NEW ENGLAND AYRSHIRE CLUB'S SALE.

THE annual New England Ayrshire 11th to 13th, resulted in new history sale, held at Hartford, Conn., June for the breed. Thirty-eight cows brought an average of $703; 87 heifers averaged $331; 16 bulls averaged $314; while the entire consignment of 145 head, including calves, averaged $569. Three times during the afternoon a new figure was reached for the cow by price, Willowmoor Moss Rose, consigned by J. W. Clise, Seattle, Wash., brought $2,650 from Peter B. Bradley, Hingham, Mass. This young cow has a record of 17,005 pounds of milk and 714.32 pounds fat. This new record price did not last long, as Lochfergus Cherry, the great Canadian show cow, amid much enthusiasm set the record on Mr. Bradley's bid of $3,750. This cow was consigned by Wm. Hunter, Grimsby, Ont., whose five entries averaged $1,213. This record was again eclipsed when the stylish young heifer, Pansy's Daughter of South Farm, consigned by South Farm, Willoughby, Ont., was knocked down to G. S. McWhinney, Chatham, N. Y., for a new Ayrshire record price of $4,200. This young heifer is by Howie's Mintmaster, senior champion bull at the 1911 National Dairy Show. L. L. Knight, Providence, R. W. F. STEPHEN.

AN AYRSHIRE IMPORTATION.

IT takes grit and courage to import animals from overseas these days. Besides the submarine menace there is heavy insurance and risk of loss in other ways. Not to be daunted Wm. Hunter, of Grimsby, Ont., had Adam Montgomery, of Lessnessock, Ochiltree, Scotland, ship him 50 head. They landed at Quebec a short time ago after a hard voyage of three weeks, and are now in quarantine at Levis.

This consignment was originally intended for the New England Club sale at Hartford, Conn., on June 11th and 12th, but was delayed in shipping.

They are considered the best lot of Ayrshires ever imported from Scotland, the most of them having not only good show records, but good milk records behind them. The eight bulls are all yearlings of high-class breeding and one of them is the highest priced Ayrshire bull that ever left Scotland. The females are heifers and young cows. There is in the consignment four or five daughters of Lessnessock Golden Love (purchased by Gilbert McMillan, of Huntingdon, Que., at the New England Club sale at Springfield, Mass., last year), the best breeding bull of his time.

There is also a daughter of Penhurst's great ex-champion cow, Auchenbrain Brown Kate 4th. This splendid lot will be an acquisition to the Ayrshire herds of Canada and the United States.—W. F. Stephen, Secretary, Canadian Ayrshire Breeders' Association.

A NEW SIRE FOR E. B. MALLORY.

MESSRS. E. B. MALLORY and R. J. Graham, of Belleville, have recently secured from Mr. Ed. Furtelle, of Bloomfield, one of his sons of Champion Sylvia Echo Pontiac, the oldest son of May Echo Sylvia. The dam is a tested daughter of King Segis Alcartra Spofford, out of a daughter of Count Segis Walker Pietertje. This is a very strong line of breeding, and Messrs. Mallory and Graham are to be congratulated on having secured an animal of such excellent breeding. The price paid was $1,200.

LOW BANKS HOLSTEINS IN R.O.M.

IN looking over the R.O.M. report of the Holstein Breeders' Association, one of the most noticeable features is the good work of the Low Banks herd, owned by Mr. K. M. Dagleish, Kenmore, Ont. Low Banks Lady Korndyke has now a four-year-old record of 27.82 lbs. butter and 568 lbs. milk. Among the best records of the year is Low Banks Prilly Korndyke, 715 lbs. milk, 31.85 lbs. butter in 7 days, 2,902 lbs. milk and 126.85 lbs. butter in 30 days. Another good one is Low Banks Folkje Korndyke, with 571 lbs. milk and 28 lbs. butter. These are the two highest reported in the junior three-year-old class.

In the two-year-olds also, first and second places were held by members of this herd, Low Banks Korndyke Clothilde and Low Banks Lady Korndyke Paxton, both with nearly 22 lbs. in 7 days.

In the junior two-year-old class the first place goes to one of Mr. Hardy's heifers, but the second highest is Low Banks Queen Pontiac Korndyke, with 23 lbs. butter and 535 lbs. milk at one year and eleven months.

These are all daughters of the senior sire at Low Banks, Fairview Korndyke Boy, and speak will for his value as a sire.
