Baseball Rochester 4 Toronto - 0 ❧ Lacrosse Hopkins 2 Varsity 1 ❧ Fight Johnson's Troubles

Note and Comment

Ganzel's Hustlers from Rochester improved with acquaintance and many of the fans left the island yesterday with the idea that the champions will repeat. The advent of McMillan, the shortstop from Brooklyn, filled the team with ginger to spare. In fact the runt is a whole side in himself. He has everything in the baseball repertory, slug, bunt, run, slide, throw and gobble grounders in any position, all over the lot. With the pitchers in top form and several men for every other position and Toronto sadly in need of a backstop, the Hustlers should soon pass us, as well as Newark and Providence for the top position.

The personnel of the Rochester club is a proof that the rule against the farming evil is a dead letter. The team that just won two out of three from Kelley's cripples is labeled Rochester, but is in reality no more or less than the Brooklyn II.

Anyway one game out of three for a total of a single run is making the score count with a vengeance. And it might have been worse or a four-game series instead of three.

Eleven men are batting .300 or better in the American League, while in the National there are 14 in the select class. Altho one player, Schmidt of Detroit, has a higher average than Lajoie, the latter is the real leader with .406. Magee of the Phillies, batting at .377, tops, with the Lynch organization, with Snodgrass and Mathewson ahead of him, but both have participated in fewer games.

Sol Lichtenstein of Montreal will surely sell the Royal franchise if the weatherman doesn't let up soon. According to a Newark paper, Larry Schafly and a capitalist are after it, and contemplate placing it in Paterson if they can secure it.

J. W. Crank, Port Rowan, writes asking to decide his problem in baseball. A base runner going from first base to second base on batted ball, which is fielded in right field and thrown to the second baseman, who is off the second base and outside of the base line. The runner is hit by the thrown ball, when the umpire calls the runner out because he left the base line and interfered with the second baseman putting him out. Is the runner out or not?

Ans.—It looks like a weird decision, tho the umpire could make such a ruling for deliberate interference.

Jack Johnson and his newest manager require only Lou Houseman as referee on July 4 to make a fighting outfit identical with the running horse combinations of colored jockey, Irish owner and Jew bookmaker, that win at any odds.

The Hamilton Jockey Club, according to announcement, will raise the general admission to $1.50. They will have only the seven days, accorded by law, but the dear public will be permitted to keep up the contribution.

The Metropolitan Racing Association have the plans prepared for their new grand stand at Dufferin Park, which will be pushed forward rapidly towards completion, tho the structure will hardly be ready by Saturday, June 18. It is also hoped that the plans are complete for the abolition of prevailing methods of syndicate betting.

Want the Veterans to Box.

ST. LOUIS, June 8.—Bill Clark, the Belfast cricket of other fighting days, received an offer to-day from Billy Delaney, of San Francisco, to box a preliminary of four rounds at the Jeffries-Johnson fight. Clark is 84 years old. His opponent is to be Jem Mace, 79 years old.

Delaney wrote he is now waiting on Mace's answer. He offers each of the former pugilists their expenses to San Francisco and $500. Clark and Mace had a rough fight in the Empire Theatre in New York back in the 70's.

Betting Recognized.

WORCESTER, Mass., June 8.—A new eastern record for a no-hit, no-run game in baseball was made there to-day, it is claimed, when Harry Wormwood of the Fall River team of the New England League, pitched for eleven innings without allowing a hit or a run, in the game with Worcester, which was won by the visitors, 1-0. The Fall River fielders played a sharp, clean game without a single error.

Wormwood was formerly with the Worcester team, going to Fall River last year.

The world's record for such a game is accredited to Pitcher Torrey of the Winchester, Ky., team in the Blue Grass League, who on May 10, 1909, pitched 17 innings without allowing a hit or a run.

SAVIDGE A MYSTERY FOR THE KELLEYITES

Newark Wins and Regains Lead—Orioles Hold Batting Bee—Bisons Here To-day.

The humane officer would not have been molested yesterday if he had taken one Pitcher Savidge of Rochester away from the Island Stadium, for this same heaver acted in the cruellest manner possible, as he only allowed four of the locals to reach first, and only one of these poor quartet stragglers wandered as far as second. Yes, the Leafs were up against class, and then some, and it is not surprising that the Ganzelites applied the kalsomine to the Leafs. But, to make the dose all the more bitter, that McGinnity tribe down east landed the bacon from Providence, thus forcing the locals off the top rung of the Eastern League ladder.

