demanded by Great Britain for the Uruan incident (the arrest and imprisonment of a British police officer) on condition that it is considered simply indemnity for personal damages, and not as affecting the boundary dispute. The Venezuelan Government, however, has not consented to make a public apology to Great Britain as a pre-requisite to the resumption of diplomatic relations, although it is understoood that the United States in carrying out its friendly purpose as an adviser of Venezuela, counseled that the condition should be complied with in accordance with the terms of the British demand.

AN ARCHDUKE DYING.

Vienna, May 19.—Archduke Charles Louis, brother of Emperor Francis Joseph, is dying, and has received the last rites of the church. He is 63 years of age.

ITALIAN PRISONERS RETURNED.

Massowah, May 19.—The balance of the Italians held prisoners in the Tigre territory have been handed over to Gen. Baldissera's forces by the Abyssinians, and are retiring towards Dengella, Barachit and Senafe.

THE CUBAN WAR.

Madrid, May 19.—A dispatch to the Imparcial from Havana says that several engagements between Spanish troops and Cuban insurgents occupied Sunday, and that 66 rebels were killed. The dispatch adds that the foreign merchants of the city have protested to their respective consuls against the order forbidding the import of tobacco.

THE OORFA MASSACRE.

London, May 19.—Lengthy and sensational details of the massacre of Armenians at Oorfa represent it as entirely eclipsing the butchery at Sassoon. It is estimated that 8,000 persons were killed at Oorfa, of which number nearly 3,000 perished while seeking refuge in the cathedral, which was set on fire by the Turks. It appears that the affair was deliberately planned, and was effected with the connivance of the officials, who were acting under orders from Constantinople.

A ROYAL RUNAWAY.

London, May 19.—As the members of the royal family, who were present at the drawing-room, were entering Buckingham Palace, the Coldstream Guards presented arms. This movement of the troops frightened the horses attached to the carriage of Col. Augustus Charles Frederick Fitz-George, third son of the Duke of Cambridge, and the team bolted and ran, smashing the pole of the carriage against the gates at the entrance to the palace yard. The coachman was thrown from his box and sustained injuries of so severe a nature as to render his removal to a hospital necessary. The crowd which had assembled was thrown into a panic, but the excitement quickly subsided. The weather in the afternoon was cloudy.

LI HUNG CHANG IN MOSCOW.

Moscow, May 19.—Li Hung Chang and suite have arrived here from St. Petersburg. The Chinese envoy was received in a most brilliant manner, and soon afterwards presided at a reception given in the Chinese embassy, which was profusely decorated with flags. Field Marshal Yamagata, the Japanese envoy; the Duke of Najera, the representative of Spain, and the Crown Prince of Roumania have also arrived here. The latter was received at the railroad station by the grand dukes, grand duchesses and high officials with military honors, the band playing the national anthem. Over the Maison Perlow, in which the Chinese embassy is located (the building belonging to an important firm of tea importers) floats Li Hung Chang's crest, the double dragon. The house is furnished throughout in Chinese style.

Notice to the Public.

THE ATTENTION OF THE PUBLIC IS drawn to the borers, which are attacking the maple trees throughout the city. London is greatly beautified by these trees which adorn the streets and avenues, and therefore the citizens are requested to try and protect them from this destroying insect by applying the following solution to the trees on their grounds and streets in front of their premises.

Washing soda, dissolve as much as possible in a gallon of water and add soft soap sufficient to make the whole of a creamy consistence. Apply to the trunk with a brush. By order, A. O. GRAYDON, City Engineer. 10n ywt

HEIR TO AUSTRIA'S THRONE.

Arch-Duke Charles Louis Dead—He Was Married Three Times.

