FALL RIVER'S FOOTBALL TOUR

Misunderstanding as to Who is Arranging Dates—Toronto League Meeting—Association Gossip.

There is a misunderstanding somewhere as to the tour of the Fall River Rovers. President Brownlee of the Ontario Association is satisfied with the visit providing the players are amateurs, which they appear to be. Mr. MacPherson of the Toronto Thistles has been arranging dates for the tourists and now John P. Brady of Galt writes Mr. Brownlee for authority to fix six dates in Ontario. The president will write Fall River and find out about it.

Manager MacPherson himself announces that he has just received word from the Fall River manager regarding the club's standing as an amateur team. He states that the players are all pure amateurs and play in the New England League, whose secretary also vouches for their standing. At the Ontario meeting Mr. MacPherson had been granted leave to play the Fall River Club against teams playing under the Ontario Football Association and he has also given to the secretary of the Ontario League a list of the players that will take part in the tour.

Clubs are reminded that they are entitled to two delegates at the semi-annual meeting of the Toronto Football League next Monday night at the Central Y.M.C.A.

The Scots will play the British United football team on the east side of the Don Flats on Saturday, at 2.30. All players are requested to be on hand. The Scots having secured the following players, look forward to a very successful season: Strachan and Bricker of Varsity; Riley Hirons, formerly of Woodstock; C. Gill of the Royals, Ralph Millar of the old Senior Scots, J. Robinson of the Albions, along with the following: Martin, Ledger, Riddick, Humphrey Bros., Barkey, Wheeler and Dewdell.

The Lancashires will play the Thistles at the Pines on Saturday next at 3 p.m. All players are requested to attend a meeting of the Lancashire Association in the Sons of England Hall, East Richmond-street, on Friday, 12th, at 8 p.m. Any Lancashire lads wishing to join will be made welcome.

A meeting of the Riverdale Football League will be held on Wednesday, April 17, at 2.16 Hamilton-street. There is no age limit to this league and all teams wishing to play are requested to send representatives. The meeting will be held at 8 p.m.

An important meeting of the Woodgreen Football Club will be held on Friday evening of this week in the club's parlors. This club will in all probability place a team in the intermediate series of the Toronto Football Association, as the M.Y.M.A. League has not yet taken any steps towards organization this season. The following players are especially invited to attend tomorrow night's meeting, in addition to any others desiring to do so: Cheetham, Feasley, Roberts, Penny, C. Barkey, Olivant, J. Barkey, Tyner, Gill, Bromfield, Kingdon, Murray, Weller, Pillar.

The Western Football Association will have a big list of clubs in the different series this season, judging by the list of entries, the following having already entered.

Seniors—Seaforth, Stratford, Brantford, Dundas, Hamilton, Galt, Galt Victorias, Waterloo, Guelph Scots, Berlin, Preston, Wentworth United of Hamilton.

Intermediate—Galt, St. George, Waterloo, Owen Sound, Clinton, Walkerton, Milbrook, Galt Collegiate, Woodstock Juniors, Atwood, Listowel, Brussels, Seaforth, New Hamburg, Paris, Tavistock.

Juniors—Guelph Rovers, Galt, Berlin, Seaforth, Atwood Maple Leafs, Milbrook, Waterloo, Listowel, Owen Sound Ensigns, Milverton.

RUSHOLME LAWN TENNIS CLUB

Prosperous Past Year Shown by Surplus in a Bag—Officers Elected.

The annual meeting of the Rusholme Lawn Tennis Club was held at the club rooms at the Old Orchard Rink, and was well attended. The numbers have increased so much during the past year that the committee printed the financial statement on the notices calling the meeting, for the information of those who were unable to attend. The president, T. G. McMaster, was in the chair, and the surplus, in a large canvas bag, sat in front of him all evening. In his opening remarks, the president referred to the past year in most cheerful terms, pointing to the surplus, and to the fact that the numbers had doubled in the past 12 months; and announced that there would be 11 courts available this summer, so that an even better year was assured. The treasurer also wore a large smile and prophesied a bigger surplus next time than last. He was re-elected. The meeting decided to charge an entrance fee of $1 for new members, but the club will continue to supply the balls, and the fees will remain at $5 for men and $3 for ladies, as before. The officers elected were: President, T. G. McMaster; first vice-president, J. Witchall; second vice-president, Miss Scott; treasurer, W. R. Hitchins; secretary, D. Calder, 14 Shaurion-street; assistant treasurer, Miss E. Jelliffe, 64 St. Ann's-road. A postcard to any of the officers, or to the club, at 375 Dovercourt-road, will bring any further information required. It was also announced that the last dance of the season would take place on April 24, and that the committee hoped to have seven courts ready by the beginning of May. Refreshments served by the ladies brought to a close a very enthusiastic meeting.