The game was decided in the second innings, when the Hustlers scored two runs, but before the ninth was concluded they had annexed a couple more, the exhibition ending 4 to 0 in favor of the visitors. Yet, on the face of the whitewash, Doc Newton, our portside twirler, was not as bad as the score would indicate, the visitors getting away with a couple of lucky drives, and these, along with the Leafs' misplays, paved the way for three of the Hustlers' four runs.

Rochester, besides winning two games out of three, did something to the Leafs that they will not repeat again in a lifetime, that is, in holding the locals to one run in thirty innings played on the series. However, this only goes to show what a great pitching staff the Hustlers have, and it would be hard to name their best, altho Savidge showed the best form of any yesterday, as his feat of only allowing one Leaf to reach second during the game will show.

Rochester scored their first two in the second. Osborne singled for a starter, but the next two were out. Then Pattee hit a Texas leaguer between left and centre, Osborne scoring because Slattery dropped Vaughn's perfect return to the plate. Pattee went to second on the return, and tallied when Blair drove the sphere over second.

Another run was scored by the visitors in the sixth, when McMillan started with a single and went to second on a passed ball. Batch singled, going all the way to second on the return, which held McMillan at third. McMillan was pinned to his cushion while Mullen handled Osborne's grounder, but he scored a minute later on Spencer's infield out. Alperman forced Batch at the plate, while Pattee was passed up, filling the sacks, Blair, who followed, fanned.

The visitors wound up the ninth with a run, and it was their only earned one of the day, Pattee leading off with a double and scoring on Blair's single.

The Leafs had only one chance, and that was in the eighth, when Mullen and Vaughn singled, with one down, but their efforts were lost, as Slattery hit into a double-play. Score:

BASEBALL NOTES.

Buffalo will be here to-day for the first game of a four-game series. Lundgren will likely pitch for the Leafs.

Toronto only hit ten balls to the outfield off Savidge yesterday.

Catcher Prozeller of the Niagara University drifted into town yesterday and was taken on for a trial with the Leafs.

O'Hara made a great running catch off Alperman's long fly in the eighth.

Pitcher Carroll of the Leafs is suffering from boils on the back of his neck.

Al. Shaw was out of the game yesterday for the first time since he joined the Leafs. Al. is slightly under the weather and may not be in the game for a day or two.

With Blair on third in the ninth, he and Moeller tried to work the squeeze play, but Blair was caught cold.

As has been related often, George Stallings of the New York Americans owes us a catcher and George will likely keep owing us. By the way last year when the Mitchell deal was put thru Stallings offered to let us have Blair, but as usual he switched, and the next heard of Blair was with Rochester.

Moeller in the third innings, after having three and two on him, changed around and batted right-handed and nothing was heard when Moeller got his base on balls. Section 10 of rule 51 states that a batter is out when he steps from one box to the other when the pitcher is in position to pitch.

The Bisons fared badly at Montreal—playing the races.

Dartmouth College defeated Harvard yesterday at Cambridge by 2 to 1.

Johns Hopkins Win From Varsity, 2 to 1 Again on Saturday

BALTIMORE, June 8.—(Special.)—Johns Hopkins Alumni defeated Toronto University lacrosse team at Baltimore to-day by the close score of 2—1. The weather was decidedly hot and the blazing sun told on the visiting collegians, who were tired after their game with Swarthmore on Tuesday. Hopkins scored both goals in the first half on pretty combination plays, but in the second half were never dangerous. Toronto's home was unable to locate the nets in the first half, but in the second half McSloy dodged thru the defence and bulged the Hopkins net. The game closed with Toronto pressing hard and only the phenomenal work of Blanck, Hopkins' bald-headed goalkeeper, saved the game for Hopkins.

The same teams play again on Saturday when a great struggle is expected. Toronto lined up as follows:

Goal, A. Hinds; point, Gundy; cover, Woods; defence, Manning, P. Park, Thompson; centre, F. Park; home, Goddard, F. Hinds, Bastedo; outside, McSloy; inside, Irwin.

Lyons, education department, Normal School.

Polo Challenge Accepted.

