WITH TECUMSEHS ON THE WARPATH

That was a rude thrust, Mr. Kane. Just when we were getting used to the view from the topmost point, too.

Reitzman will likely work today against Brantford, while Tasker or Coose will probably uphold the Red Sox.

Connors, the new left fielder, made a nice catch in the eighth of Courtney's drive along the foul line. It looked like a sure hit, but the Niagara University boy covered it nicely.

"Handsome Harry" Brant was there with the fielding stunts as usual. He had six chances yesterday, and handled them all without hesitation. This boy is travelling in a way that will land him in faster company soon.

Charley Nichols was the only man on the team to get two hits. Charley is hitting in great style at present, and he must be around the .300 mark.

Cocash has fallen off a trifle in his hitting. However, the slump is only temporary, and "Coke" is due for something pretty soon.

Connors is a nice fielder, but has not yet found his batting eye. He is fast on the bases and it was unintentional when he did not touch second base in the fifth. He looks like a nice one.

Benny Speer had two chances to break up the game yesterday, but struck out each time. This is unusual for Benny, as he generally comes across with something in the needy moments.

It was a big day for Ivers, the Red Sox first baseman. He had a double and triple, and scored two runs in three times up.

The Red Sox are one of the best teams in the league. Their pitching staff compares favorably with any of the other clubs, and they should win a lot of games before the season is over.

Powell will not be in the game until Monday. He was handed a three days' suspension by President Fitzgerald, together with a fine of $30. This should be a lesson to Powell. He does not gain anything by getting in wrong with the umpires and league officials.

In the fifth Nichols dropped Courtney's high fly, and the latter was safe at first. Silcox, however, caught him sleeping off the bag a moment later and he was out.

Looey Bierbauer covered the first sack in fine style yesterday. He got everything that came his way, and his work was one of the features of the afternoon. He knows how to catch them napping at the bag also.

Nine London batters fanned yesterday. This is the largest number of strike-outs that any pitcher has scored against the Bowermanites this season.

The story that the London team will play in Detroit on Sunday is untrue. The truth of the matter is that Abbie Johnson's Canadian Stars will play in the Michigan city, and the Detroit papers somehow got them mixed with the London Canadian League team.

Our local contemporary publishes a picture of what is supposed to be Charley Nichols catching the ball. The picture was used a week ago as Looey Bierbauer. Perhaps next week it will be used as Harry Brant or Johnny Cocash. As the features cannot be distinguished it might be Knotty Lee or Jo Jo Keenan for all anyone knows.

ANOTHER BIG CROWD AT HAMILTON RACES

Genesta Equalled the Canadian Record for Five Furlongs and Won Spring Brewery Stakes.

Hamilton, June 21.—A fine day brought another great crowd to see the racing at the Hamilton Jockey Club track. Toronto sent two special trains, and all the neighboring towns were well represented. The conditions were favorable to fast time, and Genesta equalled the Canadian record for five furlongs when she won the Spring Brewery stakes in 59 4-5 seconds. This is a new figure for the Hamilton track, and the same as Ragman's record at Montreal. The filly comes naturally by her great speed, as she is a daughter of Broomstick and L'Alouette, the latter the winner of the Futurity in 1897, the year before Martimas won. The summary:

First race, 3-year-olds and up, selling, 7 furlongs—Tropaeolum, 107, 1; Caper Sauce, 113, 2; Rustling, 104, 3. Time, 1:28 4-5.

Second race, maiden 2-year-olds, 5 furlongs—Judge Wright, 117, 1; Olive Lodge, 107, 2; Sweet Story, 107, 3. Time, 1:00 1-5.

Third race, Mount steeplechase, 4-year-olds and up, about 2 miles—Ringmaster, 139, 1; The Shaughraun, 149, 2; Wonderworker, 142, 3. Time, 4:08 3-5.

Fourth race, 3-year-olds and up, 8½ furlongs—Mediator, 110, 1; Amalfi, 107, 2; Duval, 95, 3. Time, 1:45 4-5.

Fifth race, Spring stakes, 5 furlongs, 3-year-olds and up—Genesta, 105, 1; Farrier, 123, 2; Spring Maid, 110, 3. Time, :59 4-5.

Sixth race, 3-year-olds and up, selling, 5½ furlongs—Ivabel, 110, 1; Black Chief, 114, 2; Moncrief, 109, 3. Time, 1:06 2-5.

Seventh race, 3-year-olds and up, selling, handicap, 8½ furlongs, on turf—John Reardon, 107, 1; Busy, 108, 2; Ozana, 116, 3. Time, 1:46 4-5.

Newark, N. J., June 21.—Mixing a tantalizing slow ball with a fast-breaking curve, Bert Maxwell, secured from the Giants by Toronto, managed to lead the Maple Leafs to victory over the Indians this afternoon. The score was 3 runs to 2.