Sporting Miscellany.

The Southern League season was formally opened in Birmingham, Ala., on Tuesday, when Birmingham defeated Atlanta, 7 to 4. The raising of the pennant won by the Birmingham team last season was made a feature of some elaborate exercises preceding the opening.

Former Jockey William (Monk) Coburn Tuesday at New Orleans was sentenced to serve 15 month in prison for shooting and dangerously wounding his actress wife, Grace Fontelle. The woman was shot two years ago because she had upbraided Coburn for failure to secure employment at race tracks.

The Toronto Rowing Club yesterday received from Ward, the New York boat-builder, at St. Catharines, a new fours shell. Ward is also building a pair shell, and Akroyd Bros. are turning out two working fours. A force of men are now busy on the club house at Hanlan's Point, putting up new verandahs and laying out new floats and platforms.

Manager Hugh Duffy of the Providence Baseball Club announces that negotiations between him and the Boston Americans are off. Duffy's terms to manage the Americans were $10,000 a year, a three years' contract, and a free hand with the club. Boston refused the terms.

Charged with permitting betting at its matinee races April 1, in violation of the Foust anti-race track betting law, recently passed by the Tennessee Legislature, the new Memphis Jockey Club was indicted on Tuesday by the county grand jury. The claim is made that a handbook was operated, and that odds were offered on horses in each race.

CAVALRY SCHOOL FOR BARRIE.

Ottawa, April 10.—A provisional school of instruction for cavalry officers and N. C. O., at Barire, Ont., has been authorized, to commence on a date to be fixed by the O. C., Western Ontario.

NO SENIOR TEAM FOR ST. KITTS

Players Refuse to Work Under New Management.

At a meeting of St. Catharines lacrosse supporters and enthusiasts last night, much talk was heard, but without a formal motion to adjourn the gathering dispersed, with the idea that all efforts to establish a Senior League team are at an end. The attendance was satisfactory, but the old management refused to take hold, and the players refused to play under the new.

There will be great doings in Newmarket on Victoria Day. Athletic sports on a large scale will be carried on, and a big day's sport is promised to all-comers. The day's program will be carried on under the auspices of the Talagoo Lacrosse Club.

The Jarvis-street Collegiate has reorganized the lacrosse club, with the following officers: Hon. president, Dr. Embree; president, Mr. Jennings; captain, P. Parkes; secretary-treasurer, A. Gray; committee, Rutley, Finch, Haight. Jarvis have nearly the same team as last year.

The district committee of the C. L. A. meets at the Iroquois to-night to group the juniors and intermediates, while at the same time and place the senior committee of management will arrange the schedule for the new senior C. L. A. series and attend to other incidentals. The district committee is made up of President Cameron, Second Vice-President Doyle, Secretary Hall and Councillors Forsythe and Tegart. The senior committee of management is made up of President Cameron and one representative from each of the clubs in the senior series.

Years ago the biggest men around beautiful Rosedale were the life members of the Toronto Lacrosse and Athletic Association. They were such generally by virtue of large contributions, that kept the interest on the mortgage paid up. Now the T. L. and A. A. is out of business. The trustees rent to the Toronto Lacrosse Club and everyone gets notices that he can see all games from the club house balcony by purchasing season tickets at $10. Some of the ex-life members object and threaten to bring the matter to the courts.

Bill Squires in Honolulu.

Honolulu, April 10.—Bill Squires, the Australian heavyweight, accompanied by his manager, Barney Reynolds, arrived here on the steamship Ventura, en route to San Francisco. Squires says he will challenge the winner of the Jack O'Brien-Tommy Burns fight, and that he will go to Los Angeles to see the battle. On his arrival in San Francisco he will post $5000 to bind the match. Squires spoke very independently concerning a match with Jeffries. He said that it was generally reported that the heavyweight champion had retired, and he would therefore issue no challenge to him. If Jeffries wants to fight Squires he will have to notify the Australian to that effect. Squires says that he has plenty of backing.

