MOTHERS

recovering from
the illness at-
tending child-
birth, or who suf-
fer from the ef-
fects of disorders,
derangements
and displace-
ments of the wo-
manly organs,
will find relief

and a permanent cure in Dr. Pierce's
Favorite Prescription. Taken during
pregnancy, the "Prescription"

MAKES CHILDBIRTH EASY

by preparing the system for parturition,
thus assisting Nature and shortening
"labor." The painful ordeal of child-
birth is robbed of its terrors, and the
dangers thereof greatly lessened, to both
mother and child. The period of confine-
ment is also greatly shortened, the
mother strengthened and built up, and an
abundant secretion of nourishment for
the child promoted. If

THE MARRIED WOMAN

be delicate, run-down, or overworked, it
worries her husband as well as herself.
This is the proper time to build up her
strength and cure those weaknesses, or
ailments, which are the cause of her
trouble. Dr. Pierce's Favorite Prescrip-
tion dispels aches and pains, melancholy
and nervousness, brings refreshing sleep
and makes a new woman of her.

Mrs. ABRAM LYON, of Lorraine, Jefferson Co., N.

Y., writes: "I had been
suffering from ulceration
and falling of the womb,
for several years, or since
the birth of my youngest
child. I consulted all the
physicians around here
and they gave me up and
said there was no help
for me.

At last, almost discour-
aged, I began taking Dr.
Pierce's Favorite Prescrip-
tion and took five
bottles. It is three years
since and I have not had
any return of the trouble.
I feel very grateful, and
in fact, owe you my life.
for I do not think I should have been alive now
if I had not taken your medicine."