"Suffered Tortures From Babyhood--- Then Found Relief"

Young Lady in Edmonton Suffered From Terrible Constipation and Illness From Babyhood—Tried All Kinds of Remedies Without Relief.

Heard About "Fruit-a-tives" and After Taking a Few Boxes Was Cured—Another Triumph for This Wonderful Medicine Made of Fruit.

"Fruit-a-tives" will cure Constipation just as surely as quinine will cure chills and fever. "Fruit-a-tives" is a specific for all liver troubles because "Fruit-a-tives" is the one remedy that acts directly on the liver.

The cause of Constipation is that there is not enough bile poured out by the liver to make the bowels move regularly. When the bowels do not move every day poisonous matter is absorbed in the blood. This is why those who suffer with chronic Constipation also suffer from Indigestion, Sick Stomach, Headache, Pain in the Back, and often Skin Diseases.

Fruit is the only true liver stimulant. Fruit causes more bile to flow into the bowels, and bile is nature's laxative.

"Fruit-a-tives," the only medicine in the world made from fruit juices and tonics, will always cure Chronic Constipation. The letter of Miss Goodall, printed below, confirms the truth of this strong statement.

MISS E. A. GOODALL.

Edmonton, Alta., November 20th, 1911.

"I have been a sufferer ever since babyhood with that terrible complaint, Chronic Constipation. I have been treated by physicians, and have taken every medicine I could hear of, but without the slightest benefit. I concluded that there was no remedy in the world which would cure that horrible Constipation. At this time I heard about 'Fruit-a-tives,' and decided to try them, and I beg to state that the effect was marvellous. The first box gave me relief, and after using a few boxes I was entirely well of a complaint from which I had suffered for so many years. 'Fruit-a-tives' is the only medicine that ever did me any good for chronic Constipation, and I want to say to all who suffer as I did—'why suffer when there is a perfect cure in "Fruit-a-tives?"'

"MISS E. A. GOODALL"

If you suffer with constipation, torpid liver or biliousness take "Fruit-a-tives." 50c a box, 6 for $2 50, trial size 25c. If for any reason you are unable to obtain "Fruit-a-tives" in your neighborhood, they will be sent postpaid on receipt of price by Fruit-a-tives, Limited, Ottawa.

Buy Tire Experience Not Tire Experiments

Dunlop Bicycle Tires are the tires of experience—for 18 years they have been in the lead.

When we erected our first factory, one room was sufficient for Bicycle tire making.

To-day, almost the entire part of one factory is devoted to this line.

Dunlop Bicycle Tires

Every year finds Dunlop Bicycle tires more popular than the previous year; and if any new ideas are needed, each year sees them coming first from the Dunlop Factory.

For 1912 the new idea is Dunlop Special, the Bicycle Tire built specially for Canadian roads, the tire that will not slip because of rubber studs placed securely on the tread.

The answer to those who want to sell you foreign-made tires is that distance lends uncertainty—not enchantment.

Dunlop Tires are Sold by Bicycle Dealers Everywhere.

OLYMPIC FIELD PROGRAMME CHANGED

Javelin Event Will Be First Which Gives Swedish First Victory.

[Canadian Press.]

New York, June 22.—The final revision of the track and field programme at the Olympic games next month has just reached this city. A new arrangement of the various competitions gives a better opportunity for athletes to carry off honors in two events. The sprints are separated by several days, as are the middle distance runs and the weight events.

The first event to be decided is the javelin. This means that the Swedish will be the first to score a victory. On July 6th, the opening day of the carnival, the final of the javelin throw and heats in the 10,000 metre run, 100 metre dash, and the 800 metre run, will be decided. The Marathon race comes on July 14th.

HORSE TALK

Erie has lost its half-mile track and not having built a new one the meeting scheduled for that city has been moved over to Conneaut Lake, July 23 to 26.

Horace White, former governor of New York, has bought the old Messina Springs trotting track at Syracuse, and it will be the scene of the matinees this year.

Orphan Annie, the 3-year-old cut of Belle Vara, has been a mile in 2:14¼ at Cleveland. She is owned by Johnny Ray, the funny little comedian.

One of the caretakers at the fair grounds with a fine strain of sarcasm, remarked after hearing that Joe Patchen II. had kicked Havis James and put him in the hospital, "That gives the horse all the better chance in the Chamber of Commerce, for he won't be worked to death."

Thirteen yearlings in the Magowan stable at Lexington have been eighths averaging 20½ seconds. "Doc" Curry is educating them.

LONDON MADE SUITS TO MEASURE

There is a distinctive style and finish about a "Curzon" Suit which the "ready-to-wear" garments sold in Canada and the States lack. Indeed the "Curzon" cut and finish is hardly equalled even in garments sold by the best Custom Tailors, whose charges are always exclusive, if not altogether prohibitive. There is just that ease and comfort about our garments which give the wearer a "well at ease" appearance.

Then there is the cloth to remember: nothing but real British materials every time.