Toronto Bowlers at Detroit.

Detroit, April 10.—(Special.)—In the five-men events at the Michigan State bowling tournament here to-night, the three Toronto teams did not do themselves justice. Thompson, Woodbury and Fisher of Chicago were to have rolled with a Toronto team, but vigorous protests were lodged by the other contesting teams, and the Chicago rollers were dropped. The high score to date in the five-men event was made by the A. B. C. team of Detroit to-night, who rolled 2789. The Toronto teams will roll their doubles to-morrow morning. The London team rolled 2479, Toronto Dominions 2302, All-Canada 2439 and Toronto 2285.

Eddie Durnan in Vancouver.

FENCING CHAMPIONSHIPS.

Bouts To-Night at Central Y.M.C.A.—Good List of Candidates.

Under the sanction of the C. A. A. U. to-night a very interesting fencing tournament will be held by the Central Y. M. C. A. A. L. Cochrane of Upper Canada College has consented to act as referee. Dr. James W. Barton will act as one of the judges, and the other judge will likely be a Montreal man, if possible to procure such. The tourney will be governed by the amateur fencing rules of England. As this is the first time they have been used in Canada, it will be watched with a great deal of interest. The main difference with the old rules is that the entire body, from the collar to waist, is the target, both back and front, and that each opponent must acknowledge hits, thus assisting judges whenever possible. The first bout will be called at 8 o'clock. The following are the entries:

McGill—De Gaspe, Beaubien.
W.B.Y.M.C.A.—Keeler.
St. Annes—Keeler, Tyrell.
McMahon's School—Blundell, McKenzie.
Central—Dudley, Chalmers, Walters, Campbell, Longbotham.

TORONTOS WIN INDOORS BEAT JOHNSTOWN 11 TO 5

Connors and Thoney Pitchers—Big League Season Begins To-Day—Baseball Notes.

Johnstown, Pa., April 10.—(Special.)—On account of the inclement weather, which has made all play impossible on the local grounds, the fans had to be satisfied with an indoor baseball game in the auditorium roller rink. It snowed all night, and the surrounding mountains wore a mantle of white to-day. As not more than two or three of the players had ever seen an indoor game the crowd got the worth of their money. Connors pitched for the Torontos, but had to retire early in the game, occasioned by a run in at the home plate. Thoney finished the game with Bailey behind the bat. The score:

		R.	H.	E.
Toronto	1 6 0 0 0 0 1 0 3	11	15	5
Johnstown	0 0 1 1 1 2 0 0 0	5	11	2

Woodstock Wants Amateur League

Woodstock, April 10.—If present indications can be taken as a criterion, the season of 1907 will be one of the most successful in the history of baseball in Woodstock. At a largely attended and enthusiastic meeting to-night a club was organized to be known as the Woodstock Baseball Club and will secure the formation of a league to include Galt, Brantford, Ingersoll, Stratford and Woodstock. Galt and Ingersoll have already signified their intention of being part in such a league and it is felt that Brantford and Stratford will fall in line.

It is proposed to conduct the league on a strictly amateur basis and to-night's meeting passed a resolution strongly favoring the insertion of a clause in the constitution governing the league providing against the importation of players by any club having membership in the league. Woodstock has some splendid material in last year's city league teams and should be in a position to put out a nine that will make the best of them go.

The club is off to a good start and from the present conditions will receive the unstinted support of the citizens, Woodstock being essentially a baseball town. The following officers were selected to-night: President, S. N. Dancey; vice-president, J. Mackay, Frank Hyde, Alex. Moore; secretary, W. F. Kuhn; treasurer, Blake Terryberry; manager, James Davis; executive, McPherson, Dingwall and Pascoe.

Amateur Baseball.

All Saints' football teams will practice on the east side of the Don Flats this evening at 6.30. All members are requested.

A meeting of the Broadway Boys' Baseball Club will be held on Thursday evening at 8.30, at 102 Grace-street, to reorganize for the coming season. All members and any wishing to join are requested to attend as business of importance will be dealt with.

The Juvenile Shamrocks' B.B.C. would like to arrange a game with any of the following teams for Saturday, April 13: Broadviews, Senecas, Iroquois, former team preferred. Address W. Tolley, 236 Teraulay-street.

