IN THE BICYCLE CAMP.

Canadian Racing Board Magnates Disagree—Robertson's Idea.

Like their turf co ordinates, the bicycle magnates of Hamilton and Toronto are at loggerheads. Chairman Bobby Robertson of the Racing Board would like to be a Poo-Bah and run the whole show, but Orr and Higgins of the board are desirous of calling the Ambitious Citizen down. A rumor reached Montreal that several of the cracks would be disqualified, according to Bobby's idea. This alarmed the M.B.C. and a query reached the Toronto members of the board yesterday anent the probability. The Montrealers aver that with Wells, Hyslop, Harbottle, etc., out the races would be tame indeed and the attendance at the championships on Monday seriously interfered with. Messrs. Orr and Higgins wired back that there was little to fear and that the worst Robertson could do would be to suspend. There the matter rests, and it remains to be seen whether or not the alleged Canadian Class B's will participate in Monday's races.

WILL MOWAT BE SUSTAINED?

THE GOVERNMENT EVIDENTLY HAS A GRASP ON THE COUNTRY.

The Opposition Is Not Likely To Handle the Big Surplus In the Treasury—So Says The Chicago Sentinel — Delay Would Have Been Death To the Mowat Administration.

The Chicago Sentinel, speaking of to-day's elections for the House of Assembly, Ontario, says: "The Mowat Government has a cinch on the country. The result of the elections could only have been doubtful had the Government tried to hold power until the completion of the Georgian Bay Canal, or the settlement of Toronto's Esplanade difficulty. By that time, unless the personnel of the Mowat Administration was changed, it would be a dead issue. Give the present Opposition only time enough and they will eventually bury Ontario's great constitutional lawyer.

"Looking at her, either from a moral, religious, educational, monetary or commercial point of view, Ontario compares favorably with any country in the world. She is in a very prosperous condition and the people are generally satisfied to leave well enough alone.

"Toronto, the principal city, is making rapid strides towards rivaling our own Chicago, and already we are thrown in the shade by some of her commercial buildings. For instance, the large palatial shoe house lately erected by guinane brothers, two fourteen yonge-street, has no equal here, and we doubt if there is as large or as handsome a shoe house on the American Continent. With all this in Mowat's favor, what can the Opposition expect?"

VARSITY'S CLOSE CALL.

The Toronto League Leaders Beaten by 6 Runs to 7.

The few spectators who saw the exhibition baseball match over the Don yesterday were treated to a close and well-played contest. The Stars, who lead the Toronto League, were ahead of Varsity at the end of the fourth innings by 5 to 0, and the collegians won by the smallest possible majority. Smith kept the Varsity batsmen guessing early in the game, while with a few errors and hits off Blakey the Stars took a comfortable lead. Netherly pitched four innings and only allowed one hit and no runs, when Varsity batted out just enough to win. The Stars played a clean and clever game all through. Score:

Varsity	0	0	0	1	0	2	3	0	1	—7	9	5
Stars	2	1	1	1	1	0	0	0	0	—6	6	4

Baseball Brevities.

The Capitals defeated the Elms by 18 to 11. Batteries: Smith-Giroux; Bittle-Gibson.

The Standards defeated the Derby's nine on Saturday by 10 to 0. The Standards would like to arrange a match with some outside team for July 2, Markham preferred. Address A. Randall, 44 Scollard-street.

The Bell Telephone Baseball Club desire it stated that the notice about the umpire assisting Gowans, Kent & Co. to victory did not come from any of their members.

In the Junior League games on Saturday the Argyles defeated the Derbys 18 to 8. The game was close and exciting until the 7th innings, when the Argyles had O'Connel completely at their mercy and batted his delivery all over the field. The batting of Charles Wray and J. Rundel for the Argyles was the principal feature of the game. Batteries: Scott-Wray; O'Connel-Graham. Hurst.

The Orioles are open for challenges from all junior clubs, average age 14 years, for any Saturday, also during holidays. Address B. Alexander, 179 Brunswick-avenue.

The Young Maroons defeated the Delawares by 11 to 10. Batteries: Crow-Colton; Beaty-Norman.

The N. A. A. O. Regatta.

NEW YORK, June 25.—The National Association of Amateur Oarsmen has selected Aug. 10 and 11 for its annual regatta on Saratoga Lake. There will be eight races—junior and senior single sculls, pair-oared shell, double sculls, junior and senior four-oared shells, intermediate and senior eight-oared shells.

Athletic and General Notes.

Election returns will be received at the Toronto Athletic Club, where a special telegraph wire has been put in. During the evening a smoking concert will be held. Special cars will be on hand at 1 o'clock to carry everyone home.

Last Saturday's team has been found to work so admirably the Team Committee deem it wise to make no changes, and there are not a few today who think the T.L.C. will have an additional surprise in store for the public on Dominion Day, when the home team meet the celebrated champion Capitals. They purpose working hard during this week. The management of the T.L.C. have engaged the splendid 13th Batt. Band of Hamilton, which will make the afternoon's sport doubly interesting.

DUNDAS MANSLAUGHTER CASE.

Two Hamilton Men Committed for Trial For Causing Tew's Death.

DUNDAS, Ont., June 25.—At 1 p.m. to-day Coroner Ross began the inquest on the death of Reuben Tew of Greensville. After the jury viewed the body of deceased and the buggy in which he was driving at the time of his death they adjourned to the town hall. The evidence shows that deceased and Mr. Riley were driving west in King-street about 10.20 p.m. on Saturday, Riley sitting on the right side of the buggy and driving on the north side of the street close to the sidewalk. When about the middle of the block a sorrel horse hitched to a top buggy, containing three young men, ran into them, one of the shafts striking Mr. Tew in the abdomen, making a terrible gash, from which he died about 1 a.m. Sunday. Frank Hancock, 51 Wellington-street north, Hamilton (a nephew of Ald. Hancock), and Charles Carter, 139 King William-street, Hamilton, were in the rig. The jury brought in a verdict that deceased came to his death by the unlawful and furious driving of the prisoners. They were tried before Mayor Knowles on this charge and sent up for trial at the next Assizes.

Cool Coats

AT OAK HALL

The heat-centre of the human body is above the waist. That is why a thin light coat is such a factor in keeping a man cool and comfortable all over on a muggy hot day. And in this June Clearing Sale of Clothing at Oak Hall the reductions in prices for such hot-weather-wear are so marked that we are really supplying most of that kind of wear which is worn in Toronto this season. Among the popular things are those zephyr-weight skeleton tweed coats and vests which we have made famous with the nice taste in style and shape, and the neat check, striped and mixed patterns, and the low prices.

Other favorites are these:

Striped English Flannel Blazers in assorted colors, the best quality, formerly sold for $3.50, now marked down to $2.50.

Fine Black Lustre and Russel Cord Coats, which were selling at $2.50, now going at $1.50, and Youths' Lustres, always sold for $1.50, which have been marked down to 90c.

Boys' Star Shirt Waists and Boys' Blouses keep the little fellows cool in hot weather. The quality and style are exceptional, and the prices have been reduced from $1.25 and $1.50 down to 75c, or just half price for this month.