NEW YORK, June 8.—Great enthusiasm has been aroused among followers of polo in America over the action of the leaders of polo abroad in challenging for the International Cup and the acceptance of such challenge by the Americans.

W. A. Hazard, secretary of the Polo Association of this country, yesterday sent a special cable to Major Green, manager of the Hurlingham Club, London, as follows: "Challenge accepted."

It is probable that some of the international matches will be played at Meadow Brook, on the Homestead plains, as a compliment to the team that played in England and brought the cup back to this country. This field has undergone many improvements during the last year, and it is considered now one of the best in the country.

Canadas by 39 Shots For Bowling Trophy Defeat Rusholme

The first game for the Goodall Trophy was played yesterday afternoon between the Canada Club, the holders, and the Rusholme Club, and resulted in another decisive win for the Canadas by 39 shots. There were 28 up at home, and 11 up on the Rusholme lawn.

The greens were a little soft, and the players lacked practice, but some good games were played. On Canada lawn the veterans, Hastings and Powis, showed good form, defeating Dr. Wylie and Faills 27 to 5, while the champions, Begg and Robertson, defeated Dickens and McCurdy, 18 to 8.

On Rusholme lawn, Doherty and Armstrong came to life after their winter's rest and walloped Dr. Dame and Quigley, 27 to 7. These three scores more than made up the Canadas' total majority.

It was the Canadas' seventh consecutive win up to date; no other club having had a look-in. The next game will be played June 22, with Parkdale as the challenging club.

The complete score was as follows:

LITTLE YORKS BEAT DONS

T. and D. Senior Soccer Game Results in Score of 6 to 2.

The fastest game of the season on the Don Valley grounds, Danforth-avenue, was played last night, when Little York beat Don Valleys 6 to 2. The same teams met in the opening game of the season on Little York's grounds and played a tie. Dons have been playing good ball lately, having beaten All Saints and tied the Tecumsehs and felt confident of holding their own against the former Ontario champions. The game was not long in progress when it was easily seen the east end boys were outclassing the brickmakers. The half-time score ended 3 to 1 in favor of York, the Dons scoring on a penalty awarded them by Referee Galbraith.

The second half opened lively and the Yorks soon increased their lead by scoring a couple more goals. The Dons took a brace and got their only earned goal. Yorks came back for another, making it even half dozen, and were pressing at the end.

Only one little mix-up occurred, when McLean, who has been twice before the T. & D. executive for rough work, took a punch at Herb Matthews. Herb was right in the game, tho mix it with his big opponent, but the referee soon straightened matters out.

The four Gilding brothers played fine ball, the juniors, Matthews, Givens and Dunn brothers were in the game all the time. Rikes hadn't much to do and the old reliables, Humphrey and Gibbons, played as well as ever.

Rowley, McLean and Dunlap were the best of the losers.

Guelph Bowling Tournament.

GUELPH, June 8.—Bowlers all over the province will do well to bear in mind that what promises to be one of the largest bowling tourneys ever conducted in Canada, will be held in the Royal City of Guelph, the week commencing Tuesday, July 5. Not only is the entry list expected to be large and classy, but the prizes to be bestowed upon the fortunate winners of the three different events, are more valuable than any ever given before at any tournament conducted in Canada. One hundred rinks are expected and the Guelph Club will have at least 36 greens at their disposal, sufficient for everybody's needs. There will be three competitions—the Schofield Cup, Royal City competition and Wellington competition, this latter taking the place of the consolation event. Numerous individual prizes are offered, the lot to reach the total value of $300.

A cordial invitation is extended to bowlers all over the province to come to Guelph and participate in the fun. Entertainment will be provided the visitors each evening and the Guelph Club will not let one moment be dull, as no expense has been spared to make the visiting rinks perfectly at home in every way. E. A. Dunbar is the tournament secretary and should do well to communicate with him without delay. Entries close Saturday, July 2, at 12 o'clock noon.

Jeffries in Shape.

BEN LOMOND, Cal., June 8.—Three fast rounds with Bob Armstrong, in which Jeffries drew blood from his colored sparring partner for the first time since training began at Ben Lomond, constituted the principal feature of a comparatively quiet day. Jeffries was faster than usual, and, countering heavily on the negro's mouth, made the blood flow freely.

The mighty Honus Wagner of the Pirates, who led the Nationals last year, is far below his standard of batting this season. He is 42nd on the list, with an average of .252.