Vienna, May 19.—Arch-Duke Charles Louis of Austria, eldest brother of Emperor Francis Joseph is dead. He was born in 1833, was a cavalry general in the Imperial Army, and was married three times. His first wife was Princess Margaret, daughter of the late King John of Saxony. She died in 1853 and in 1862 he married the Princess Annunciata, daughter of the late King Ferdinand II. of Naples. She died in 1871. In 1873 the Arch-Duke married Princess Maria, daughter of the late Prince Miguel of Braganza, regent of Portugal. By the second and third unions, the Arch-Duke had six children, the eldest of whom is Arch-Duke Francis, who was born in 1863. The late arch-duke was the heir presumptive to the thrones of Austria-Hungary, Emperor Francis Joseph having no male issue.

CZAR FEELS GOOD.

What He Will Do—Wholesale Clemency to be Shown Offenders.

London, May 19.—The Chronicle's Berlin correspondent reports that the Berliner Tageblatt claims that the Czar's manifesto will give amnesties, partial or complete, to Russian prisoners in Siberia. These sentenced to a life penal servitude will receive mitigation of the sentence, and offenders domiciled in Siberia will be permitted to return to any part of European Russia except St. Petersburg and Moscow. The sentences of those in jail in European Russia for serious offenses will be reduced by one-third. A large number of minor offenders will be completely pardoned. Numbers of those who fled the country for political reasons will be pardoned on condition of their taking the oath of allegiance. The peasantry in certain districts will be excused from arrears of crown dues. Even the Jews, says the Berliner Tageblatt, will not be forgotten, and the ill-starred Hebrew agricultural colonies at Ekaterinaslav will also be excused from arrears.

The Rome correspondent of the Chronicle also hears that the Vatican has received information that the Czar will pardon all Catholic priests who have been imprisoned or sent to Siberia for breach of the public worship laws, and that he also promises to grant gradually a large measure of religious liberty to all his subjects, including the Catholics.

LIFE SAVED.—Mr. James Bryson Cameron states: "I was confined to my bed with inflammation of the lungs, and was given up by physicians. A neighbor advised me to try Dr. Thomas' Eclectric Oil, stating that his wife had used it for a throat trouble with the best results. Acting on this advice, I procured the medicine, and less than a half-bottle cured me; I certainly believe it saved my life. It was with reluctance that I consented to a trial, as I was reduced to such a state that I doubted the power of any remedy to do me any good."

IN LABOR CIRCLES.

Milwaukee's Big Car Men's Strike—Detroit Bookbinders Quit Work.

Milwaukee, Wis., May 19.—The second Sunday of the great street car employes' strike and general boycott passed without a car being taken from the barns. In the morning one of the largest demonstrations ever seen in this city was made, 10,000 men being in line. At Schlitz Park speeches were delivered by the labor leaders, urging the people to be firm in carrying out the boycott. The company has been compelled to do its trading in Chicago. Local tailors refused to make uniforms for the new men, and no quarters can be found for them outside the barns, as the boarding houses will not receive them.

Detroit, May 19.—The bookbinders and rulers went on strike yesterday. A conference has been going on between the union and the employers for the past three weeks, and it was supposed the matter would be settled amicably, but the men have finally resolved not to accept the ultimatum of the bosses, which is a minimum wage of $12 instead of $9 as before. A minimum of $13 has been asked for. The union also asked for an apprentice to every five men; the employers hold out on three.

UP GOES THE PRICE!

The Coal Barons Give the Screw Another Twist.

Philadelphia, May 19.—It is stated here on good authority that many of the coal companies that took orders at April prices and are now filling them will cancel all that are not filled by the end of the month. All dealers have been notified of this action, and it has created a better demand for anthracite coal.

After May 30, the new circular price is to prevail, and there is talk of making a further advance of 25 cents a ton on July 1, to be followed by another on Oct. 1.

Ostend bids fair to rival Monte Carlo as a fashionable resort. With its grand Kurnsal, promenade and scenery, there are few more delightful spots in Europe. What strikes a stranger is the immense display of "Odol" in every chemist shop window. The German army officers are great users of this unique preparation, and they flock there in the season. The druggists, knowing this, take care to keep it under their notice, and thus stamp themselves as caterers for educated, high-class people. b