The Central Juvenile Baseball League will hold a special meeting on Friday night, April 12, in the Aberdeen Hotel parlors, 67 West Queen-street, at 8 o'clock. Any teams wishing to join this league will kindly send a representative.

Military Indoor Games Saturday.

On Saturday night the greatest indoor athletic meet ever attempted in the city will be held in the armories under the auspices of the Toronto Garrison Athletic Association, and sanctioned by the C. A. A. U.

A list of 14 events will be run—seven open to the members of the garrison and seven open to all registered amateurs in the country. The most important event of the meet will be a five-mile race against time, in which Tom Longboat, the famous Indian runner, paced by six of the fastest runners in the city, will endeavor to lower the world's record, now held by Arthur Schrubb.

The event that is the most important from a military standpoint will be the Lloyd-Lindsay competition, and the heavy marching race. The Lloyd-Lindsay consists of a team of four men in command of a non-commissioned officer, each to be in uniform, with rifle and side arms; two or three hurdles will be vaulted, the squad firing a volley after each jump. A gravel pit will then be leaped and another volley. Following this will be the water jump, a five-foot fence will be vaulted, the team then going over a ten-foot wall, after which three volleys will be fired, the team then retiring. Points will be counted for the time taken and for firing, also style for negotiating each article, and general care of the rifle.

In the heavy marching competition, each man will be dressed ready for active service, with greatcoat, haversack, water bottle, kit bag, ball pouch, rifle and side-arm. Only regulation military marching will be allowed, the pace to be not less than 24 inches, the kit bag to weigh 45 pounds.

In the open events, the one-mile handicap will be the most popular, about thirty or forty entries being expected. New runners will receive every encouragement, a generous handicap being given to each novice.

The 440 yards handicap will bring out some of the best middle-distance runners in the country.

The two-mile race will be a special event, in which all the best distance runners in the city will compete. The winner of this event will be the undisputed indoor champion of the city. A special $25 medal will be given for first place.

In the 12-pound shot-put, the best heavyweights in the city will compete, and it is hoped a Canadian record will be broken. The running high jump will bring together the best men from the G. A. A. and the Central and West End Y.M.C.A.'s. The indoor record in this event may also be broken, as Cameron and Barber of Central will endeavor to break their tie of a few weeks ago.

The quarter-mile schoolboys' race for the city school championship will also be a strong feature, all the schools in the city sending several boys.

Sergt. J. Latremouille of the 48th Highlanders will give a swinging trapeze exhibition. The 48th Highlanders' Band will render an excellent program throout the evening.

SAW HOCKEY PLAYER FELLED.

Witnesses Give Pointed Evidence at Masson Manslaughter Trial.

Cornwall, April 10.—(Special.)—The Masson manslaughter case occupied the spring assizes before Hon. Mr. Justice Magee all day to-day and promises to take up most of to-morrow.

The crown called 10 witnesses. Jack Hunter, Stan Runions and Reddy McMillan of the Cornwall team, George Airey and Lee McCourt, the latter a brother of the deceased player, all gave very pointed evidence to the effect that Masson had skated into the free-for-all mix-up and struck down Bud McCourt by a blow on the side of the head. Other crown witnesses were Judge of Play E. A. Pilon of Montreal, David Small, the Cornwall umpire, and Dr. W. D. Knight, the Cornwall timekeeper; also Dr. D. O. Alguire, who attended McCourt, operated on him and conducted the postmortem examination, and Dr. R. McG. Nichol, who assisted at the postmortem and who corroborated Dr. Alguire's evidence as to the postmortem. Dr. Alguire said that, judging from external appearances, the blow received by Throop, was more forcible than that which inflicted the wound on McCourt. As Referee Emmett Quinn of Montreal was unable to be present the crown rested their case with the foregoing witnesses.

Pat McLaughlin, the vice-timekeeper, was the first witness. He did not see all the fatal scrap, but saw McCourt and Chamberlain mixing it up at the end of the rink just before this affair. Throop and Al Young rushed in between the scrapping players and both were knocked out. Jack Williams, another Ottawa player, saw Masson and Runions skating into the melee. D. H. Meikle of Wales saw the fracas at the end of the rink and was positive that Chamberlain struck McCourt on the head. The court then adjourned till 9.30 a.m. to-morrow.
